

List Public School Promotion Results

As school closed this week for the summer vacation, promotion lists in all the grades have been prepared.

Promotions are determined on the child's work during the year. G. W. McKenzie, the principal, points out, Senior grades write four sets of tests and these results are forwarded to the parents on report cards.

Warn Week-End Worst Period

Warning that July 1 to 4 could be, but need not be, one of the year's worst periods for accidents. Highways Minister James N. Allan appealed for a special safety effort by everybody.

The week-end ahead of us has special features which make it very important that all motorists and pedestrians keep safety foremost in their minds.

Extremely heavy traffic is likely with Dominion Day in Canada on Friday and Independence Day in the United States on Monday, hundreds of thousands of week-end holidayers will be on the move. The long summer holiday has begun for nearly a million school children in the province and they will be outside more and more exposed to street and road accident dangers. The week-end also ushers in "summer vacation" time and Ontario people and visitors will be travelling to summer places in cars crowded with passengers and belongings.

All these conditions point to an urgent need for more attention to safe and sensible driving and walking by everybody.

CAMPBELLVILLE

Make Presentation To Former Member

Mrs. Murray McPhail was hostess to the Women's Missionary Society on Thursday afternoon. Miss Simpson opened the meeting by giving an illustration of a spring which had ceased to flow because of debris. When cleared of the rubbish, the spring flowed as it was intended to do. We might apply the same condition to our lives and thus be springs of living water.

Mrs. E. Cairns offered special prayer for the French Missions. Part of Psalm 119 was read by Mrs. Halstead. Miss E. J. McPhail gave a very interesting account of India as it is now, speaking of the characteristics of the Indian people. Prayer was offered by Mrs. L. Crawford.

Reports were received by the various secretaries, secretary of the cheer committee, girls' group and Mission Band. A committee was appointed to supervise the lunch for the Mission Band 50th anniversary. The roll call was answered by using praise as the special word. The offering was dedicated by Mrs. Easley.

A pleasing feature of the meeting was a presentation to a former faithful member, Miss Gertrude Holmes, who had been secretary for the Glad Tidings for some time but at the present time is making her home in Milton, Mrs. Crawford, on behalf of the W.M.S. and Ladies' Aid, presented Gertrude with a lovely travelling clock. The meeting closed with the Queen. Grace was sung and a happy social period followed.
