Charter Members Share In 50th Anniversary Of Mission Band

The Grace Mission Band of St. David's Presbyterian church, organized July 8, 1905, celebrated its 50th anniversary in the Sunday school room on Friday afternoon.

The president, Beverley Roberts, opened the meeting with the call to worship. This was followed by the Mission Band singing the Lord's Prayer. Jean Mitchell read the 23rd Psalm and Ann Bauleh read the prayer. Charlotte Cacton very nicely welcomed the guests. The Mission Band sang, Do No Sinful Action.

Mrs. Menzies, a member of the Mission Band ever since it was organized, gave a partial report of the activities of the Band throughout the years. Mrs. Menzies read the Constitution and the first membership roll, with those who were charter members standing. These were Mrs. Lewis Binkley, Carlisle; Mrs. Elmer Bayless, Rockwood; Mrs. Fanny Linn, Mrs. J. K. Mahon, Mrs. J. DeForest and Mrs. Menzies, Campbellville. There were 47 members enrolled. Many other former members were present from Alberton, Burlington, Stoney Creek, Toronto, Hamilton, Aldershot, Tansley, Milton and Acton.

In looking over the years of Mission Band meetings, there were times when the membership was not as large as at other times, when discouragement might have crept in but the spirit of this Mission Band has always been Faith and Courage to do the Master's work.

The following program was enjoyed: solo, Leta Austin; recitation, Betty Lou Turner. Mrs. Blow of Acton was the guest speaker, taking for her theme these words: Live, Love, Learn. Mrs. Blow left many helpful thoughts. Joan Early thanked Mrs. Blow, after which Margaret McPhail sang a solo.

Mrs. Wilfred Greenlees, leader, called the executive and members

to the platform where Mrs. Menzies was presented with a beautiful rhinestone pin by little Jo-Ann Mitchell on behalf of the members. Mrs. Menzies was so completely taken by surprise she found it difficult to express her appreciation. However, she is very happy as she always has been when with the Mission Band and wishes for it and the leaders, every blessing.

Greetings were brought from the Afternoon Auxiliary of the Women's Missionary Society by Miss Simpson, the Blair Evening Auxiliary by Mrs. James Robertson and by Mrs. A. T. Moore for the Girls' Group; also several letters of good wishes for the Miss Band and requests were received from former members who were unable to be present. Mrs. L. Crawford was pianist for the afternoon.

The reception committee was Jean Ella and Carol Walton. The ushers were Bruce Evans and Cora Vantol.

The birthday cake, made by Mrs. R. Elliot, and donated by the Ladies' Aid, was cut by Mrs. Menzies with the charter members grouped around while Mr. Dilts took pictures. Pictures were also taken with the members of the Mission Band in a group. The minister, Rev. Bauleh, closed the meeting with the Mizpah benediction.

Mrs. Greenlees and Mrs. Parker are to be congratulated with the success of this anniversary meeting. There are 29 members on the roll at the present time. The members of the Women's Missionary Society provided a bountiful lunch which all enjoyed, while former members renewed old acquaintances. There were approximately 120 present. The school room was nicely decorated with flowers and a happy atmosphere prevailed throughout.

Cutting the Cake at the 50th Anniversary of the Grace Mission Band of St. David's Presbyterian church, Campbellville, is Mrs. Menzies. She was the first president and is still a member of the Mission Band. Shown from left to right are Mrs. L. Binkley, Mrs. J. DeForest, Mrs. Menzies, Mrs. F. Lynn, Mrs. J. K. Mahon and Mrs. Elmer Bales.

Phone Conversation On Derby Broadcast

By road placards, bumper signs, newspapers, radios and word of mouth, Acton's Fish Derby was brought to the attention of thousands by the Dominion Day week-end and since.

There was an article and several pictures in a Hamilton daily newspaper.

The Brampton radio station recorded a conversation with George Barbeau over the telephone when he talked over the success of the Derby, and, as Mr. Barbeau puts it, "plugged" the park and the Chamber of Commerce. He talked for three or four minutes at about 4:30 and then heard the conversation on the air at 6 o'clock.

School Overflows When Pair Honored

On Thursday, June 30, at Banockburn School, Ida Archibald and Don Matthews were honored on their approaching marriage by a crowd that overflowed the school of Junior Institute Junior Farmers, neighbors, relatives and friends.

In the absence of president Bill Somerville the chair was capably taken by the president of the Junior Institute, Kathleen Stanley who presided over the program which included a solo by Donna McMillan; violin numbers by Misses Doris and Betty Anderson, accompanied by their mother; readings by Eleanor Mckeown and Mrs. Ballentine. Addresses were read on behalf of the Junior Farmers and community by Mac Sprout and Mrs. R. L. Davidson.

The gift of the Junior Farmers was a coffee table and television lamp. The community gifts consisted of a floor lamp, bridge set, hostess chair, kitchen stool and a large mirror.

The couple very fittingly replied, after which, lunch was served and the evening concluded with dancing to the jazz orchestra.
