

Too Many Holes In Water Line

There were too many holes in the water line leading to the drinking fountain in front of the town office. Instead of just one—at the spout—there were several on down the line into the ground.

Workers replaced the pipe this week and water pressure is back to normal.

Divide Y Classes Into Four Groups

Classes at the Y.M.C.A. are being divided into four groups this season rather than three. This will be for members eight to 10, 11 to 13, 14 and 15, 15 to 17.

Each boy and girl will take part in one physical fitness class, one skill, one club and one sport at least.

Bride-To-Be Feted At Afternoon Shower

Miss Lorene Roszell and Miss Ena Jennings held a miscellaneous shower at the home of Mrs. E. Jennings for a bride-to-be on Wednesday afternoon of last week. The bride-to-be was the recipient of many lovely gifts.

Very Keen Bowling At Tuesday Jitney

There was a good turnout at the lawn bowling jitney held on Friday evening, September 2. The top man with a total score of 36 was Bill Chisholm and top lady with a total score of 20 was Doris McLaren.

Another Jitney was held on Tuesday, September 6, and some very keen bowling was displayed. The top man for the night was Arley White with 31 and top lady was Doris McLaren with 29. Everyone had a very enjoyable evening.

Former Resident Reaches 90 Friday

Mrs. W. D. Frick, a former resident of Acton for many years, will tomorrow mark her 90th birthday at her home at 24 Sorauren Avenue, Toronto. We join with many other friends in Acton and district in extending hearty birthday congratulations and the wish she may continue long in the over ninety birthday club.

Mrs. Frick is one of the Free Press subscribers whose reading of the paper dates back to the early days of its founding. She retains a keen interest in Acton and when able, enjoys the Acton Fair each year.

Marks' Grocery Being Modernized

Modernizing and renovations are underway at Marks' Grocery this week. The front windows have been eliminated to give about three feet more space inside, and the front of the store beneath the windows is now of attractive imitation stone.

Inside, a new centre island and a new produce stand display merchandise in a pleasing and convenient manner. The outside of the store is being repainted now and the inside is to be repainted a gleaming white later.
