Plan Tennis Banquet At League Meeting

The final meeting of the Intercounty Tennis League was held last week in the Acton club house with representatives from all the towns participating. Acton, Milton, Brampton; Port Credit, Woodbridge and Hespeler. The league is finished for the year with Port Credit the winners and Milton second and Brampton third. Port Credit played Hespeler in the finals.

there was a general discussion on the year's match play. Plans were made for the annual banquet, which will probably be held in the Legion Hall in Brampton.

Dr. H. Mowat Heads Hospital

Former Actonian Dr. H. E. Mowat has been named chief of staff of the new Sudbury Memorial Hospital. The appointments of chief of staff and various department heads were made September 9 by administrator C. E. Evans. Dr. Mowat and the other doctors had all expressed their desire to see the new hospital opened and underway, and state that their posts are temporary. Next year

1930 and returned to Toronto in Toronto General Hospital in 1935 as resident surgeon, and in 1937 came | to Sudbury as chief surgeon of Inco Medical Services.

"Since that time he has been a member of St. Joseph's Hospital Three Water Mains Medical Staff, president of the medical staff and chief of service | Halton Paving and Contracting there, a member of the committee Co. Ltd. was awarded the contract on credentials and served in other for a six-meh watermain between capacities. He is a Fellow of the Bronte and Coronation Park at

Tips on Touring

By Carol Lane

The alarming records of school accidents can be decreased this school year if parents, motorists, school authorities and children themselves all work together. Mo-Horists can carry their share of the burden of safety for the nation's children by being particularly alert especially in school areas, and by obeying all traffic regulations. Most schools, well-aware of traffic problems, include safe-pedestrian instruction in the curriculum.

But the majority of responsibility with prayer, after which a second for seeing that children reach school safely falls to parents. Here are Mrs. Robert Elliott was hostess some rules which parents will do

THE NEW 1956 FORD

THE NEW 1956 FORDS, on display next week in our showroom, are equipped with new "Lifequard" safety features offered for the first time by an automobile company. Thunderbird styling with new lower roof line and distinctive new grille are some of the fine distinguishing style changes on the 1956 Ford Victoria, shown in the illustration. New styling of the protective chrome rub rails on the car's side temphasizes its changed silhouette. The Victoria is one of the 17 models which will be built in four series for 1956, Fairlane, Station Wagon, Customline and Mainline. The Victoria is powered by a "Thunderbird Y-8" engine with 292 cubic inches displacement, with four-barrel carburetor and dual exhaust.
