

THANK YOU!

MANY THANKS to the people of Acton for electing me to the P.U.C. for 1956. I will endeavor to serve you to the best of my ability.

TO ONE AND ALL a very merry Christmas and Happy and prosperous New Year.

— RAY EVERDELL

LIGNY-DUFFERIN

Allsops Entertain Ligny Farm Forum

Mr. and Mrs. J. Allsop entertained Ligny farm forum members at their home in Puslinch on Monday, December 5. After the broadcast, discussion and business, an hour was enjoyed playing euchre. The lunch committee served a lovely lunch.

Mrs. A. McKenzie has returned to her home again after treatment in Toronto and Milton hospitals. We wish her continued improvement.

Mr. and Mrs. D. Brown, Erin, with Mr. and Mrs. Cliff Brown, spent Sunday at Burlington with Mr. and Mrs. Clarence Brown.

Martin Davenport fractured his right arm recently when he slipped getting on the tractor and Wayne Howden fractured his foot.

Miss Minnie Nickle Made Life Member

The W.M.S. and W.A. of Rockwood Presbyterian church held their Christmas meeting at the home of Mrs. Nickle, Mrs. Freeman, president, presided. The meeting opened with a poem followed by the Christmas story of various Scripture readings and Christmas hymns. Mrs. Pearen read a Christmas story of Meditation followed by the J. T. Prayer read by Mrs. Wm. Swanson.

Miss Minnie Nickle was made a Life Member. The congregational supper and concert is to be held Friday.

Several items of business were discussed and the meeting closed with Benediction after which a lovely lunch was served.

Acton, Norval Share Honors In Junior Farmers Hockey Tilt

Acton and Norval shared the honors at Monday's Junior Farmer hockey games in Milton arena. Acton defeated Milton with a decisive 5 to 2, while Norval edged out Palermo 5 to 4.

Don Matthews, past president of the Milton Juniors, coached the Acton aggregation, to their win this week. Mackenzie started for them with two goals and one assist, while Coon got one goal and one assist and Somerville two assists.

In the first period, two goals for Acton set the pace of the game. They were scored by Mackenzie from Somerville and Overland from Mackenzie and Somerville. M. Tasker received a penalty for boarding in the frame.

Milton's scoring duo of right winger McDowell, with his assists from centre G. Gillies, accounted for Milton's one in the second and one in the third inning. Further counters for Acton were credited to Footitt from Deblaux, Coon from Footitt and Mackenzie from Coon.

A double major penalty in the third inning saw Lawson, Footitt, G. Gillies and Tasker temporarily embroiled. Later, Somerville and T. Tasker took minor penalties.

The next game, due to another game in Milton arena on the usual Monday date, will be held on Friday, December 16.

Show Many Pictures At Greenock School

Last Friday evening, many assembled at Greenock school where Mr. and Mrs. Henry Hoskins showed many beautiful pictures of their trip last summer to England, Scotland and Europe, pictures from the shores of our own Canada to Vimy Ridge of 1918 fame.

Mrs. Gordon Aitkens and her talented family entertained with several musical numbers. Lunch was served by the Women's Institute members.

The previous Friday evening, the W.I. held an entertaining benefit social at Greenock school, from which a neat sum was realized to be presented to Mrs. Leroy McArthur, a polio victim in the neighborhood, whom we are glad to say is slowly improving.

Ounce of Prevention Is Subject For Day

Silver-Wood Women's Institute members enjoyed demonstrations and a lecture given by Miss Grace Hamilton on An Ounce of Prevention on Thursday, December 1. The session started at ten o'clock and in a most interesting and lively talk, Miss Hamilton told of various accidents, how they were caused and how to prevent them if possible. But it accidents do happen, she gave many ideas for the use of articles near at hand in the home, the use of many types of bandages and the using of simple remedies. She told of a simple home-made first aid kit to keep in one's car or truck, which should contain some paper napkins, gauze, a triangle bandage, large safety pins and an antiseptic such as iodine in capsule form.

The meeting was held at the home of Mrs. Batkin and a box lunch brought by all members and tea served.

In the afternoon, more bandages were demonstrated when Miss Hamilton told of wounds—incised which bleed freely, lacerated where the flesh is torn and bruised and punctured, caused by a sharp pointed object. Treatment for shock is most important. Remedies for other emergencies were discussed, many examples given and interesting stories told of her work, particularly in the north country in connection with Extension Services.

Removal of splinters was shown, the proper way to make a mustard plaster and the treatment of various types of burns, in which an abrasive type of wound is also included. Many questions were answered and all benefited greatly by this helpful afternoon.

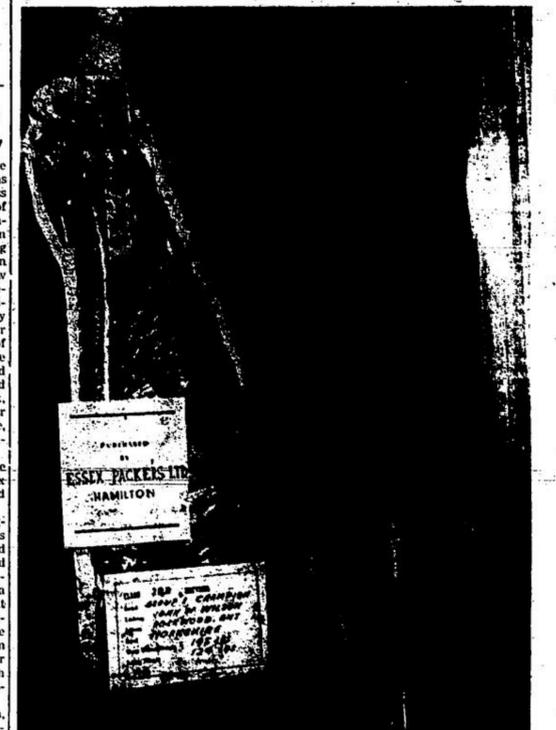

In the absence of the president, Mrs. Marchant, Mrs. W. E. Norton, the vice-president, thanked Miss Hamilton for the pleasant day.

Base Line Marker Unveiling Sunday

The unveiling of the marker for the Base Line where it crosses No. 7 Highway between Eramosa and Guelph Townships will take place next Sunday at two o'clock, December 11. It had been hoped to have the ceremony last Sunday but due to last minute arrangements that could not be completed, a postponement was necessary.

The marker is being erected by the Guelph and Eramosa Townships and the Wellington County Historical Research Society, jointly. It is expected many officials, from the two townships will be present, several taking a part in the brief ceremony, including Reeve David D. Gray, Eramosa, and Reeve Robert Palfreman, Guelph Township.

Utoka Women's Institute are serving coffee after the unveiling of the marker in Eramosa's No. 1 school, on the Eden Mills road. This institute group have kept the name Utoka in memory for many years when it was all but lost to the present generation. The marker will have the name Utoka on it as well as mention of the Base Line.

CHALLENGE TROPHY for the best hog carcass at the Royal Winter Fair went to Nassagaweya township this year as John W. Wilson, R.R. 2, Rockwood, won the Brethour trophy in competition for Wiltshire sides of bacon hogs. The Wilson farm is on the Nassagaweya Fifth Line, south of the Speyside sideroad.

Student Teachers Assigned to School

Messrs. William Crossan and John Curlew, student teachers, are stationed at S.S. No. 9 with Mr. John Allen this week.

We welcome Mr. and Mrs. William Hayes and two sons to our neighborhood. They have recently lived at Ingwood.

Mr. and Mrs. Appleton of Toronto visited the Mac Cosworth's recently.

Teachers and pupils are practicing for school and Sunday school concerts.

Mr. and Mrs. J. A. Smethurst and son John, presently of Elington, soon moving to Niagara Falls, visited his mother here on Sunday.

Accident Result Of Fog, Icy Road

As a result of fog and slippery road conditions early Sunday morning, Miss Nancy Copp of Guelph figured in a highway mishap near the village. Her car careened into a checkboard sign and guard rail, sustaining some \$100 damage. Miss Copp escaped injury.

Bazaar Well Attended

Despite unfavorable weather Saturday, the annual bazaar and tea of the United Church Women's Association was well attended in the town hall. Tables with various lines of goods, baking and household articles were well patronized. Bids overgreen in windows and along the walls presented an inviting atmosphere in approach to the Christmas season.

Some of the stores in town are fixed up for the approaching Christmas trade. Hefferman's Food Market is all agog with the various lines of food stuffs for householders.

Mr. and Mrs. Maurice Hurd of Weston were recent visitors with Mr. and Mrs. George Hayne.

Miss Connie Stott, nurse-in-training, Kingston General hospital, and her sister, Mrs. McCrie of Port Credit, visited with their parents, Mr. and Mrs. Frank Stott.

Mr. and Mrs. Lloyd Waddell and family visited the former's parents in Toronto recently.

Parking By-Law Given Approval

Main Street merchant James Goodlet presented a petition to Georgetown council, signed by well over 90 per cent of the merchants located on Main, Mill and Wesleyan Sts. to have the two hour parking limit by-law strictly enforced during business hours in the streets.

Mayor Armstrong recalled that some time ago, Charles Wray had approached council with a similar request, but at that time it was the opinion of council that when the by-law was strictly enforced, it did not have the favor of all the businessmen. "But it now appears that very nearly all the businessmen want its enforcement, and if that is their desire, it should be," was the stated opinion of the mayor. He suggested that chairman of the police committee, Cr. Walter Gray, instruct the police that the by-law limiting the hours of parking be enforced to the letter.

In order to do this, a motion had to be presented to amend the present parking by-law drawing up the hours of enforcement of the two-hour parking period to correspond with the change in open night from Saturday to Friday night. The motion passed unanimously.

Mr. Goodlet thanked council and in so doing mentioned that never in his experience had a petition been so eagerly signed by everyone approached, because all merchants realized that enforcing the parking by-law rigidly was one way to alleviate the acute parking problem in the town's business section.

Oakville Appoints New Town Manager Pays Nine Thousand

When the question of the salary of the Town Manager was brought up at last week's meeting of the Oakville council, consensus was that \$9,000 per annum was not too much for a man of sufficiently high calibre.

The councillors approved a motion to appoint Kenneth Needham, assistant town manager of Sarnia, to the position of Town Manager of Oakville at a salary of \$9,000 per annum payable monthly.

P.U.C. Chairman Announces Big Water Increase

Chairman Gordon W. Leaver of the Trafalgar Public Utilities Commission announced a 20 per cent increase in water rates effective December 1.

Mr. Leaver made his announcement to the Junior Chamber of Commerce Civic Night audience at Trafalgar Hall. He said the commission had absorbed the last raise. "We are presently consuming eight to nine million gallons of water per day," he said. "When we use one and one-half million gallons a day for 128 days, we will be able to go to Oakville for an adjustment," he explained.

Of the 3,389,350 Canadians who paid personal income tax in 1953, only 9,200 had incomes of \$25,000 or more.

In the first seven months of 1955 Canadian imports totalled \$2,582 million, exports totalled \$2,430 million.

Christmas Store Hours

The following Acton Merchants will be open on the evenings of Dec. 16 to 23 until 9 p.m.
