### Institutes Hold Gala Christmas Joint Party In Eden Mills Hall

Eden Mills and Eden Crest Women's Institutes held their December meetings together in Eden Mills town hall last week. The social part of the evening took the form of a Christmas party.

Over 70 members attended, even though the evening was stormy. These two groups try to meet once a year jointly. Remembering the serious part of Christmas, two pleasing solos were sung by Mrs. Bertha Sobye and Mrs. Elizabeth Hewat.

Mrs. "Dusty" Lowrie read a poem by Rabindranath Tagore, Candles. As she read, standing beside a tall, lighted Christmas tree, in the darkened hall, candles were lighted on a nearby table, one by one, representing the virtues, love, confidence, understanding, forgiveness, and humility. Mrs. Evelyn Barden and Mrs. Fred Gardiner, presidents of the two institutes, lighted the candles in the impressive ceremony.

Later, musical chairs were enjoyed, particularly by some of the "older" members who did not hesitate to take part in the fun. Mrs. Irene Storie won, her prize being an over-size candy cane. There was a draw, won by Mrs. Betty Marshall. The prize was a handy knitting bag.

The highlight of the evening was the entrance of Santa Claus who was drawn down the hall to the lighted tree by an odd looking reindeer. "Santa" was delegated to give the gifts, each member having brought one, with the giver's name inside. Santa was aided by Eden Crest's president, Mrs. Barden, who called out the numbers on each gift. Santa entertained by amusing remarks to each and every member as she came up for her gift. Mrs. W. Early was the jovial Santa.

Mrs. John L. MacDonald thanked the Eden Crest members for their part in the successful party and Mrs. Walberg answered, tendering the thanks of her Institute to Eden Mills members. More than one said there should be more joint meetings.

The usual lunch was replaced by individual salad plates served by the lunch committee at a prettily decorated card table arranged in the hall. Ice cream, cookies and a beverage followed.

### Jr. Farmer Loop Low Teams Keep Opposition Busy

The two low teams of the Junior Farmer loop kept their higher-ranking opposition alert and even anxious in the two games in Milton arena this Monday. Milton assailed Norval throughout the game, to last finally 8 to 6.

With key men absent, Acton scored a surprise tie with Palermo. In the first game, Milton and Norval were evenly paced, ending the first period with a tied score of two goals apiece. Milton's were netted by J. Willmott from G. Gillies and E. McDowell, and E. McDowell, Norval's were by Earl Wilson from B. Wilson and Ross Cunningham, and H. Wilson from R. Cunningham and K. Richardson.

J. Willmott (from G. Gillies) and E. McDowell (from G. Gillies and J. Willmott), scored again for Milton in the second period, while Norval pulled a little ahead with three goals. They were credited to K. Richardson from R. Cunningham, K. Richardson from R. Cunningham and J. Cunningham from K. Richardson.

This pattern was repeated in the third period with another three Norval goals to two for Milton—plus quite a few penalties. Norval's markers were counted by E. Wilson, R. Cunningham from K. Richardson and J. Cunningham, K. Richardson from R. Cunningham. For Milton, G. Gillies from C. McCann and G. Gillies from J. Willmott and A. Howden, twanged the opposition nets.

Penalties mounted during the game from none in the first period to one minor to E. McDowell in the second. Then in the third, with the match close, excitement increased. K. Hearns and B. Wilson were meted out with misconduct penalties. G. Gillies and R. Cunningham took majors. Others with minor infractions were K. Hearns, M. Tasker and A. Howden.

Line-ups:  
Milton—J. Stark, C. McCann, E. McDowell, J. Willmott, C. Gillies, D. LeRiche, D. Johnson, G. Gillies, J. Eves, A. Howden, T. Hasker, M. Tasker, B. Pierson, S. Finnie.  
Norval—E. Wilson, H. Wilson, R. Cunningham, D. Smith, K. Hearns, K. Richardson, J. Cunningham, F. Barnes, F. Bridgen, B. Wilson, R. Ferguson.

Surprise was the tie between Acton and Palermo 5 to 5. Acton was short its scoring line of Lawson, Footitt and Coon, as well as Calvin Sprowl and Bill Somerville. Palermo, on the other hand, had the addition of Dave Pelletterio and Pegg for the game. Acton's strategy of taking Jack Marshall out of goal just before the last buzzer, paid off, when D. McKenzie scored for Acton with five seconds to spare.

While Palermo opened the scoring with a goal by D. Vivian, answered with two in the first period, by D. McKenzie from Mac Sprowl, and G. Scott from B. Wheeler.

Palermo took over the scoring of the entire second frame, however, when B. Price scored twice, once with his assist from G. Pelletterio, and D. Vivian scored on a shot from Pat Flippance.

B. Price scored at the beginning of the third in an endeavor to hold the scoring for Palermo, but Acton, in a final spurt, counted three to tie the game. Scoring here were G. Scott, D. McKenzie from G. Wheeler and D. McKenzie.

Only penalties of the game were handed out to two Palermo players, D. Pelletterio and G. Richardson.

Line-ups:  
Acton—G. Wheeler, D. Mackenzie, C. Thompson, L. Thompson, R. De Blau, G. Scott, B. Overland, B. Wheeler, L. Hensley, M. Sprowl, J. Marshall.  
Palermo—D. Vivian, K. Vivian, B. Price, G. Greer, Bob Marshall, P. Flippance, D. Pegg, B. Broughton, J. Dolan, G. Pelletterio, D. Pelletterio.

**DISTINGUISHED VISITOR** to this newspaper over the week-end was Canadian Weekly Newspapers Association president John Vopni, of Davidson, Sask., shown with Editor G. A. Dills who is chairman of the executive committee of the C.W.N.A. President Vopni stopped here en route from Montreal to the west.

Commerce. These are to be erected as soon as time permit. He also reported more temporary power lines will be required at the growing Lakeview subdivision and additional power meters are needed.

Waterworks superintendent J. Lambert said there still remains some sewer flushing to be done and a hydrant on Lake Ave. is in need of repairing. He also related some difficulty in getting correct copper fittings on water lines at new local houses in order to attach the meters.
