ACTON

OBITUARY

Grandsons, Nephews Act as Pallbearers

The widow of the late Albert White, Edith White, passed away at her home, 89 Waterloo St. in Guelph, on Wednesday, May 2. She had lived in Guelph for the past 13 years. Previously, she lived in Acton from the age of seven years. Mrs. White was born in 1882, the daughter of the late John and Caroline Thomas. She was married in Georgetown in 1907. Six children survive their parents, Artie, Acton; Elmer, Hespeler; Victor, Milton; Wilma (Mrs. William Mino) Milton; Cora (Mrs. Lorne Walters) Guelph; Violet (Mrs. Cecil Harris) Brampton. Mrs. White also leaves three sisters, Ethel (Mrs. Berle Merritt) Brampton; Alice (Mrs. Howard Masales) Acton; Hattie (Mrs. Fred Thurston) Littleton, New Hampshire. Rev. Royd of Calvary Baptist church, Guelph, officiated at the funeral service at the Rumley funeral home on Saturday, May 5. Interment followed in Fairview cemetery, Acton.

Pallbearers were Jerry White, Delmar Walters and Russell Mino, grandsons; Lloyd Masales, Grenville Masales and Earl Merritt, nephews. Since 1949 the total of taxes paid by Canadians has doubled.

Three Sisters Attend Norval Church Bride

Rev. Edgar W. Gill of Norval officiated at the marriage of Barbara Jean Alexander and William Gordon Reid in Norval United church on Saturday, May 6. White shasta mums, pink snapdragons and gladioli decorated the church for the afternoon ceremony.

The bride is the daughter of Mr. and Mrs. Mac Alexander, R.R. 1, Norval and the groom is the son of Mr. and Mrs. Weir Reid, R.R. 2, Norval.

Miss Ruth Wilson played the wedding music and accompanied Miss Jean Bird and Miss Margaret Bird when they sang two duets, The Wedding Hymn and The Day of Golden Promise.

The bride wore a floor length gown of imported French lace with a nylon tulle headpiece and matching fingertip veil. She carried a colonial bouquet of red roses and stephanotis. She carried the same handkerchief her grandmother, Mrs. W. Ruddell of R.R. 3, Georgetown, carried at her wedding 56 years ago.

Three sisters were her attendants, wearing waltz length gowns of silk organza with long French bodices and matching accessories. The maid of honor, Miss Mary Lou Alexander, wore turquoise and carried a bouquet of light pink carnations with stephanotis. The bridesmaid, Miss Jessie Alexander, and the junior bridesmaid, Miss Margaret Alexander, wore shell pink and carried white dark pink carnations with stephanotis.

John Reid, the groom's brother, acted as best man. Ushering the guests were Fred Ruddell, uncle of the bride, and Jim Reid, brother of the groom.

A reception was held in the church following the ceremony. The bride's mother received her guests wearing a dress of dusty rose shot taffeta with white accessories and a corsage of white carnations. She was assisted by the groom's mother, whose gown was of light blue crepe with lace. Her accessories and corsage were pink.

The couple left on a wedding trip to the United States, the bride wearing a pale blue suit with pink hat and gloves, gun metal shoes and purse. Pink sweetheart roses formed her corsage.

Guests attended the marriage from Toronto, Bradford, Burlington, Georgetown, Norval, Guelph, Orangeville, Weston, Port Credit, Thornhill, King, Hillsburgh, Limehouse and Milton.

ROWLING

Ledgers' L.G.A.

April 30: Ledgers wound up their season with His Whumping Hers for the last time to the tune of two and totals. Art Bastell led the way home with a 228 tricon, Emma Duffield and Lou Hutchinson posted singles of 214 and 208 respectively. Effie Bowen made the spotlight with a 204.

Final standing: His 114, Hers 103.

Acton Mixed
May 1: Acton Mixed are winging down the stretch and Pin Clippers lag with Thistles, clobbered the opposition, namely High Rollers and Terrifiers, for the works. Dirty Skunks made it two from Shamrocks but dropped the singleton for totals. Hitting the headpin for triples were J. McLean 639, D. Grein 665, P. McKim 609; C. Ryan 692, G. Masales 636.

League standing: Dirty Skunks 59 1/2, Pin Clippers 53, Thistles 47 1/2, High Rollers 39, Terrifiers 38, Shamrocks 36.

Baxter Lab.
May 2: In the semi-final, Braves pulled the upset of the season when they beat out the highly touted Athletics by 14 pins in a three game pinfall to advance to the finals. Yankees had little trouble in disposing of the Indians with a pinfall of 2403 against 2215. Indians apparently left their tomahawks at home and failed to do any scylding. Bowing under pressure had its effect and the best scores were of single variety, E. Landsborough 207, M. Wilds 230, L. Bradshaw 200, E. Hufnagel 215, T. Buckland 200 and H. DeForest 251.

Acton Ladies
May 2: With four teams battling for the three remaining play-off spots, it was tough and go with the gals. Lucky Strikes, who were already in, kicked Jitterbugs flat on their posterior with nary a point. H. LeSueur was tops in this go with a 638 count. Sloppy Spares made the second spot with a two and totals win from Go-Getters. Hep Cats grabbed off the third spot with an all-out win from Pin Tumbler. Maybe the gals were resting up for the finals, 'cause H. Oterbin was the only trundler to post a single over 200, hers being a 231.

Pinfall standing: Lucky Strikes 155, Sloppy Spares 130, Hep Cats 122, Go-Getters 86, Jitterbugs 83, Pin Tumbler 50.

Acton Major
May 3: In their quest for the title two years in a row, Dominion Hotel didn't leave anything to chance when they hooked up with Combines for the honors. Snatching off a lead of over 200 pins in the first stanza, the Hotel boys were never headed. The final three game pinfall was 3319 for Dominion against the Combines' 3019. Top trundler in this title match were D. Grein 747, P. LeSueur 634, J. Turkosz 634, H. Lawson 623, H. Earle 613, N. Morton 607. Doubles of 444 and 495 from G. Masales and W. Allen did not hurt the champion's cause. Salutations and congrats to the champs.

Commercial-Industrial
May 3 and 4: This outfit wound things up in a hurry in the semi-final. Riddsdales eliminated Rumbler and Micros for the first time this season humbled Gays and it was "Good night baby" for the "Freight Haulers." In the final of the night, Micros pulled out all stops and clobbered Riddsdales but good and the "Tip Kid" is singing the blues. Micros' pinfall of 3367 against Riddsdales' 2734 tells the story. Micros were on the beam as witness C. DeForest 717, H. DeForest 712, H. DeForest 670, D. DeForest 628, L. McGiloway 600. "Billy the Kid" Williams went down with all guns firing with a 651 for Riddsdales.

Glengue
May 4: Glengue wrote-finis to their season's saga of pin thumping with Lucky Six the winners by virtue of snatching one game, and the last one at that, from Eskimos. Snafus almost made it when they took two and totals from Puddle Jumpers. Top men on the totem pole were E. Page 620, J. "Sir Walter Raleigh" Callan 613, A. Rickers 607 and W. Barr 626 (305). Congrats to the winners.

Final standing: Lucky Six 85, Snafus 83, Eskimos 77, Puddle Jumpers 63.

Teen-Agers
May 5: With the Teen-agers in

First Five-Year Census to Utilize New Procedures

Canada this year takes its first national quinquennial census of population and agriculture. This marks an important departure from the previous practice of confining the quinquennial census to the prairie provinces, where they have been taken in Manitoba since 1886 and in Saskatchewan and Alberta since 1906.

In recent decades there have been numerous requests to extend this five year census to other provinces. The rapidly with which changes have been taking place in Canada in the post-war period and since the 1951 census, have resulted in more numerous and urgent requests.

It was not practicable to take a five-year census on a national scale in the past because of the length of time required to take a census and the cost. The 1951 census which introduced in Canada radical new procedures in census taking, reduced the time for completing a census to one-half, thus removing the difficulty of timing. This also made possible considerable reductions in cost. The 1951 census cost approximately \$8,000,000. If it had been taken by the former methods, it would have cost approximately \$2,000,000 more.

Further reductions in the cost of a national quinquennial census could be made by reducing the number of questions and by confining it to population and agriculture. This plan has been adopted for the 1956 census. In spite of higher price and wage and salary levels since 1951, the 1956 national quinquennial census has been designed to cost not more than \$5,000,000 as compared with \$8,000,000 in 1951. Besides the simplification due to fewer schedules and questions, the time-saving procedures used in the 1951 census will be given a wider application.

There will be five questions in the 1956 census of population instead of the 29 asked in 1951. These are age, sex, marital status, relationship to head of household and whether living on a farm. Information on the other questions asked in 1951 has not the same degree of urgency.

The agriculture questionnaire will have 76 questions as against approximately 200 in 1951. After consultation with federal and provincial agriculturalists and interested organizations, it was decided that answers to these 76 questions would furnish essential benchmarks and other basic materials appropriate for a quinquennial census of agriculture.

their semi-final, it was Bulls Eyes defeating Orioles although the Orioles gave the power packed Bulls Eyes a scare in the first game. Hot Shots gave the old heave to Robins and it's Hot Shots and Bulls Eyes for all the marbles this coming Saturday morning. Making with the doubles were A. Williams 350, R. Morton 451, T. Jennings 400, E. DeForest 416, D. Dawkins 470 and G. Hulford 423.

Beardmore
May 7: Rolling Room wrapped up the championship by taking both series. The Rollers met the Cutsole in the last scheduled night and had no trouble in wrapping up a seven point win. Upper Leather and Chrome, who had a chance to win the second series, were in the unenviable position of playing one another and the Chrome took all games, they still finished one point behind the winners. Curry and Beamhouse ran out their string with Curry taking the works. Top timber toppers were E. McGiloway 629, W. Allen 618, J. Molody 631, B. Williams 742 (319), J. Turkosz 694, P. LeSueur 643 and Robson 622.

Final standing: Rolling Room 73, Chrome 72, Upper Leather 65, Curry 52, Beamhouse 45, Cutsole 8. Rolling Room win both series and championship.

Legion Ladies
May 7: Doodle Bugs tangled with Dim Wits in the semi-final of the Legion Ladies and Doodle Bugs with three steady games for a pinfall of 2846 as against the pinfall of 2274 for Dim Wits won the right to meet the Half Wits for the championship. Elsie Ropch was the high trundler on the night with a 613. Best singles were rolled by S. Turkosz 224, G. Townsley 204, D. Angell 217, M. Irwin 216.

Diss and Data
With the award winners it was Had DeForest scoring a double to snare the Carrolls with a 337 and the McCutcheon haberdashery with 770. Beryl Creighton picked up the I.G.A. groceries with a 262 single and Helen LeSueur won "the Tops Cleaners" award with a 638... plenty of teams taking a crack at the Bowl-O-Fun Spring Special and why not... \$5,000.00 for the winning and an equal chance for all... that's and adios amigos.

SPORTING WHALE
WHITE ROCK, B.C. (CP)—A 50 foot whale amused residents by cavorting in Semishmoo bay and blowing vapor into the air. Crowds lined the waterfront to watch.
