Greer-Brown Vows in Galt

St. Andrew's Presbyterian church in Galt was the setting for the marriage of Barbara Ann, daughter of Mr. and Mrs. J. R. Brown, 125 McNaughton St., Galt, and James Edgar, son of Mrs. Mrs. John Greer, Acton. Pink fringed gowns, stocks, palms and ferns made an attractive background. The minister, Rev. Duncan Farris, officiated.

The bride, given in marriage by her father, wore a floor length gown of white tulle with layers of nylon tulle, its sleeves and panels of imported scalloped French lace. The yoke was embroidered with pearls. A sequin tiara held her fingertip veil of matching French lace and she carried a bouquet of stephanotis, gardenias and ivy.

The three bridal attendants wore similar gowns. Miss Beverly Brown, sister of the bride as maid of honor, chose a waltz length gown of white organdy embroidered with pink forget-me-nots, its waist sash, set with pink tulle forming bustle bows at the back. With this she wore a pink tulle hat with forget-me-nots, white accessories and pearls. Her cascade bouquet was of pink shasta mums and ivy. The bridesmaids, Mrs. Gordon Akitt, Carlisle, sister of the groom, and Miss Sheila Horsfall, chose white organdy embroidered in blue with blue tulle sashes, hats and blue shasta mums.

Soloist was Miss Jean MacGregor of Kitchener, who sang during the services. The pastor, Farris, officiated during the signing of the register. Because Mrs. A. Moore was organist.

Gordon Akitt, Carlisle, brother-in-law of the groom, was best man and the ushers were Greg Brown, brother of the bride, and Bill Greer, Acton, brother of the groom. Reception and dinner was held in the Pine Room of the Kross Hotel, Preston. The bride's mother received the guests in a dusty rose lace and nylon tulle dress with sequin trim, with navy hat and accessories and corsage of Cymbidium orchids. The groom's mother assisted the wedding party in a gown of navy sheer crepe with white trim and navy and white hat and accessories. Her corsage was of pink rosetta roses.

For a wedding trip to Washington, D.C. and Atlantic City, the bride travelled in a turquoise wool dressmaker suit with navy hat and accessories and a corsage of Lastra Hibberd roses.

After the couple left, the guests were entertained at the hotel over lunch.

Out-of-town guests were present from Acton, Georgetown, Carlisle, Guelph, Toronto, Oakville, Lakeview and Walkerton.

Among the telegrams received was one from the P.Y.P.S. Toronto-Kingston Synod.

Mr. and Mrs. Greer will take up residence in Acton.

It was Terrers and Dirty Skunks in the finale and Terrers jumped the gun and went to the front with an early lead. At the end of the second, Dirty Skunks had overhauled their rivals and were seven pins in front. In the third, Terrers faltered under pressure and Dirty Skunks poured on the power to win going away Final three game pinfall being Dirty Skunks 2814, Terrers 2658. Top triple shooters were George Beatty 649 and Don Green 697.

Legion Ladies

May 17: Doodle Bugs and Half Wits tangled in this one for the championship and it was close, my friends, it was close. In the first stanza, Half Wits picked up an 80 pin lead and increased it by 16 in the second. The third stanza saw Doodle Bugs rockin' and aridin' to close the gap. Although they clocked for the game by 35 pins, they fell short of victory by 61 pins. Final pinfall, Half Wits 2497, Doodle Bugs 2436.

Bills and Data

With the award winners, it was Norm Merton picking up the Mc-Cutcheon haberdashery with an 813 tricount. Don Green won the Carrolls award with a 315 single. Phyllis Angell won the "Tops Cleaners" award with a 751 triple and Dot Carney won the Ledgers IGA groceries with a 290 single. So now, my friends, the leagues are over, the play-offs played, so reluctantly type out 30 to this column. Once again it has been a grand season, you have been a grand bunch of sports and so, for the last time this bowling season, we say, adios amigos.

GREGORY CLARK
 Eye man from Ontario better than "Greg" Clark, noted author and outdoor authority.

"The greatest thing about Ontario is its immense diversity. Its southern extremity is on the same parallel of latitude as northern California. Yet at Cape Henrietta Maria, Ontario touches the Arctic zone. In the south, an opulent agricultural and industrial domain in full stride with the best on the continent. And in the north, forests, rivers, nameless lakes into which the pioneers have not yet penetrated. Where else now can you go for such contrast? Name two!"

Bungalows by Burro

The United Nations estimates that 150 million families in underdeveloped areas lack adequate housing.

One answer is a frameless, build-it-yourself house designed by Canadians of Canadian aluminum. It needs no foundation, is non-corrosive and verminproof, is so lightweight that it is packed in cartons, easily carried by plane, jeep, or even burro.

The Colombian government has ordered 3,200 of them to help relieve the shortage of rural housing in that South American country. So it's not surprising, with aluminum travelling so far and doing so much, that Alcan is again increasing its smelting capacity in both Quebec and British Columbia.

Good morning...
 I'm your
Census Taker

When I call at your home during the next few weeks I will have only a few simple questions—the name, age and marital status of those living at your address. If you live on a farm, there are some additional questions about acreage, crops, livestock and equipment.

The information you give me will be kept in strict confidence. Every Census worker has taken an oath of secrecy. By Act of Parliament, the personal information gathered by the Census about individual Canadians can be used only for general overall statistics. It cannot be disclosed to any government agency or private organization.

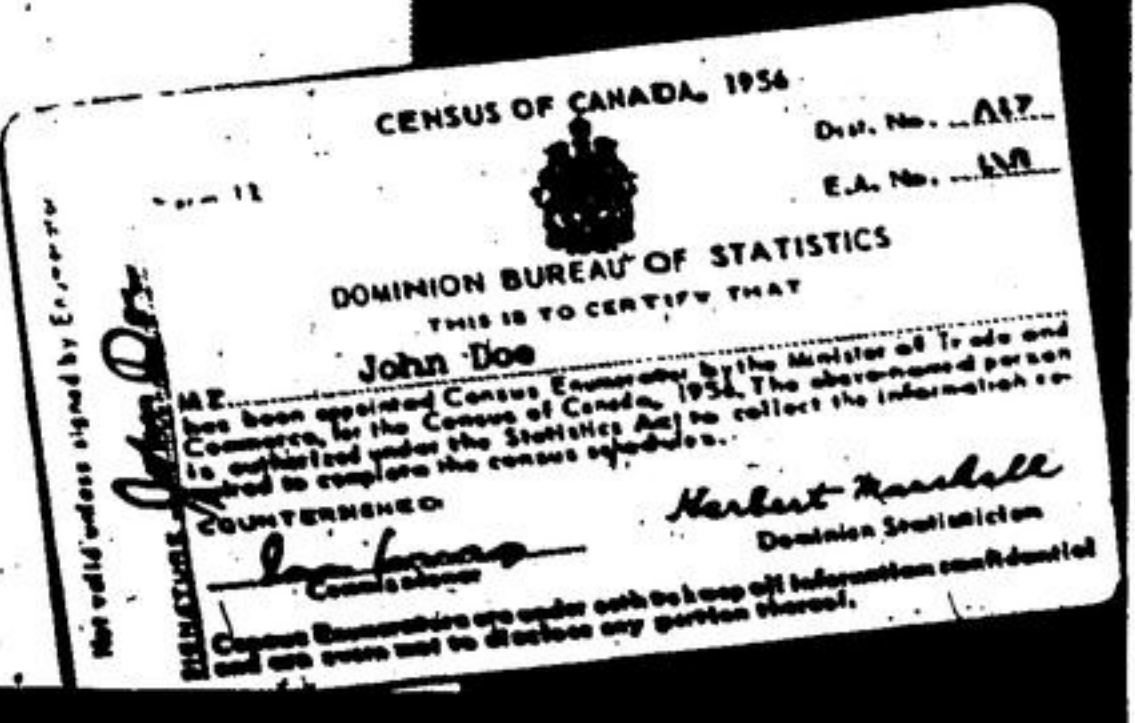

Canada is taking count to keep up with her rapid growth. Census facts are required to meet and plan overall national needs—schools, public utilities, welfare services, farm and industrial production, employment.

The 1956 Census is the most important measure of Canada's growth.

It's a big job—your cooperation will help us do it quickly and accurately.

Every census taker carries this official identification card to show that he or she has been appointed by the Government of Canada to help take the Census. Ask to see it.
