CAMPBELLVILLE

Baseball Team Wins Two Games Beat Dundas, Lose to Waterdown

On Victoria Day the Campbellville baseball team entertained Guelph's senior entry in an exhibition game and came out on the long end of a 7-6 score as they outlasted their opponents 12-6. Guelph opened the scoring in the first inning when Dowling walked, stole second, and scored on Gayer's single. Campbellville tied the score in the second when Jack Laking doubled and scored on Ed Dernooski's single. Guelph took a 3-1 lead in the third when Vic Decario homered after Gayer had singled. In the first of the fifth Guelph built up their lead to 6-1 as an error, a single by Jeffery and Ed Decario's second homer produced three runs for the home team and brought the score up to 6-4. Campbellville tied the score in the eighth when Earl Cairns singled and Lloyd Early homered. The three-time Intermediate C champions sewed it up in the last half of the ninth when, with one out, Henderson singled, Earl Cairns doubled, Early walked and Jack Laking smashed a double into left field. Harry Hamilton worked the first seven innings for Campbellville, giving up six runs off eight hits. He struck out three and walked three. Men's prizes were awarded to Mel Agnew, Amos Mathias and James Deforest. The ladies served sandwiches, pie and ice cream.

Drop League Opener
 Campbellville dropped their opening league game to Waterdown 4-1 in Waterdown Friday night. Waterdown won the game in the third inning. With one out Larry Hamilton on the mound for Campbellville walked two men in a row and they both advanced on a wild throw to third by Jack Laking. One run then scored when Hamilton threw badly to first. On an easy job to the hill a single by Bayley scored, another when Early dropped a fly in left field, the third came in. The home team made it 4-0 in the fifth on two walks, a passed ball, and a single by Culley. Early took three hits with Bayley, Culley, and Biddle singling for Waterdown. Earl Cairns tripled and Alan Wingrove and Jack Statham singled for Campbellville. Rex Bailey for Waterdown struck out four, walked three and hit two batters while Harry Hamilton walked five and struck out four. Trounce Dundas 10-0
 Campbellville opened at home on Saturday and trounced the new Dundas entry 10-0 behind Jack Roberts' four-hit pitching. Campbellville scored twice in the second.

The monthly bulletin was given by Mrs. Jeffares. Mrs. James Deforest, cheer convener, reported cards sent to Grandma Stokes. Mrs. Bill and Mrs. Mathias took the study period. The ladies agreed to church preparation before the confirmation service in June. The bair for Fort George is now complete and will be shipped at once. The men will be present at the next meeting to discuss the church garden party. It was decided to get new prayer books for the church. Rev. P. J. Jeffares closed the meeting with prayer and a social half hour followed.

The Lorne Scots, numbering 75, of Milton, Campbellville and district, attended the mass garrison church parade of the armed reserve forces of Canada at the campus of the University of Toronto on Sunday. Also, Mrs. James Early underwent an operation in Hamilton General Hospital Tuesday. We wish them both a speedy recovery.

Lawn Bowling Opening Jitney

The Rockwood Lawn Bowling Club got off to a good start on Saturday for the opening jitney games at 2 p.m. The freshly painted fence around the green, as well as the benches, steps and building presented a good appearance. The club also has invested in a new pump and sprinkler system. The following received prizes for high scores in the two 10-end games: George Saunders 2 wins 7; Eddie Desorme 2 wins 6; George Day 2 wins 5; Wayne Hosking 1 win 4; Tom Hutchinson 1 win 3; Jack McLean 1 win 6.

More jitney games are planned for this Saturday at 2 p.m. Officers of the club are: president, Ross Gordon; vice-president, Albert Malby; secretary-treasurer, George Perry; tournament secretary, George Day.

Saturday morning, a motor car was unloaded off a flat car at the C.N.R. station, onto a long transport outfit, and moved down Main St. to a pool house at Rockwood. A moving concern from Langstaff had the job of moving. Following the chilly nights and frosts of last week, weather conditions seem quite favorable for outdoor work in gardens and on farms. Lawns about the village are ready for mowers and power outfits.

Mr. and Mrs. George Waller of Listowel were home for the week-end. Miss Enid McNabb of Toronto was home for the week-end. Mr. and Mrs. Keith Hamilton and infant son are moving to Guelph this week. Rev. J. Dilts has discontinued evening services at the United church for the summer months.

May Get Lights For Georgetown

Further consideration is being given by Georgetown council to traffic lights at the John St. highway intersection and the Main St. four corners. The town clerk was asked to get quotations on traffic actuated lights on the highway, and time-operated lights for Main Street. Increasing volume of traffic at both places is making traffic lights more and more necessary, and it is probable that some action will be taken this year to add this safety feature to the town.
