Rockwood Church Wedding Setting

Guests from Cleveland, Ohio, London, Milton, Hespeler, Galt, Bridgeport and Guelph attended the wedding of Miss Lorna Linfoot, daughter of Mr. and Mrs. Lorne F. Linfoot, Rockwood and Mr. Ronald Ventry, son of Mr. and Mrs. George Ventry, Guelph. Rev. E. A.

Jones performed the ceremony in St. John's Anglican church, Rockwood. Given in marriage by her father, the bride wore a floor-length gown of white tulle with lace insets in the bodice, long tulle point sleeves and a bouffant skirt. A head-dress encrusted with sequins and seed pearls held her fingertip veil. She carried a white satin bound Bible topped with a white orchid and pink rosebuds.

Matron of honor, Mrs. Cecil Meredith, sister of the bride, wore a walk-length gown of green iridescent tulle with matching bandeau and carried a nosegay of white carnations and pink sweetheart roses.

Miss Patricia Linfoot, sister of the bride, and Miss Margo Ventry, sister of the groom, wore bridesmaid's dresses of identical frocks to that of the matron of honor. They carried matching floral bouquets.

Miss Lee Wehner, cousin of the groom, was flower girl in a floor-length gown of dusty pink iridescent tulle and carried a basket of white carnations and pink sweetheart roses.

Master Patrick Meredith, nephew of the bride was ring bearer. Richard Murray, Guelph, assisted the groom as best man. Ushers were Cecil Meredith of Rockwood and Clifford Simons, Guelph.

Kenneth Wright supplied the wedding music and Mrs. Richard Davey sang.

Pink and white wedding bells, streamers and spring flowers attractively decorated St. John's Parish Hall for the reception.

Receiving the guests, the bride's mother chose a toast-color Dior silk dress with white accessories and corsage of white carnations.

The groom's mother assisted, wearing a grey flecked silk ribbed dress, black accessories with a corsage of pink roses.

For a honeymoon trip to Washington, D.C., the bride donned a turquoise dress with matching hat and beige coat, topped with an orchid corsage.

Mr. and Mrs. Ventry are residing in Guelph.

KNOWING THE KNOTS is just as important to cubs as knowing the ropes is to anyone else. These six Acton cubs practice their dexterity before Saturday's district cubaree here in the park where North Halton packs will gather to compete in knotting, balancing and field events. Left to right: Jim Ironside, Bob Foyar, Gary Masales; Wayne Roszell, Richard Ironside and Bryan Barbeau who competed in the recent Niagara Cubaree at Port Colborne. Prairie Indians Learn More Jobs

REGINA (CP) - Attempts are being made in Saskatchewan to provide alternative employment for Indians, government officials say. Indians hold various jobs such as truck driving, summer construction work and in skilled trades. Some are learning trades and many are successful in their vocations. But one of the difficulties in placing Indians and Metis in employment is still a measure of prejudice on the part of employers, says the Catholic Welfare Society.

NOON RE-FILLED
CEREAL, Alta. (CP) - A grain elevator operator in this central Alberta town reported his elevator was empty for the first time in five years. Then delivery quotas were lifted, and the grain poured in again.

OBITUARY Mrs. John Stewart Passes Last Week

Friends in this district were grieved to learn of the sudden passing of a lifelong resident of this district, Nellie Elizabeth Bailey, widow of the late John Stewart, in her 85th year, at the home of her son, J. J. Stewart.

She had spent almost all her married life in the Dublin community and following the death of her husband nine years ago, she made her home with her daughter, Mrs. P. J. Collard, in Toronto. She enjoyed her family and friends right to the last and spent a lot of her time visiting among them.

Born in the USA, she was the second daughter of Judge and Mrs. W. Bailey, but came to Canada at an early age. 65 years ago she was joined in holy wedlock to John Stewart.

AFTER ALL BILLS ARE PAID

IN BUSINESS when all bills are paid at the end of the year, what is left (after taxes) is profit. Profit provides the money from which dividends to shareholders or owners are paid.

Any enterprise that year after year disburses all of its profits in dividends is headed for financial trouble. Prudence dictates that a portion of each year's profits be retained and used in the business.

These retained earnings enable a business to pay at least a part of the cost of the constant need for better equipment and additional capacity.

Profits are necessary for business growth. And business growth creates more jobs. Thus profits retained in a growing business benefit employees, shareholders and customers.
