**C.G.I.T. Girls' Program, Concert, Sunday Service Held at Manor**

(Intended for last week) On Thursday, May 24, the C.G.I.T. girls of Knox Presbyterian church, Burlington, who had paid the Manor residents a very pleasant visit last December, came again to provide a very interesting and enjoyable program. There were about 25 of these young girls, ranging in age from 12 to 17 years and they were accompanied by their gracious leaders, Mrs. Douglas and Mrs. Taylor. There were also a number of ladies present who had brought the girls in their cars, Mrs. A. Stinson, Mrs. F. Brewer, Mrs. Emerson and Mrs. Livingstone.

In the absence of Superintendent and Mrs. Clarke, the visitors were welcomed by Mrs. Brant, R.N., supervisor of the infirmary. The program opened with a community sing-song, led by Mrs. Douglas. The visitors and residents sang in unison a group of such well known favorites as My Bonnie and John Peel. This was followed by the singing of a group of songs by the C.G.I.T. girls themselves. These songs included such favorites as Row, Row, Row Your Boat and White Choral Bells. The girls, led by Mrs. Douglas, sang these songs very sweetly. Then came three very appealing solos. Jesus Loves Me by Cheryl Taylor, A Little Spring Song by Ken Taylor and the sacred popular song, He by Sharon Knowles, Cheryl and Ken Taylor are the small daughter and son of Mrs. Taylor, mentioned above as one of the leaders. Barbara Wood played all the accompaniments very capably. The leaders of the group showed the audience a collection of very pretty colored slides which depicted scenes in the Holy Land. Many of these slides showed scenes connected with the life of Christ and were very interesting and informative. Mrs. Taylor ran the projector for the showing of these slides and Mrs. Douglas read the instructive commentary.

The visitors and residents joined in the singing of two familiar hymns, Abide with Me, and The Old Rugged Cross, led by Mrs. Taylor. Mrs. Taylor closed the meeting with prayer, after which a large Dixie cup of delicious

home made candy was presented to each resident. After having presented two such fine programs, one in December last and on May 24, the C.G.I.T. girls of Knox Presbyterian church, Burlington, were invited to come again soon by Mrs. Brant, who gave the speech of thanks at the end of this very pleasant program.

**Sunday Service**  
On Sunday afternoon, May 27, the residents of the Manor had the great pleasure of welcoming back to the Manor Rev. Morgan McFarlane and Mrs. McFarlane of Georgetown. Mr. McFarlane is the minister of St. John's United church at Georgetown. They were accompanied by two small boys, Murdoch McFarlane, their son, and Bobby McCumber, son of Mr. and Mrs. Vernon McCumber of Georgetown. He is also a grand-nephew of Mr. John McCauley, one of the residents of the Manor. Bobby, who is a member of St. John's Junior Choir, was a gold medalist in singing at the North Halton Music Festival and had come to sing for the residents. Bobby has a very fine voice and his two solos, Dare to be a Daniel and He Lives were enjoyed very much. His solos were accompanied at the piano in very talented fashion by Mrs. McFarlane.

Mr. McFarlane read as his scripture lesson the third chapter of First Corinthians. Before beginning his scholarly and forceful sermon, Mr. McFarlane paid a personal tribute to Mr. Eric Clarke, the superintendent, whom he has known for some time, for his fine work in the Salvation Army and at Halton Manor. Mr. McFarlane began his sermon by pointing out that all the great civilizations have had great builders. Although the pyramids were built by such master-builders as the Assyrians, the Egyptians, the Greeks and the Romans are famous for their size or beauty, the greatest building that a human being can build is his own character and his own life. Mr. McFarlane then explained how belief in God and Christ can help us build for eternity. The residents appreciated Mr. McFarlane's kindness in coming from Georgetown to conduct this service and hope that he and Mrs. McFarlane, Murdoch and Bobby, will come again.

**Band Concert**  
After the church service on Sunday afternoon, May 27th, the residents assembled in the dining room to hear a band concert presented for them by the Oakville Citizens' Band. There were about 25 musicians in the band and they were under the leadership of their very talented leader, Bandmaster Frank Locksley. At the close of this varied and very enjoyable program, Mr. Clarke the superintendent, expressed the thanks of the audience to Bandmaster Locksley and the bandmen and by special request of Mr. Locksley, Muriel Thompson expressed the special thanks of the residents.

An important addition to the facilities of this paper will be announced soon. Watch for it.

**Powerful After Nine Day Layoff Team Defeats Oakville 8 to 0**

Campbellville came back to the baseball wars after a nine day lay-off on Tuesday, June 5, to shut out Oakville 8-0 in Campbellville.

Harry Hamilton hurled a nifty three-hitter against the youthful Oakville squad as he struck out eight and walked one. Only one man got past first base. Lefty Sheperd was on the hill for Oakville and he was touched for nine hits while he struck out seven, walked two and hit two batters. His mates made four costly errors behind him. Campbellville opened the scoring in the first when Henderson doubled and was driven in by Jack Laking's single. The home team added two more in the second when Bill Cairns was safe on an error and Jack Statham was hit by a pitched ball. Hamilton sacrificed the runner on and both scored on Ken Moore's single. In the third, Earl Cairns was safe on an error and went all the way around on successive singles by Laking and Early.

Harry Hamilton opened the bottom of the fourth with a single. Ken Moore rolled to the first baseman but when he tried for a double play everyone was safe. Wingrove sacrificed the runners on and Hamilton scored on Henderson's single. Moore was just nipped at the plate as he tried to score on Earl Cairns' roller to first, but Henderson scored on Jack Laking's third consecutive hit.

Campbellville completed their scoring in the sixth. Moore singled and went to third when the left fielder dropped Wingrove's sacrifice fly and Earl Cairns was safe on an error by the second baseman with Wingrove going to third. The latter scored as he worked a double field with Earl Cairns.

Jack Laking hit three singles for Campbellville. Stan Henderson had a double and a single, and Ken Moore two singles. Lloyd Early singled.

Campbellville meets Watford in Campbellville at 3 p.m. on Saturday, June 9. Batteries: Shepperd and Johnson, Hamilton, Laking and Dredge.

On Tuesday afternoon, a C.P.R. freight train loaded with grain travelling south on the Goderich to Toronto C.P.R. run, was derailed. The first notice of trouble was at the farm of T. C. Amos, where the first box car went off the track and when the train was nearing Moffat ten more box cars were a twisted mass of steel wreckage, most of which was thrown into swampland.

The closest farm to the wreck was that of William Black and from there strange bangs and cracks were heard. No one was injured as the engine and caboose were saved from the wreckage. It was a rare miracle that a bridge didn't collapse. About 100 C.P.R. workmen will work day and night to clear this track to move freight once more.

Mr. and Mrs. Ray Olan and family of Milton have purchased the home of Mr. and Mrs. Roger Mahor and moved in earlier this week. Mr. and Mrs. Mahor are living at Crawford Lake for the summer.
