

LETTER TO THE EDITOR

Complaints of Police And Leadership Here

To the Editor: We have long heard what the Glenora Subdivision has had to say, but have as yet to hear of any action.

Cobblehill Subdivision, if you have a horse and buggy, it would be interesting for the people of Acton to come and see. But if not, do not drive as the road will shake your car to bits and the police will be waiting at the bottom to give you a ticket for any defects. Instead of patrolling the streets and stopping the cars from double parking on the main streets or helping people cross the streets as they do in other towns.

In the Acton Free Press of August 14 there was a write-up about the intersection at Mill and Main, and the Mayor's point of view. I must say that I fully agree with the Mayor on this point, but on the other hand, I must agree with the town side. If the police in the town have nothing else to do than drive up and down, warn their friends and give others tickets (this is a statement given me by one of our own so-called constables), it seems to me that they could stand at the corner and help women and children cross and prevent these so costly accidents.

After all, I know of no other town that pays so high a tax and gets such small returns.

It seems to me that it is time that the home owners had a say in what goes on in this town. After all, if we pay over two hundred dollars taxes and the only thing that we seem to get for our money is the smell of the tannery and a lot of excesses why industry is kept out and our taxes remain so high.

Let's look at this town in a sensible light and not at what big shots get for doing things their way. Why are not the children protected in school and coming from school? A policeman standing with his head in someone's car window is certainly not protection. Why are the sidewalks not cleared? And why is the sidewalk leading up to the school not sanded? In fact, where is our money going?

There is a new year coming and I say now it is time we had a change. Surely there is someone in this town with backbone enough to run for public office and run this town right. If men are put in by acclamation, they are either exceptionally good or exceptionally bad. Look at the state of this town and then judge your men by this standard and let's houseclean.

Ena Jennings, Jim Gibson Wed

In a double-ring ceremony in Acton United church Saturday afternoon, Ena Marie Jennings and John James Gibson were married. Rev. Ray Costers officiated and George Elliott played the wedding music.

The bride is the daughter of Mr. and Mrs. Edwin G. Jennings of Acton and the groom's parents are the late Mr. and Mrs. George Gibson of R.R. 1, Orton.

Baskets of pink and white gladioli were placed in the church for the ceremony. During the service, Miss Shirley Miller, a cousin of the bride, sang the Wedding Prayer. She and Ken Kelly later sang O Promise Me.

The bride, who entered the church on her father's arm, wore a traditional floor length white gown of pleated nylon and lace over net and satin. It featured a sweetheart neckline and long pointed sleeves. Her fingertip veil was held by a cap of lace, sequins and white flowers. She carried a white Bible and pink roses.

The maid of honor, the bride's sister, Miss Edna Jennings, wore a pink gown and the bridesmaid, Miss Lorene Roszell, aqua. Their walk-length gowns were identical, made of nylon over net and taffeta. The flower girl, the groom's niece, Miss Marie Allan, wore mauve net over taffeta. All three wore matching crowns and carried nosegays of sweet peas.

Groomsman was Arnold Gibson, a cousin of the groom. Ted Jennings and David Allan ushered the guests, who came to the wedding from Bowmanville, Ennisville, Maple Grove, Port Perry, Toronto, Fergus, Rockwood, Guelph and Montecello, as well as Acton.

Following the ceremony, friends and relatives gathered in the Sunday school room of the church. Receiving with the wedding party, Mrs. Ed Jennings wore a gown of medium blue lace over taffeta with white accessories and a corsage of red roses. The groom's sister, Mrs. Robert Logan, assisted, wearing light beige with white accessories. Her ensemble was also complemented by red roses.

Centering the bride's table was a three-tiered wedding cake, made and decorated by the bride's aunt, Mrs. H. Mills of Bowmanville. Swirls of silver candelabra with white tapers completed the decorations.

The couple left on a wedding trip through Northern Ontario. Leaving the bride wore a pale blue flowered taffeta sun dress with a matching jacket. White accessories and a corsage of pink roses completed her outfit. On their return, they will be living in Acton. The bride is on the staff of Acton public school.

Among the guests was the couple's only living grandparent, Mrs. E. Jennings of Toronto.
