Install New Windows Decision at Meeting

It was decided at a meeting in the church to put in new windows. The two front ones are to be leaded.

Nancy Snow, daughter of Mr. and Mrs. Elwood Snow, had the misfortune to fall off a fence, breaking both bones in her left arm.

Miss Lydia Snow and Miss Lillian Shorill are on a motor trip through Quebec and the Eastern Provinces.

We are sorry to report Mr. Marshall McLaughlin is in the hospital having had an appendectomy. We wish him a speedy recovery.

We are pleased to learn that Mrs. Tom Gibson is improving after her sudden illness.

Mr. and Mrs. Ray McEnery have got settled in their new home in Acton.

All roads lead to the Exhibition these days but owing to the unusual summer, it seems out of place to think that it is that time of year.

Honorable Mention For Tweedsmuir Book

Eden Crest Women's Institute received an honorable mention for their Tweedsmuir history book in the provincial contest held in Toronto recently. First prize went to Bridgeport Institute, Waterloo North.

There were 12 entries in the competition. There are now 942 Tweedsmuir history books in Ontario. Historical conveners aim to have a book for each of the 1,491 branches.

It has been felt by some that the competition should be discontinued as it is too competitive and many are discouraged when their books, over which they have spent many hours, are not winners. Exhibiting of the books, however, encourages other groups.

After causing damage in two storms yesterday, lightning was still playing havoc in town again this morning. The television set at the home of Mr. and Mrs. Don Ryder was put out of commission when a bolt struck.

Wedding in Milton Of District Interest

Standards of yellow and white gladioli and baskets of yellow and blue tinted mums banked by ferns was the setting for a very pretty midsummer wedding in St. Paul's United church, Milton, Rev. E. Osborne officiated at the double ring ceremony when Shirley Elizabeth Wilson, daughter of Mr. and Mrs. Harold G. (Paddy) Wilson, Milton, became the bride of Clarence Warren Hall, son of Mr. and Mrs. Clarence Hall, R.R. 6, Milton.

Mrs. George Newell was the organist and the soloist was Leonard Berry, Milton. Before the ceremony Leonard sang the Lord's Prayer and during the signing of the register, Walk Hand in Hand.

Given in marriage by her father, the bride chose a floor length gown of white nylon net over taffeta which featured a widely tucked bodice with wide V nylon tulle décolletage bordered with iridescent sequins and shirred cap sleeves. The fingertip veil of silk was caught to a jewelled headdress. The very bouffant skirt formed tiers of tulle banded with lace. She carried a cascade of American Beauty roses.

Attending her was Mrs. Robert Adams, Acton, as matron of honor; three bridesmaids, Eleanor Joyce, and Pauline McMillan, Milton; and Frances Neill, Waterloo, cousin of the bride; also Jane Marsh, Milton, as flower girl.

Ray Bursfield, Milton, was groomsmen and ushers were Bernice St. John, Clarkson, Lorne Thompson, Milton and Donald Wilson, the bride's brother.

The matron of honor wore a daffodil yellow strapless ballerina length gown of nylon chiffon over taffeta with attached stole of matching chiffon. The headband held a cluster of yellow roses and a short veil dotted with rhinestones. She carried a cascade of blue shasta mums. The bridesmaids were similarly attired in gowns of powder blue and each carried a cascade of yellow shasta mums. The flower girl wore a short, full dress of yellow nylon chiffon with scalloped sweetheart neckline, a headband of yellow shasta mums and carried a basket of similar flowers. She wore a silver locked gift from the bride. All attendants wore matching chiffon mittens.

Receiving at the Hilton Agric.ultural Hall when 130 guests attended, the bride's mother was gowned in a pink nylon taffeta sheath dress trimmed with pink silk organza and matching navy blue accessories. She wore a corsage of pink sweetheart roses and stephanotis. Assisting her, the groom's mother chose a beige crepe dress with chocolate brown accessories and wore a tawny gold rose corsage.

Leaving on their honeymoon for points north, the bride chose a charcoal tweed suit with beige accessories and a corsage of red sweetheart roses. On their return they will reside at R.R. 6, Milton.

Guests attended from Niagara Falls, Waterloo, Kitchener, Stratford, Chicago, Alexandria, Everton, Aldershot, Clarkson, Port Credit, Acton, Burlington, Oakville and surrounding district.

Two Institutes Enjoy Bus Trip to London

Bannoockburn Women's Institute held their regular monthly meeting in the school in the afternoon. The secretary, Mrs. W. J. McDonald was appointed to act. After the usual opening exercises, the roll call was answered by naming a favorite vegetable and telling how to cook it.

Plans were made for fair exhibits to be used later to make extra funds. A splendid report from the District Annual was given by Mrs. Sinclair.

The meeting closed with the Queen, followed by the Institute. Grace and lunch was served by the committee in charge.

About 40 members and friends from Bannoockburn and Greenock enjoyed a bus trip to London. They toured Weston's Bread in Kitchener, Kellogg's and McCormick Biscuits plant in London and a delicious turkey dinner was served to them at Terrace Gardens west of Woodstock.

Collects Stumps To Build Fences

Medicine Hat, Alta. (CP)—Peter Zmurech is never stumped for a hobby—he just goes out to find another stump. He started collecting them four years ago, and each one represents a disaster of some kind.

A twisted, gnarled stump, three feet high, looks like some modern sculpture, but it was uprooted by a 90-mile-an-hour wind during a 1953 hurricane. Mr. Zmurech has put a flower pot in it. Another stump was washed up at Seven Persons Creek during a 1952 flood in which 1,000 persons were driven from their homes.

Mr. Zmurech first cleans his stumps and then varnishes them. He now is putting them into a novel fence, along with a buffalo head, sheeps' horns and odd-shaped stones.

CHICOUTIMI, Qué. (CP) — Following complaints of damage by stray dogs, city council of Chicoutimi Nord has ordered that all strays be impounded and killed.
