# Hire Waterloo Man

As Town Assistant John Price of Waterloo was hired by council this week for the newlycreated position of assistant to the

clerk-treasurer. Mr. Price, hired at a salary of \$3,200 on recommendation of finance committees of council and the P.U.C., started work here Weds nesday.

Acton's proposed new public school likely to see a construction start shortly after tenders are opened September 25, will be known as the "M, Z. Bennett School." It nett, former principal and longtime teacher here, had consented to use of her name for the new school.

A wide variety of other business was dealt with by trustees at their first regular meeting since the start of school.

By resolution the Board agreed the school lane, from Main St. to the cement apron of the school, be deeded to the town. It was asked tained. Clerk J. McGeachie was asked to arrange the survey and R. N. Brown and W. Cook appeared for discussion in connection with transfer of the lane.

Classes in Auditorium

Principal G. W. McKenzie reported 740 pupils registered, all classes occupied and kindergarten children taking lessons in the auditorium. In view of this, trustees ruled that the auditorium would be available | Saturday the most notable tourfor school purposes only during the ensuing school term
