Gomme, Ontario De- future," he stated. meeting of the County Council resented with the exception of partment of Planning and Develplanning committee on Wednesday Nassagaweya and Esquesing town- opment, told the gathering. "With the motor car changing rural ar most municipalities in the county | "Planning on a general County cas into that of urban develop-

expansion program to follow."

Deputy reeve Fred Atkinson. Burlington, pointed out there was no machinery set up to establish planning boards on a county basis, but Mr Gomme explained the Minister would favor the establishment of such, if all municipalities made application for such a board to be established Mr. and Mrs. George R: Poole

William Mattocks, Acton, inquired who would be paying for this and Mrs. John Taylor of London service, and Mr. Gomme said he felt the various municipalities could contribute to the cost of op-Mr. and Mrs. H. Armour Hanna eration. Mr. Maddocks pointed out County Council had been asked boards but they had not yet seen fit to make such a contribution to a planning board.

No Machinery

County Planner

Representing the Nelson Planed if it was the intention of the Robert Buckner. Miss Buckner county to establish a county plan- that any person resident in the Mr. and Mrs. Garnet Rose visit- was en route to Montreal after ning board, while Don Bath, Traed with Mr. and Mrs. Robert Hal- working at Jasper Park Lodge falgar, chairman of the meeting, that far, but it seemed advisable ten days before the meeting. About 500 public school teachers "a county planner be engaged." "Is it necessary for the county to spend money on a planner?" Mayor Ted Tyler, Acton, questioned

> "Especially when each municipality has been paying their own and each I am sure is receiving At this point, John Pearson Ontario Department of Planning and Development, said he felt the next level of planning should be

on a county basis. Urges Regional Group R. Haslam, Burlington, urged the group to consider joining with the regional group, suggested by the Trade and Industry Branch, to assist with the problems, but repcame before the industrial expansion program. "We have to have proper industrial areas planned before we can attract industry," one representative said. Each of those present recognized the fact that all municipalities were eager to attract industry.

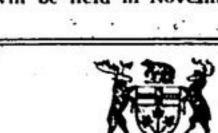

R. Small, Trafalgar, said he felt planning boards which had been established over a period of years would be unwilling to give up their authority to another group. "Considerable study should be given to the program and good advice -Rev. Andrew MacKenzie and suffering from shock but is improvshould be passed on to these Franklin Prouse joined the Rotary ing. She was beaten by the inplanning boards already established," he said.
