For Hall-Lawson Wedding Vows

the altar of St. Alban's Anglican of yellow mums. church, Acton, for the double ring evening wedding, when Elizabeth Patricia (Betty) Lawson became the bride of Wilmer John (Sonny)

The bride is the daughter of Mr and Mrs. Fred Lawson, 337 Pearl Milton, and the groom is the som of Mrs. Robert Ross and the late Mr. Clarence Hall, R. R. Hornby. Rev. D. Powell of Milton officiated.

The bride was given in marriage by her father, Mr. Fred Lawson She wore a ballerina length dress of net over slipper satin, encrusted with opalescent sequins, featuring a V-neckline, bouffant skirt and short sleeves. Her coronet headpiece of rhinestones and fingertip veil were trimmed with opalescent sequins and she carried a cascade of deep pink roses.

of honor was Mrs. Keith Durnan of Milton. She was gowned in a porcelain blue dress of crystal silk faille with net skirt over tafcharm with a portrait neckline, feta, pink accessories and a deep full ballerina skirt and matching

White mums and ferns adorned) accessories. She carried a nosegny

Mrs. Clare Burns, eldest sister of the bride, was bridesmaid. gowned in periwinkle blue dresk of crystal charm with a portrait neckline, ballerina skirt and matching accessories. She carried a nosegay of yellow mums.

William Tallyn of Hornby was groomsman and Gordon Lawson. Acton and Fred Bennett, Milton, were ushers. Mrs. Frank Oakes, Acton, played Health.

Wilson, Toronto, the soloist, sang The Wedding Prayer and O Perfect Love. The reception for 65 guests was roads levelled and graded held in Luxton Memorial Hall, paved, waterworks installed and

yellow mums and white snapdrag-The bride's mother received the guests, wearing a two-toned gray brushed wool dress with peacock Attending her sister as matron blue accessories and a pale pink corsage. The groom's mother assisted in a turquoise blue dress of Guelph,

History of School Told Limehouse W.I.

Limehouse Women's Institute held their October meeting in Limehouse Memorial Hall on October 4 with 15 ladies present. Mrs. Frank Brown presided and opened the meeting with School Days and living camera. The crystal-clear inside for the service, conducted by the Lord's Prayer. The roll was answered with the name of lens, and focus light-rays from the Jeffares. object of regard, to form an upa former pupil of S.S. 9, present side-down light-image on the lightoccupation and place of abode.

Reports of different standing sensitive layer of nerve cells (retcommittees were given by the con- ina) at the back of the eye. The veners, the highlight of these being "walls" of the eye are lined with the school garden report by Mrs. black pigment, just as the interior R.R. 4, Acton, George Dredge, Wilf-Gisby and the presentation to Miss of a camera is painted black to red Kennedy, Christian Frank, Patsy Crawford, who won the sil- prevent light from being reflected Arthur Diamond and George Pivka, ver cup for most points in the conthe light-image. test. The cup was donated by Mr. Pargeter of Acton, judge of the gardens, and in his unavoidable ting (i.e. focal length) of a cam- Harold Bell, Melvin Storey, Ivan absence was presented to Patsy by era lens to photograph objects at Richardson, Mietek Zawilske, Carl Mrs. Gisby, the convener.

Mrs. S. Kirkpatrick gave the report on the hall board meeting, requesting that all interested attend a meeting that evening to decide ways and means of heating the hall and other improvements. There is a Hall Fund with \$175.00 on hand.

A letter was read concerning garbage being dumped on roadsides. It may not be generally known but there is a heavy fine for anyone found dumping garbage of any kind on the side of a roadway. Needless to say, the members of the W.I. are on the alert to catch anyone doing so. With a garbage collector in the neighborhood, it seems unnecessary to dump such is a mosaic of millions of specializ- Edwin, R.R. 3, Milton; Lawrence, material in the countryside. The dumping ground, supposedly be- thirds of the supporting "wall"of Irene (Mrs. Ben Ripley) Toronto, cause there is not the constant tra- the eye. These nerve cells contain and Eliza (Mrs. R. M.
