### School Concert Is First Held In Rebuilt Memorial Hall

The W.A. acted out a skit written by Miss Ivens. Supposedly the W.A. meeting was ended with an exchange of gifts. After some sarcastic remarks and conversation, each received her gift which in most cases proved to be something the recipient could have needed less. They ranged from a maiden lady receiving a pair of men's socks to a dairy farmer's wife getting a quart of milk and the owner of a recently installed furnace being told one would be delivered to her.

Mr. T. H. Price was called on for a few words prior to the distribution of gifts and treats to the children. The National Anthem closed the evening's entertainment.

### Kenneys Enjoy African Blooms

In less than seven days, a bouquet of Chichester inebriate cut flowers arrived in Acton from Johannesburg, South Africa. Sent to Mrs. W. G. Kenney by her sister in South Africa, the flowers came by air, unprotected by paper, but encased in a once opened crate. The stems were waxed about one inch up.

Instructions included with the bouquet pointed out the waxed portion should be removed and the flowers placed in tepid water in a dark room. While the bouquet looked quite dead on arrival, Mrs. Kenney reported the blooms "sprouted rapidly in the proper conditions. The bouquet will last for six weeks."

In the meantime, the Kenneys are enjoying African flowers, white and unripe.
