

Acton Entry in Junior Farmer Hockey

### Jr. Raiders Need Overtime As Locals Set Fast Pace

(Continued from Page One)

again when he waltzed right in alone but he was outgassed by Lockhart, the overworked Raider defenseman.

Hardly working player on both teams, Bob Cook gave the locals the lead again at the seven minute mark in the third period by cashing in after Black and Arble had treated Lockhart. However, Calvin King tied up the score with a well-placed long screened shot that Marshall, in the Acton nets, never caught a glimpse of.

Again at the 14 minute mark, Acton took the lead with Arble sinking Cook's rebound. Richardson evened it up again on a neat three-way play with Cunningham and Harting. By backhanding the puck past Marshall a minute and 15 seconds later.

Playing without much substitution, the Acton crew wilted in the extra session and the superior condition of the Junior team's half off its four goals, at least two of which were handed to them by the Acton defense.

Cook, Lawson and Jack Marshall were the pick of the Acton club while Charlton, the Milton boy, and Junior King were best for the visitors.

Eleven penalties were handed out, Acton collecting seven of them. The schedule resumes here Friday when first place Preston visits the locals. Acton enjoys one win over the Jungs.

### SCANNING THE Sports SCENE

**WITH HAUTLEY COLES**

IT IS BECOMING apparent to some of the players in the four team junior circuit that they can get away with some misdeeds on the ice but the referees O.I.A. appoints to the games will brook no back talk or foul language in their presence. In Friday night's game here only one player and he from Georgetown, was sentenced to a misconduct for unseemly language. In previous games it wasn't uncommon for five or six players to sit out a sentence for using unseemly language.

Unfortunately the whistle-blowers are not equipped with eyes in the back of their heads and some players get away with flagrant violations of the rules. This is not confined to any one team as all teams in the junior circuit have individuals whose main concern seems to be to stop the man regardless of consequences.

Hockey is a hard, bruising sport and tempers flare when the game gets rough but it is possible to play cleanly and still hand out some hard knucks to the opposing team. It has happened that someone hurt by an illegal check is hospitalized and never able to return to the game again.

CROWDS ARE becoming larger but not nearly to the point where you can't find any sitting room at the local junior games here. Last Friday with Georgetown putting in an appearance the largest crowd to

### Palermo Juniors Win First Semi-Final Hockey Game

Palermo Junior Farmers, in the first of their best two out of three semi-final hockey play-offs with Milton, walked off with a decisive 6-4 win at the Milton arena Monday night. The southern invaders, after splitting the first period, two-goal lead in the first period, blew up in the second to score all of their six tallies. Milton slipped in two more during the second affair but neither team managed to score in the bottled third period scramble at the Milton ice-palace in a long time.

Graham Gillies, with an assist from John Willmott and Murray Tasker, netted Milton's first goal early in the first period and was followed shortly afterward by a blistering shot from the blue line by Murray Tasker, which slipped past Palermo twice-tender John Dillen. Graham Gillies got an assist on this one. Neither team scored again during the rest of the action-packed period.

Palermo quickly tied the score in the second, as Dave Murray notched two by himself in the first minute of play. They took a five-minute rest and came back to add two close in goals by Ralph Booth and Max Lang, Gordon Greer and Bob Marshall picked up assists on these two.

Within another 10 minutes, the Marshall shot from the blue line and pocketed Palermo's fifth, with an assist to Dave Murray. The Arnold Howden and John Willmott got together on a pretty passing play to Charlie Gillies and he tallied Milton's second of the night.

Not to be outdone, Bob Marshall returned to the score sheet within five seconds to count his second and Palermo's sixth and final goal.

Milton denied the twine before the period ended, with a waist-high shot by Charlie Gillies, finishing Milton's scoring for the night.

Although neither team could beat out the net-minders during the final stanza, fans ventured it was the best-contested period of the league to date. Plenty of action is predicted for this coming Monday's second round of the Hinton semi-finals. If Palermo what they'll advance into a play-off berth against the winner of the coming Norval-Acton bout.

Two penalties were meted out to Murray Tasker for the losers, Glen
