Light Touch IN WEIGHT NEW McCULLOCH DIRECT-DRIVE

D-44 Since it's lighter in weight than any

other high-capacity direct-drive saw, the McCulloch D-44 allows you to cut more wood without getting tired. This makes the D-44 ideal for cutting firewood, felling and bucking pulpwood, tending woodlots, and many other types of cutting where a

speedy, lightweight saw is called for. Come in for a demonstration of the D-44 today or tomorrow. See how easily it outperforms all other direct-drive saws

CBC FRANK CANADIA N. I WEEK

it pays to do business with your local B-A Distributor

When you call your B-A Distributor for any of the fine quality oils, greases or gasolines he carries . . . or for advice on any of the lubrication problems that come up around the farm . . . you can be sure of getting more than just a business call. Your B-A Distributor is your neighbour and he feels the same interest in your problems that any neighbour would. His years of experience in dealing

with farm lubrication makes him a real expert in his field. And he gets plenty of technical help and guidance from B-A. Besides that, he knows that his products are the finest in Canada . the only products a real neighbour would recommend. Take his advice and his products . . . they are both aimed at giving your farm machines the kind of protection they deserve.
