### Acton Juniors Take "D" Group Three Straight

After losing the first game of the best-of-five series to Elmira, Acton Juniors rebounded with a vengeance to rack up three consecutive wins and capture the Junior D group title as a result.

The locals rebounded from their first defeat to crush Elmira 10-3 last Thursday in Elmira. The following night here they shut-out the visitors 4-0. Monday night in Elmira again with the home club vainly trying to get back into contention, the locals rolled up an 8-2 decision to take the series in four games.

Latest word is that the locals will play the winner of the Chealey-Wingham series in their pursuit of an Ontario crown.

Elmira spread a thick coating of glass over fans here when they took the opening game of the series by a 7-2 count in which was probably the most inept display by the Acton club this season. However, the locals pulled up their socks and with the entreaties of coach Freddie Kenner, in their own backyard, rolled up a 10-3 victory in the second meeting. Observers felt, that unlike the previous game, this one was the best the locals played this season.

Friday night here, although they commiserated the play-right team the opening whistle, the locals had a real job on their hands trying to put the puck in the net. Finally when Ron Hall threaded his way through the entire Elmira team to register a goal in the second period they were on their way.

In the third period, Footitt made it 2-0 on a rebound after Azble and Hall had taken shots. Then Emerson Baxter picked up the first of two goals on a play with Cur and Doug Black to make it 3-0. He matched his second less than two minutes later with the same combination to make it 4-0, which it ended.

Elmira made a few nice rushes but Jackie Marshall, in the Acton net was more than equal to the occasion as he swamped up his first shut-out of the season.

Monday in Elmira, the Acton club repeated what they had done in other games. They played better than they do at home, to wit easily 8-2.

Acton line-up: J. Marshall, goal; Ron Sinclair, McKenzie, Ed Malody, Ken Black, Paul Lawson, defenseman; Bob Cox, Doug Black, Emerson Baxter, Ron Hall, Wayne Arbie, Ted Footitt, Don Wilde, forwards; Bob Marshall, sub-goal, Fred Kenner, coach, Ed Footitt, manager.

### SCANNING THE Sports SCENE

WITH HARTLEY COLES

A TORONTO columnist, comparing the two brands of televised hockey on Saturdays, CBS and CBC gives the laurels to CBS afternoon games emanating from the States.

He is only echoing what most fans have been saying the last few weeks. CBS practically puts you on the ice with the players while the CBC, having to cover Toronto's lacklustre Leafs, must have the camera in the rafters.

Result is that American audiences are turning to hockey in a 3:1 ratio over basketball, long considered the No. 1 winter attraction in the States. NHL cities are reporting tremendous increases in attendance at all games. Everybody is happy, especially the hockey promoters.

We've only got one question: Where's all this talk about TV cutting into the attendance now?

HAS EVERYONE recovered from Booster Night now? We're talking, of course, to the folks who took to the blades for the first time in many moons.

There must have been a lot of stiff and sore muscles the day after the game with Georgetown. Although younger than the Acton players in most cases, I'll wager most of the Georgetown players felt it just as keenly.

The game started out slowly enough with the Tanners content to pass the puck rather than try to skate it up the ice but when a few of the eager beavers started to rush, everyone followed suit.

Some of the folks who went to Booster Night thought they were going to see a bunch of old crocks thrash away their crutches, comb their beards and huddle out on the ice on pairs of singles.

The boys left the beard combing to the folks from Milton. They still have plenty of what it takes to play hockey.

However, when they play the return game with Georgetown, it might be wise to put some governors on their accelerators and save themselves a season with the old liniment bottle, retired honorably these many years.

AFTER WATCHING the first game of the Acton-Elmira Junior D group finals, we didn't think much of Acton's chances of capturing the series. The locals couldn't seem to do anything right and losing the first

### Buy Floor Covering For Loft in Church

The February meeting of Oupring Ladies' Aid was held at the home of Mrs. George Jackson with 12 members in attendance. The president, Mrs. G. Aitken, presided.

The devotional, "Listening in on a Conference to Bangkok" was taken by Mrs. N. McKenzie. The roll call "Sing, say, pray or play" was well responded to.

Several items of business were discussed among which was the purchasing of floor covering for the choir loft. Mrs. Sinclair was appointed to find the particulars in regard to printing, etc. of a recipe book. Arrangements were also made for the April tea.

Mrs. McEwan gave a splendid paper on the motto, "Failures there is to learn" stressing that "Failure and Failures alone tell us that they rest within ourselves. The study book "Religious Nationalism" was given by Mrs. A. Sinclair. Scripture questionnaire on 13th Chapter of Mark was taken by Mrs. Fisher. Mrs. A. Hulloch gave a reading "There is no such thing as an unanswered prayer".

The meeting closed with prayer by Mrs. Jackson. At the conclusion, the hostess, assisted by Mrs. Sinclair and Mrs. Fisher, served lunch.

### Bantams Win 50-43 in Galt Led by Braam

Saturday evening in Galt, the Acton Y.M.C.A. Bantams bounced back from their loss of the week before to down the home team 50-43 in a fast moving game which Acton led all the way.

Galt drew first blood with a field goal after 30 seconds of play. Then Fred Dawkins and Don Price of Acton scored one basket each to put Acton ahead and that is where they stayed for the entire game.

The first quarter ended with Acton leading 7-3 and at half time, the score read 21-7 for Acton. At the end of the third quarter, Acton led 41-11.

Harold Braam, the latest addition to Acton's basketball squad, played a very good game and although few realized it until the score was added up, he led the Acton team in points with 18, followed closely by Fred Dawkins, Ralph Tripp and Pat Churchill each with eight points. Dave Fleming and Don Price dropped in five each for the winners and Brian McCristall, who played a good defensive game and set up many of the Acton plays, completed the scoring by dropping in a single point from the foul line.

Both bantam and midget teams are now sharpening-up their play in preparation for their next series of games which will include Stratford, Kitchener and Toronto.

### ONE MOMENT PLEASE!

For your own protection ask your electrician this question: "Are you ECA-bonded?"

If he says "Yes," you'll know he is bonded against faulty electrical work. Electricity is man's greatest servant... but faulty installation can hazard life and property!

Here's what "ECA-bonded" means:

1. Every ECA bonded electrician holds a Registered Master Electrician Certificate.
2. To hold this certificate, he must have passed an examination by a board which includes members of The Electrical Contractors Association and of the Inspection Division of The Hydro Electric Power Commission of Ontario.
3. Every RME is bonded in the sum of \$2,000.00 to ensure he complies with these conditions:
  - (a) That the quality of his work will be such as will pass the Inspection Division of the IPEEC.
  - (b) That all materials and equipment used in his work will be those approved by the Canadian Standards Association.
  - (c) That he guarantees his undertakings for one year after substantial completion, against poor workmanship and faulty materials.

Listed below are ECA-bonded registered master electricians in this area
