Here's where your money talks BIG

Your nearest Buick dealer is the best man in town to get to know-right now! He's making it mighty easy for you to get everything you want in a fine car . . . in a

new Buick, of course. It's all a matter of what you get for what you spend ... and just look at what you do get in any Buick! That's when your excitement starts to rise—with your first look at these classically beautiful lines. And when you're behind the wheelfeeling the instant response of that new Variable Pitch Dynaflow - your excite

ment mounts even higher. It's a new kind of performance, sparked by brilliant obedience from a big 364cubic-inch V8 engine. Then you brake to a gentle :...p-or even a quick one-and you learn how Buick's levelised braking

virtually ends the down-in-front dip you've had to live with up to now.

You go around curves and corners with the confidence of a cat on a carpet—like a train on tracks. That's Buick's combination of ball-joint suspension, a new lower centre of gravity and unique front-end geometry that gives you the easiest handling and surest cornering you've ever known.

You go on and on—getting happier and happier—and your money's talking bigger and bigger every mile.

Visit your Buick dealer and take the wheel of a '57 Buick. Do it today! New Advanced Variable Pitch Dynallow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century-optional at modest extra cost on the Special.
