# Institute Learns

A fine attendance of members and friends of Dublin Women's Institute met at the home of Mrs. J. M. Steele, Second Line, last Thursday evening to hold their regular monthly meeting. Mrs. William the chair.

Following the usual opening exercises, the roll call was responded to by an old fashioned remedy amusing but appeared to have served their purposes in the days gone by. A quilt that had been on display and admired. A report of the euchre and menny sale was given and a good amount was added to the treasury. Several letters were read and discussed

pointed to represent Dublin W.I. at 25 highway. a meeting in Georgetown this week relative to the Cancer Clin-

The 'guest speaker was Mrs Jamieson, Public Health Nurse, and she gave a very fine talk or her work in this county She told of the origin of public health work, how the personnel of the local Board of Health was chosen communicable diseases and what preventives were used to keep vaccinations. TB clinics, the work of the veterinary surgeons in the inspecting of meat, milk and TB testing of herds, the work of the sanitary inspectors in drinking water, inspecting restaurants, etc. and lastly the maternal health program. The speaker gave a very clear insight into the work of the Unit and was very interest

to Mrs. Jamieson Plans were made to enter baby's lavette in the Salada Tea contest and material was given out to the various women who are do-

ing the handwork Mrs George R Somerville gave a short address from chapter 21 of the study book, Pages of the Past, on early and present day facilities for medical care in Halton county A dainty lunch was served by the hostess, Mrs Steele, Mrs Rennick, Mrs. Henry Kelly and Mrs. MacPherson Mrs V Murchison was courtray convener
