### Carolyn Oakes, Ernest Gregory Married in St. Alban's Church

Spring flowers and Easter lilies decorated St. Alban's Anglican church, Acton, on Saturday afternoon for the marriage of Carolyn May Oakes and Ernest Gregory. Rev. Evan Jones officiated at the double ring ceremony, while Fred Salt played the wedding music.

The bride is the daughter of Dr. and Mrs. Frank G. Oakes of Acton and the groom is the son of Mr. and Mrs. E. A. Gregory of Hamilton.

A waist length gown of French silk satin was worn by the bride. It featured a shirred Juliet neckline, a bodice embroidered in French silk braid and a dropped shirred waistline. Her elbow length veil of French illusion net was fastened in pearl tiara and fastened to a matching shirred bandeau she carried a cascade bouquet of gardenias, white roses and English ivy.

Mrs. Frances Oakes, the bride's sister, was her attendant. She wore a white length gown of tangerine crystalite with a fitted bodice and bouffant skirt. Her shoes, gloves and handbags were of the same material. Forming her

casade bouquet were yellow roses and yellow split carnations. Donald Williams of Waterdown was groomsmen; ushering the guests were George Oakes, brother of the bride, and Murray Gregory, brother of the groom.

Later dinner was served in Lauriston Memorial Hall to the guests from Hamilton, Waterdown, Guelph, Milverton, Rockwood, Alma, Toronto, Brant, Palerme, Thorold, Brantford and St. Catharines, as well as Acton. Spring flowers and white candles decorated the hall.

For her daughter's marriage, Mrs. Oakes wore a spring silk print with brown and white accessories and a corsage of yellow roses. Mrs. Gregory wore a gown of light blue silk print with white and navy accessories and a corsage of pink roses.

Bruce Freure of Guelph, uncle of the bride, was timekeeper and proposed the toast to the bride. Leaving on a trip east, the bride wore a fitted suit with white accessories. Her corsage was of gardenias. On their return, they will make their home in Hamilton.

### Stan Hall Provincial M.P. Details Scarborough Bill

What has come to be known as the Scarborough Bill probably caused more controversy during the recent session of the Legislature than any other single issue. This was what is known as a Private Bill, that is, it was not a Bill sponsored by the Government but was a Bill introduced on the petition of the Corporation of the Township of Scarborough.

The proposed legislation dealt with two matters. The first, which provided for valuating a by-law to control noxious, raised no arguments. The second provision of the Bill was the contentious one.

The part of the Bill about which there was all the argument provided that the Council of the Municipality of Metropolitan Toronto, when required by by-law or resolution of the Council of Scarborough township must pass by-law, without obtaining the approval of the Ontario Municipal Board, to borrow the sum of \$207,829.00 upon debentures for expenditures in constructing certain watermains as set forth in the Schedule to the Bill and that the debt so created should be repaid by levies against the Township of Scarborough.

The Bill was considered at a meeting of the Ontario Municipal Board, which is composed of 60 members, and reported to the Legislature. As some controversy had arisen over the Bill, it was sent back to the Committee for further consideration. At both times when the Bill was before the Committee, a number of persons were heard by the Scarborough township council, members of the Township Utilities Commission, some township officials and a number of citizens and representatives of ratepayers' groups. The Bill was reported to the Legislature a second time and finally passed.

All that the Bill did was to authorize the issue of debentures, on the request of the

township council, but without the approval of the Municipal Board. It did not deal with the payment of any moneys to any particular person. It did not determine whether or not payments should be made. These are matters which still are within the jurisdiction of the township council. What the Bill did was to provide a means by which moneys might be raised to meet any payments with respect to the named watermains which the township council finally determined should be paid for.

### Centennial Manager Quits Ends Oakville "Bickering"

OAKVILLE.—The Oakville Centennial Celebration Committee will meet to consider the resignation of centennial manager Thomas Ringler.

Mr. Ringler's resignation has culminated a period of bickering between himself and members of the centennial directorate. Lack of co-operation by the directors was blamed for the resignation.

Chairman Herbert Merry said the resignation, received last week, gave no reason. A second letter, addressed to him personally, "gave plenty of reasons," he added.

Manager Allan Klare of the Oakville-Trafalgar Chamber of Commerce, and Ringler's resignation was "the best thing that could happen." He claimed the manager had not been doing his job. Mayor William Anderson said Ringler had expressed dissatisfaction over the actions of some board members.

"He has done nothing towards compiling a history of Oakville,"

the mayor added. He said a committee has been set up to handle this project.

Mr. Ringler is understood in a personal letter to Mr. Merry to have named personalities responsible for his resignation. Director Howard Caine admitted Mr. Ringler's objections centred around himself, Mr. Merry and other members of the directorate.

The resignation is the latest problem in a centennial campaign that is lagging behind Milton centennial preparations. Publicity to date has been at a minimum.

Mr. Merry said he believes the campaign will forge ahead. He said there would be minor changes in the program.
