

St. John's Brigade Practice Artificial Respiration at Meeting

A group of the local St. John's Ambulance Brigade organized in Acton are shown viewing John Chapman applying artificial respiration to Albert Irwin. The members hold a meeting every Tuesday at the town hall, Acton. The members are very interested and the instructors quite capable of teaching methods of safety.

HALTON MANOR

Nassagaweya W.I., Oakville Band Present Program, Sunday Concert

(Intended for last week)
An afternoon party that was very enjoyable was given for the women residents of the Manor on Tuesday afternoon of last week by about 12 members of the Nassagaweya Women's Institute. The ladies were accompanied by their president, Mrs. Andrew Frank, and their secretary-treasurer, Mrs. M. Moffatt.

After the visitors had been given a warm welcome by Mrs. Eric Clarke, the Matron of the Manor, greetings from the Institute to the women residents were extended by Mrs. Frank, who also read a poem suitable to the occasion. The program that followed was convened by Mrs. B. Fraser and Mrs. C. Elliott.

The song, The More We Get Together, was sung by the visitors and residents in unison. A very humorous recitation was given in expert fashion by Mrs. M. Moffatt. The title was The Mustard Plaster. Mrs. G. Thomas and Mrs. B. Fraser sang a duet, Abide with Me, and by request, another lovely selection, The Old Hugged Cross.

Favorite Hymns
The period of community singing included other favorite hymns. Mrs. C. Elliott gave an amusing reading, How Cow Moo, and the two assumed much laughter. Mrs. Thomas and Mrs. Fraser sang another duet, Best Be the Tie, in which they were joined by the audience.

At intervals, prizes were given to various ladies in the audience. Mrs. Lottie MacPherson received a prize for having a birthday nearest to April 9. Mrs. Marie Costurn received a prize for having come to live at the Manor from the most distant point. Glen Williams, while Mrs. Will Hughes received one for having the lucky chair.

The singing of The Queen brought this part of the program to a close. Tea and tea biscuits were served and during this period many new friendships were formed and old ones renewed.

A speech of thanks by Muriel Thompson closed this informal and friendly party, after which each resident received the gift of an orange and Tokay grapes.

Hobby Class Meets
The 13th meeting of the Hobby Class was held in the dining room on Wednesday afternoon. The devotional period opened the meeting. Several pieces of material for the doing needles were donated by Mrs. Laura Smith. A number of knitted and tatted finished articles were handed in. A generous donation of mercerized and cotton broadcloth from Simpson - Sears was displayed and plans made for its use.

Several Bales
Mrs. Clarke read a selection from the book, Springs in the Valley, the title being The Keeper of the Springs.

On Friday evening, the residents of the Manor received a visit from 12 young girls belonging to the Girl Guides of Bronte and their leader, Mrs. E. Campbell, also of Bronte.

Mark Palm Sunday
Palm Sunday was fittingly observed at the Manor with two enjoyable events taking place, an in-spring church service in the chapel and a very entertaining band concert in the dining room.

The church service was conducted by Rev. E. Orsburn of Knox Presbyterian church, Milton. Mr. Orsburn brought with him six ladies and four young men, members of the choir of his church, together with Dr. Z. Zankov, the chorist. These fine singers, accompanied by Dr. Zankov, sang an impressive anthem, the much loved Easter selection, The Palms. The beautiful music and Mr. Orsburn's fine sermon that followed were in keeping with the spirit of Palm Sunday.

Mr. Orsburn spoke of the significance of Palm Sunday, which ushers in Holy Week. He explained and described the scene at the house of Simon, the leper, in which the woman anointed Christ with the alabaster box of spikenard.

Drawing attention to Christ's own words on this occasion, namely, "She hath done what she could," Mr. Orsburn said that any deed of kindness done for anyone always earns Christ's commendation. Like the woman in this story who broke her alabaster box, we must seize every opportunity that comes to do good and thus render service to the Master.

Surprise Party Held for Ladies Leaving Town

About 45 members and friends of the Acton United church Women's Association surprised their president, Mrs. H. Burns, at her home on Willow St., April 17. The occasion was to present her with a gift as she and her husband plan to move to Alliston very shortly.

Mrs. A. B. Shoemaker addressed Mrs. Burns and Mrs. B. Veldhuis made the presentation. Mrs. Maddox addressed Mrs. Drysdale and Mrs. Evans presented her with a parting gift. Both ladies responded very fittingly.

Readings, poems and contests were enjoyed throughout the evening, many prizes being won. Dainty refreshments concluded a very enjoyable evening.

Best wishes of the ladies were extended to Mrs. Burns and Mrs. Drysdale as they leave for their new homes.

Best wishes of the ladies were extended to Mrs. Burns and Mrs. Drysdale as they leave for their new homes.

K. Y. DICK

With the announcement of a Federal Election on June 10th, Halton County Liberal Association would like to introduce to the electorate of Halton County, Kenneth Young Dick, the man the Association has chosen as the Liberal Candidate. We believe him to be a man who has the experience, the qualifications and the interest in the County necessary to make him equally as capable a servant of the people as any person who has represented Halton in the House of Commons in the past. We have chosen a man who has been, for the past few years, a student of our Federal Government with a keen desire to some day serve Halton county as its representative at Ottawa; a man of mature age and with that wide experience in his own community necessary to give him an understanding and an appreciation of the needs of all walks of life in Halton county; a man with a wide municipal experience and a veteran of World War II who has kept abreast of the needs of all ex-servicemen and who continues an active veteran.

all his life, thus enabling him to acquire a full knowledge of the needs of the businessman, of the householder of the farmer, and in fact of electors in all walks of life. A married man, he now resides in Milton with his wife, his son, Kenneth, and his daughter, Sally. From his early manhood, he has been active in church and community service work in his home town and district. He lends his help to the Junior Farmer organizations, he was a member of the Group Committee of the Boy Scouts Association of Milton, he was the Charter President of the Rotary Club of Milton, and he still continues active in this and other organizations in his home town.

With the exception of four and a half years spent overseas, Mr. Kenneth Dick has practised law in Milton since 1937. A graduate of the Osgoode Hall Law School, he commenced practising law with his father. The firm is now known as Dick, Dick and McWilliams. If Kenneth Dick is honored with your trust as Federal Representative at Ottawa, he will be in a position to give freely of his time to serve his constituency.

His municipal experience in Halton has already made him an experienced public servant. In 1947, he was first elected to the Town Council. In 1951 he was chosen as Reeve of his town and the following year he was chosen as Warden of Halton County; and we believe that this municipal experience is the necessary background that will enable him to be a capable Federal Representative. He has had experience in the educational field, serving on the Milton Public School Board, being Chairman of the Board in 1954.

ton Branch of the Canadian Legion. What better representative can the returned men of Halton ask for?"

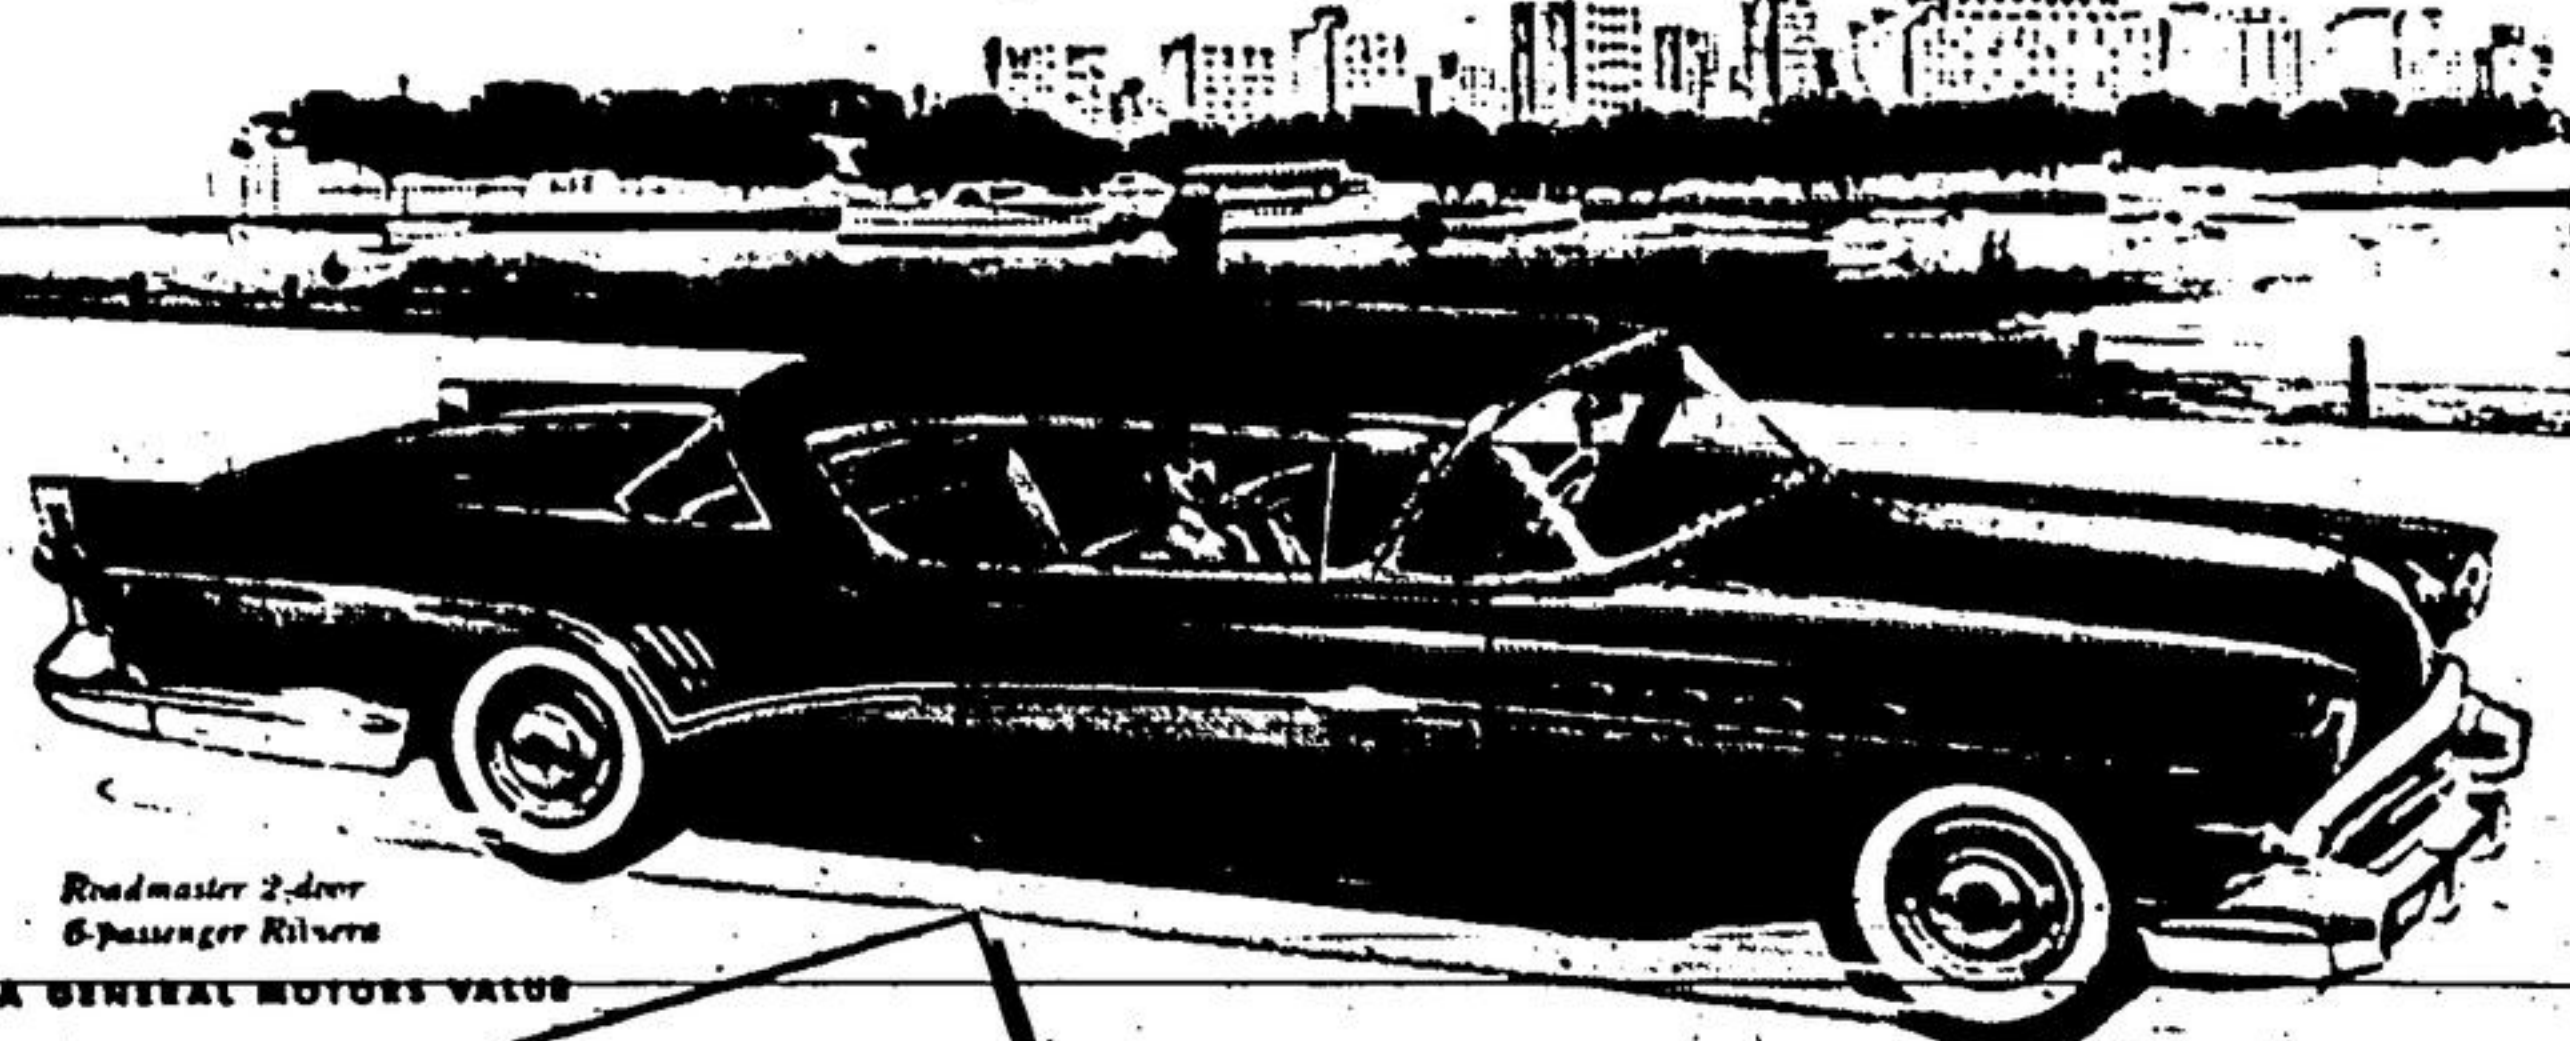

Halton County Liberal Association feels strongly that we have here a worthy representative to send to Ottawa. And we believe just as strongly that the electorate of Halton and of Canada will see through the superficial criticisms that have been levelled against the Liberal administration, and will return the present administration to power. And we believe that Kenneth Dick is a man who can fit in to the returned Liberal administration and give Halton County representation on the Government side of the House of Commons.

From time to time throughout the campaign, Mr. Kenneth Dick will make his views on various matters of interest to the electors of Canada, and Halton in particular, known to the electors of Halton through this same media, the County press, and we invite you to follow these articles as they appear so that you may become informed upon Halton politics.

In conclusion we, Halton County Liberal Association, ask on behalf of Kenneth Y. Dick not only for your vote on June 10th, but also for your whole-hearted support and influence to see that he is elected as Halton's representative. We have no hesitancy in saying, Dick is the man for Halton.
