Their success was short-lived as the Acton boys tied the score up in the last half of the first inning. In Lawson, on the mound for the locals, displayed some brilliant efforts as he struck out six batters and gave up only one walk. Lloyd Robinson guarded the first sack as Paul Lawson covered third, when the team had to be juggled around in the absence of Bill Skilling. Acton was held scoreless in the next three innings, but Bronte racked up three more runs in the second and third innings. The grand slam came in the first half of the fifth when Bronte surged ahead by batting completely around the line-up to score seven runs. Robinson, on the mound for Acton, held the Red Sox to few hits and only four runs until they broke out in a rash of hits in the fifth and Robinson had to be relieved by Cunningham with the bases loaded and four runs having scored. Four more runs were racked up before the side was retired. Acton started the scoring off in the first inning as Skilling and Paul Lawson crowded home plate on a double by Scott. Milton tied the score up in the latter half of the first and led 3-0 in the third when South, for Milton, singled, rounded third on a double by B. Goskery and stole home on an error by Skilling. Milton went two runs ahead when in the fourth an run crossed the plate and off the unlucky left for Acton, Milton broke loose and scored eight runs. Campbellville Drubs Acton 25-8 Locals Continue Losing Streak

Lacking in hitting and infield support, Acton Intermediate ball team were downed by Campbellville 25-8 last Saturday at the Campbellville ball park. Acton started off strong in their half of the first inning by collecting three runs, but were soon overpowered by the booming bats of the Campbellville team, mangled with repeated errors by the Acton infield, as the Campbellville club tied the score at the end of the first inning. If Hamilton, on the mound for the opposition, seemed to have the Acton club swinging at everything he threw, and was backed up by support from the rest of his team mates. Gables on the mound for the Acton boys, was touched for ten runs in the second inning, as errors and good base stealing seemed to be the downfall of the local team. The first of the third saw the first three Acton batters receive a free pass to first and Paul Lawson and Spike Scott trotted home on a single by Bob Bruce. (Incidentally Bob proved hard on the bats by breaking a couple.) Campbellville racked up three runs in the bottom half of the third to make the score 16-3. Spike Scott behind the plate for the locals was on his toes as he picked runners off second and third in the fourth inning. Heckett relieved Gables on the mound for Acton in the fourth, but it just wasn't Acton's day to curb the Campbellville team. Errors accounted for more runs racked up by Campbellville in the fifth. Heckett proved in the crowd in attendance they knew how to execute the double play as they pulled off four doubles during the game. After a walk in the seventh, Cunningham trotted home on a single by Irvine. Campbellville loaded the bases and K. Cairns belted a home run before the locals rotated the side in the seventh. In the first of the eighth, Acton singled, stole second, rounded third on an error and stole home before the Campbellville crew could get organized. McCull still followed Arboe across home plate before the side was retired. The game ended as Acton failed to create in the top half of the ninth. The players seemed dissatisfied with the umpiring of Morton behind the plate and Sumner on the bases.

Golfers Corner

A foursome comprising of Johnny Goy, Bill Coon, Don Black (formerly of Acton) and Ho McMillan, a salesman for Fruehauf Trailers, played a few holes at Cullen a week ago yesterday (Wednesday). It is reported that Bill Coon's game is improving since Father's Day when he received a few new clubs. Bill is reported dangerous to all bystanders when he is using wood shots being a left-hand shot it is only natural to have an iron-the-dix method of reaching the fair way. It has been suggested if Mike Coon would bring along his best stick to use on the putting green instead of stick handling off to one side with his putter his game would improve. Apparently good Betty is still having trouble in the sand traps. Johnny Goy's score showed a notable improvement at the above mentioned game. Johnny's game would show improvement if he would settle down and not have the other players chasing all over for his ball. Bill Coon advises Wes Wolfe to wear sun pads when they play together again. An Acton Open is being planned for August so that all the clubs and keep in trim for the big event.
