

Local Couple Hold Anniversary

Mr. and Mrs. Ed Humeston, of Acton, celebrated their 50th Anniversary last Wednesday, July 3. Married in Grand Valley, they farmed out west before coming to Acton. Both are retired and live with their daughter and son-in-law, Mr. and Mrs. A. Hufnagel.

Another Dozer Arrives To Help

-Staff Photo Shown above is another bulldozer owned by Mansell Neilis, construction contractor, and president of the local Y's Men's Cluba as it prepares to bije into the sand at the local park. Construction equipment and trucks were busy filling in beach area at the lake.

Acton's arena and install artificial ice was reported to Acton Council Tursday by Mayor Tyler. Conditions of the action to be

the cost could only be repaid out of arena revenue and the present admission charges were not to be Increased "

No debenture or loan could be arrangell for repayment, it was -unlained

An incredulous council voted in favor of the idea, and instructed the Mayor to continue negotiations and finalize arrangements

It is understood the town would continue ownership of the arena following renovation of the building and installation of the plant

No indicution of the benefactor's identity was revealed but if was noted there were relatives in Ac-

Councillor Cooke voiced a comment on the odor originating from Beardmore and Company and asked what could or had been done to

relieve the situation in the town. Mr Cooke related the smell the past week during the humid weather became more pungent to the

mostrile. Councillor Lowe stated the smell is nameating and sickening. He suggested the tannery be contacted to rid the town of the smell.

M: Cooke noted a petition would be presented to council with regard to the odor and the Mayor suggested it was time to act when the petition was present-

Councillors Wilson and Lowe entered into a heated verbal exchange in discussing the situation. Reeve Hargiave suggested council make an appointment with Beardmo.e Company to take a tour of -- the -- plant -- and -- perhaps

The clerk reported to council

Council resolved to instruct the fire chief the town fire equipment was not to leave the town boundarles to fight fires only under the mutual aid plan.

A motion was lost to have the town assessor take a current assessor's course at the expense of the town.

The clerk-treasurer was authorared to assue a cheque amounting to \$13065 as payment in full to Frank Morrow, contractor, for the relating of the town hall.

A letter was presented, register-

ing a complaint from the Acton

Auto Body regarding damage caused by water flooding his Main St building. - The road committee chairman stated he felt the trouble had been

remedied permanently. The town clerk reported on the recent convention attended by him at Honey Harbor, for Clerks and

Financial Officers. in a round table discussion Councillo: Cooke reviewed a complaint of improper drainage at the Lakeview subdivision, of which he had been contacted and investig-
