

TURNING ON THE HEAT at the High School, is R. Spielvogel as he prepares to have everything ready for the opening of school on Tuesday. Principal E. A. Hansen expects a big enrollment this year again and with a staff of 10 teachers are prepared to teach the boys and girls the golden rule come Tuesday.

Guelph Lawn Bowlers Inter County Champs

In the last game of the Inter-County Lawn Bowling League Wednesday evening, August 21, Guelph and Georgetown played end for end with one another in the final game, Guelph taking the honors for the second year by a score of 85-78.

Guelph will receive the Boardmore Trophy and Georgetown runner-up will get the Bell Memorial Trophy.

In the other game, Rockwood came to Acton and defeated the locals by a score of 83-77.

In the second last game of the league ten Acton players, which consists of a team, travelled to Guelph. It was a real battle but Guelph was the victor. The two close ends. At the end of the total score, Guelph had the margin by four points, which made the score Acton 87 to Guelph 91.

The league standing remained the same as the week before. Rockwood travelled to Georgetown. There was a lot of interest in that game as Rockwood just had to get those two points from Georgetown to remain as contenders for the Boardmore Trophy or the Bell Memorial Trophy. However, Rockwood dropped the score by 80-70.

This season has been more successful in league play than last year and has made lawn bowling the way it should be among the communities, a competitive game with a friendly spirit prevailing.

There will be a get-together of all four clubs for the presentation of the trophies, which could mean around 125 men and ladies.

The local club is making plans for a coin and wicker road to be held in the near future.

Ermosa Calf Club Hold Final Meeting

The boys of Ermosa Calf Club held their last meeting of the season at the farm of their assistant leader, Earl Osborne, Second Line, Ermosa, with leader John Benham and Keith Clay, assistant agricultural representative for Wellington county.

The first part of the evening was taken up with judging and placing dairy cattle, followed by a written examination of 10 questions. Some explanations were dealt with in regard to the content of various feeds on farms.

The club boys expressed a desire for Mr. Clay to come often to their meetings but Mr. Clay pointed out that it was not possible to do so and that they were 30-40 clubs in Wellington county. Following the discussion, refreshments were served by the lunch committee. Murray Swanson thanked Earl Swanson for use of the barn 11 of 14 members were present and they are looking forward to Achievement Day at Fergus in the near future.

Mrs. Dave Armstrong is again taking up music teaching this fall. Miss Joan Kucharski has given up that line of work owing to the shortage of music teachers. Mrs. Armstrong is continuing with the pupils.

Hold Swimming Class For Everton Children

Children in the Everton area had an opportunity this summer to learn to swim when Mrs. D. Phelan, Tom Fountain and Mrs. Diane Duncan organized a class for swimming instruction.

They received permission from Mr. Wheeler at the Scout Camp on the Seventh Line of Ermosa to use the fine outdoor swimming pool on two afternoons a week for one hour. As many as 43 children have attended at one time, the mothers taking time to drive to the camp.

Plenty of supervision was necessary and the mothers were invited to come and help. In a way, it turned out to be a community project.

I think it is as important for every child to learn to swim as to write and read, Mrs. McPherson says.

So many local swimming spots are dangerous for small children. At least 15 of the children couldn't swim when they started in July. All of these learned but three.

Great interest was shown among the children for many looked from well up on the township. There were two sets of twins, the Harwood girls, Cora and Cheryl, and Donna and Doris Fountain.

The Scout Camp is situated on what was once Everell farm property and is an ideal location. A plaque fastened to the pool reads as follows: The Frederick William Snyder Memorial Pool Presented in 1948-49 by the Kitchener-Waterloo Rotary Club to the Boy Scout Association, North Waterloo District.

The rain last Sunday halted the Hydro Department from changing the power lines on Church St.
