\$100 Damage to Car In Friday Accident

Provincial Constable Roy Harbit of the Milton county detachment O.P.P. investigated an accident at the intersection of the Seventh Line and No. 7 Highway Friday night in which two cars were involved.

The car driven by Ivan Bouclair of Georgetown was in collision with one driven by Laura Wiles, who was accompanied by her brother Harold of Acton. The Wiles car swung too wide on the curve as it was westbound to Acton and sideswiped the Bouclair car, vaulted to Georgetown, damaging it to the extent of \$100. Damage to the Wiles car was negligible. No injuries were sustained.

THE BELL TELEPHONE COMPANY OF CANADA

The program was of a very cosmopolitan nature in that several nations were represented, both in costume and lore. Scotland was represented by the tartans and Highland dances and Wales with a junior choir.

England had three different Maypole Dances put on by the children of Acton, who spent many nights throughout the summer months learning the intricacies of weaving and dancing under the direction of the ladies of the club.

Hungary, Italy and Germany were brought to the fore by folk songs rendered by natives of those countries.

The show was 15 minutes late in getting underway and congratulations should go out to Acton Citizens' Band, who played for three-quarters of an hour until the M.C.'s for the evening, Jock Calder and Bill Wilson, got the program started on the platform. Jim Fleming and Mrs. Margaret Wilson lined up the different participants ready to go on.

The show opened with O Canada, The Queen and Scotland's anthem, Scots Wha Ha'e, following on with a display of the Maypole dances with the tiny tots and then an older group, both interweaving in a mix-up of colorful ribbons and then reversing to straighten it out.

Eightsome reels put on by two groups of Acton girls were delightful to watch as was the Sword Dance, with two Guelph girls, Bonnie Glandfield and Sharon Brown. Jack McGeachie showed his prowess in the delicate field of this intricate Highland dance.

A group of Girl Guides from Guelph gave a delightful display of the Petronella, as did the older girls and boys from Acton in their weaving of the ribbons on the Maypole. Miss Valerius and Miss Margaret Fuldsey from Guelph gave renditions of their folk songs, respectively Italy and Hungary.

The Five Straws of Acton rendered a selection enjoyed by everyone. The group was in a competition at the Milton Centennial celebrations recently. The Guelph Pipe Band played for the grand marches and all the Highland dances. The Acton Boys' Pipe Band showed the great progress they are making and deserved the applause they received.

Square dancing was enjoyed by many on the grass that had had a brush cut that morning. The Rhythm Ramblers supplied the music for this part of the program.

It is a long time since Acton Park entertained so many people, other than the fall fair. The Scottish Country Dance Club hope they have brought into the community something that will be carried on in future years.

Dr. Buckner welcomed the guests to the park. Mrs. Buckner looked after the music necessary for the display dances. Mrs. C. Leatherland, Miss Mall and Mrs. J. McGeachie were in charge of the Maypole dances, and Mrs. J. Calder and Mrs. B. Wilson, the eightosomes.

Mrs. George Robertson, who had been teaching the girls throughout the summer, did not see the show owing to her being confined to her home. She was to be presented with a bouquet of flowers in recognition.
