Last week saw the entries for the

Guernsey shows at the Milton Fair

rolling into the Agricultural Office

at Milton. By Thursday night last,

dairy breeds had been received.

This would indicate that with

favorable weather on September

28, the dairy cattle ring at the

Milton Fair grounds will see one of

the best dairy shows in the history

BEST IN THE STAKE CLASS are the two heavy horses owned by Alvin Taylor and McCutcheon Bros. The two horses have won many ewards in competition in previous fairs and the C.N.E. Entries were high in horse events which made the judging more difficult as the entries were evenly matched.

#### Mission Boat Ends

Services on Coast NEW WESTMINSTER, B.C. (CP) -Recent sale of the motor vessel Eagle Wings is the end of a 12-year story of devotion to duty on the

British Columbia coast. Rev. R. Elliot McAllister, who began his evangelical career as youth, died during last summer's cruise near the Gulf Islands. For a time, before the boat finally was sold, his widow had hoped that someone would take up the evangelical work the couple long parformed on the Inside Passage.

Freewill offerings kept the clinker-built craft sailing each year from May to September along the inlets between Vancouver and Prince Rupest.

The work of the McAllister was based on the "fundamental gospel of truth" of the Plymouth Brethren, who have more than 1,000 followers in the province.
