

# Rollin' Down the Alleys

WITH KEN HULFORD

Nov. 18. Well, it finally happened. Chrome "gummed" things up for Outside and handed them the short end of a 4-3 go. Chrome sneaked the first one by a pin, then won an impressive second game. Outside hung onto action by the nefarious actions of Chrome, roared home in the third to win and grab the odd point for totals.

Beambow were up in the hot in the first with Helling Hood, but the Rollers were home free in the next two for a five pointer. Upper Leather held the upper hand for two and totals won from Curry. Feature of the night's play was an 87 (343) triple from P. LeSueur. Other triples were G. Masales 715 (328), L. Masales 638, K. Papillon 623, A. White 610, G. Cunningham 600, H. Lambert 617, J. Money 625, J. Pink 648, F. Kentner 607.

**Legion's I.G.A.**

League standing: Party Dolls 33, Susie-Q's 23.

**Legion Ladies**

Hovers with N. Morton 705, F. Tiffin 650, H. Crisp 615 offsetting J. Bullough 746, J. Knight 665 and S. Tucker 682, set down the Smoothies. Goons with C. Ryan, 626 heading them, knocked off Rock-n-Roll despite a 607 count from W. Williams. Top singles were trundled by M. Scayne 213, Jean Bullough 214, G. Masales 212, H. Rogers 214, P. Turkosz 234, E. **Industrial - Commercial**  
Nov. 20. Acton Auto Body were away and running in the first go with A-1 Delivery, but apparently,

who only were able to snare one game. B. Anderson with 606 was the big nose for "them that" Peaches Squirrels, with T. Jennings trundling a 606, made it a two and totals win from Groundhogs. I. Ritchie was leading lady with a 5-5 truce. Top gals for singles were A. Sidey 214 and E. Gibson 218. The male top singles were W. Marshall 200, H. DeForest 225, G. Booth 283.

**Arvo-Owada Mixed**  
Nov. 22. The two leaders, Arrows and Sportsmen, met up and it looked as if the Sportsmen might bring the Arrows down to earth as they rolled off a first game win in fine style. It was not to be, however. Arrows made with the most of the best in the last two games for 5 points. H. Earle 673 and I. Kirby 607 stood out for the winners. It was the Wolves' night to howl. They clipped the Leaders for all games. Headpins were on the headlines for an all-out win over the Tatters. C. Leighton with 650 paced the Headpins. Bees were really a buzz and with a 622 from J. Pope as inspiration, made every game a winning one. Top swift makers for singles were T. Swift 250, E. Swift 207, T. Dawson 204, D. Earle 232, A. Ramsford 254, B. Creighton 211, H. Jordan 202, G. Spiffies had Hawks' number for a one and totals win. Top trundlers for the day on doubles were R. Malcolm 346, J. Jennings 337, W. Mason 325, G. Masales 327, J. Jeffers 309, R. Tuth 313, T. Wilson 336, B. Shannon 303. Top singles were trundled by B. Shannon 222 and T. Wilson 231.

League standing: Teddy Bears 38, Mustangs 20 1/2, Bear Cats 24, Spiffies 22, Hound Dogs 21, Hawks 16.

**Headpin Highlights**  
Leo McGilloway was the hot shooter this trip. A hot 309 was his start. Then he had a three-pin with his last ball or he would have cracked the 400 barrier. Anshov he picks up the Gordon's Hardware award as a result. Youthful Mike Hurst scared the pants off him, though Mike bashed a 382. Wound up with an 878 truce. To win the Bob Hirdsdale award. Relax, Sharon (Owen), that is, your 227 single picks up the Legion's I.G.A. foodstuffs. Dot Earle with a 600 triple has a cleaning job done by the "Top Cleaners". Some of you girls were asking why my name and joy, Gavie, doesn't have her name on the board. We have an agreement. Unless she breaks a Lane record, her name doesn't go up. She was too often. Last week she cracked a 601 (315). Paternal pride made me mention it. Lyd-in Woods, Marge, Sinter, Alan, Reid and Gary Masales were the hidden score winners for the Rem-harts, Seven-Up and Coca-Cola awards. Inter-county boys squared in Cayville last Saturday and came back with seven points. H. Earle 741, H. Phelan 604, G. Lee 674, G. Booth 647, W. Williams 686, D. Gein 654, K. Hulford 680.

League standing: Tiger Cats 51, Vagabonds 39, TenPro 37, Firemen 35, Dom Hotel 26, Crystal Gazers 22.

**Arden Teachers**  
Nov. 21. Pelecats increased their lead at the expense of the Pin Ups

# LEGION NEWS

It is comforting to know that we have suitable accommodation in our Legion auditorium for public functions and various group meetings.

Glad to see a few comrades out nomination night to participate in community affairs.

On Friday evening a small crowd pondered over the cards during the euchre tournament. Bob Tyler came out on top with 80 points and the red ribbon, closely followed by John McEneaney with 59 and Jean Harris with 58. Special mention should be made of Bus Chisholm, who didn't go home without a prize. His score? 34.

Tuesday evening saw the dart room crowded to capacity as the boys warmed up for the keen competition.

Eric Page with his pageants triumphed. Ivan Kelly's next day's 5-0 (450) boys must have had cold fingers. F. Waters and his wadlers topped H. Smith's papers 4-1. G. Hall and his renegades pulled up on Wallace's fingers 3-2 and Bill Nicol's youngsters edged out Stan Collett's leather 2-1.

Standing to date shows team no. 3, G. Hall with 18 points tied with no. 6, Peck-hold with 16 and Jean Winter, no. 8, close at his heels with 16 and the fretties no. 4, with 16. Hughie Smith, no. 2, came in with a 13 and Stan Collett, no. 5, had a 12 with Ivan Kelly, no. 1, trailing the field with 11.

Mention might be made that there is plenty of room for more players on Friday evenings for the euchre. With the "steaks" becoming larger, there must be enough hungry players willing to take a meal home.

Branch 197 is sorry to hear of the confinement to hospital of George Lantz and all wish George a speedy recovery.

We still have parking problems. Let's avoid scraped fenders and dented headlights by parking in a proper manner. There's room for all.

Canada's glaciers are slowly retreating as temperatures rise in the north.

# HIGH SCHOOL NEWS

A Tribute to 9D and to Mrs. Galloway

Mrs. Galloway is the home room teacher for Grade 9D. She is one of the most energetic teachers on our staff. After conducting classes in Physical Education all day long, Mrs. Galloway may be seen piling the back seat of her car with students and dashing off to other high schools to engage in inter-school games.

Monday, it was Orangeville. Although defeated in valley ball it was a very enjoyable day for the students of Acton High.

Mrs. Galloway keeps other things rolling in night classes too. Her typewriters found out their rhythmic exercises. Mrs. Galloway is to be seen fitting up and down the pines checking here giving a word of encouragement there. Two generations are being taught by this dynamic teacher as some of the mothers of the pupils are being taught in the night classes.

And who was on deck on commencement night? Roy Dink who is in the front row by day was in the front row presenting programs to guests that night. Keith Matlock was presenting programs at the back.

And last but not least: Jim Hurst our veritable "Master Skyhawk" delighted the audience with his rendition of the "Knight Song". Jim as we know went on to the Guelph Kiwanis Musical Festival on Monday November 18 and was awarded second place. Jim reports that competition was very keen so we think that he deserves a good deal of credit.

Good luck to you Jim on your future singing career!

By Fellow Students

As many other high schools throughout Canada are doing, our student council has adopted the Curtis Distributing Plan in order to make money for our high school. Through this plan we are allowed to keep between thirty and fifty per cent of the cost of every magazine subscription, whether new or by renewal, that is sent through

# Junior Boy's Band Plan Tag Day, Parade

Plans were made for a tag day sometime in December by a street parade following in the evening, when the Junior Boy's Band held their meeting on Sunday, November 24, at the High School.

It was noted by President F. L. Wright, the band was making rapid progress and has purchased two new side drums.

Thanks were expressed for donations to the Ladies-Auxiliary of the Y.M.C.A., Acton Women's Institute and the Legion Ladies' Auxiliary.

# Swimming Class Finalize Plans

The Water Y's swimming class travelled to Guelph on Friday evening for swimming instruction by Jim Buckland.

Mr. Buckland reports that owing to restrictions at the pool, and travel difficulties, the class will be confined to intermediates only.

Plans have been laid out for the winter season by the instructor for the swimming classes which includes the regular Tuesday night instructions for handicapped children.
