

# LEGION NEWS

The ever thoughtful ladies of the Legion paid their annual visit to St. Mary's Hospital the past two weeks and distributed gift parcels to the forgotten veterans. The Legion Ladies Auxiliary have spent \$300 for parcels for veterans at the hospital who are homeless and have no relatives. Much pleasure and gratitude was displayed by the veterans as they received cigarettes, chocolate bars and gum, reported the ladies after their visit.

On Tuesday evening, election of Officers was held by the Auxiliary with the following standing for the coming term. Past President, Joyce Buchanan; President, Elsie Johnson; 1st Vice President, Phyllis Angell; 2nd Vice President, Mrs. Fred Cole; Secretary, Mary Irwin; Treasurer, Ruth Finlay and Press Reporter, Lil Bradshaw.

The ladies were surprised with a presentation of a silver tray from the Minor Sports Committee at their meeting. Last Friday, Debbie Lappin and Norm Cunningham both with a 23 cut the cards for top spot in the evening's euchre play and Norm came out second best.

In third spot was Hughie O'Rourke with a 21 and taking home a lot of balcony was Russ Math, with a 31.

On Tuesday evening the games room was packed for the dart tournament with Bill Nicolak's sportsmen defeating Pat Waldie's Fireflies 3-2. Ivan Kilby's Never Dies whitewashed F. Winter's Wanderers 5-0. Stan Colpin and his Leather Necks edged out Hughie Smith's Pipers 3-2 while Eric Page and his Page-boys checked out George Hall and his Renegades 4-1.

League standing to date: Page 22 points, Nicolak 20 points, Hall 19 points, Waldie 18, Winters and Kilby 16 points, Collett 15 and Smith 14 points.

Don't forget to plan for the kiddies at the Christmas party and arrange for a baby sitter for the New Year's Eve Frolic.

Lots of chairs will be available for the members on Monday evening. Don't forget it's general meeting for the election of new officers. Time 8:30.

Sympathy goes out to comrade Al. Irwin and family in the recent bereavement of his father.

## Insurance Federation Issues Precautions

Christmas trees, a symbol of gaiety and happiness, too often become a mass of flames and a symbol of disaster, according to the All Canada Insurance Federation.

Trees, decorations and special Christmas costumes should all be chosen with special care and protected from fire. The Federation, which represents more than 300 Canadian fire, automobile and casualty insurance companies, makes these recommendations for safety in the home during the Christmas season:

1. Choose a small Christmas tree; it will be less hazardous than a larger one.
2. Keep the base of the tree in a container of water; the water will be absorbed and keep the tree moist.
3. Keep trees away from stoves, heaters and fireplaces.
4. Use good quality electric lights on the tree, not candles.
5. Check your lights for any defects which might cause short circuits.
6. Be sure that Christmas lights do not overload the electrical circuits in your home.
7. Keep papers, gifts and other inflammable articles away from the base of the tree until Christmas eve.
8. Do not use paper, gauze like materials or other highly inflammable cloths for children's costumes.
9. Check carefully for burning cigarette butts after every party or gathering in your home.

Canada depends upon the forest crop.
