Auditor Stresses Need Caution Name J. B. Gray Allowing Mass Home Building As Council Clerk

of the annexed area of Georgetown which a Delrex-town agreement presently precludes, was read in the form of a brack from H. A. Lever, town auditor, at Monday's

The Detrex proposal, made last June, has been under study since that time. Some time ago, on aug gestion of finance chairman Garfield McGitvray, council decided to ask Mr Laver for his opinion on the proposal. When it came Monday, it was the direct antithesi; of the Delrex brief which claimed that construction of houses would provide an annual surplus of some \$10,000, sufficient to pay next annual capital and parating custs of the new sewage ing the drive Refill the thermos disposal plant Instead, Mr Lever for them when they leave to prosubmitted figures which, in his opinion, would impose an additional

council meeting.

Mr Lever, in his brief, said the own's credit is near the breaking mint after a 4-year almormal expanalist lie said adequacy of present sewer and water mains should be carefully checked before any arge expansion takes place, indirating a problem in expansion of public and high school facilities and pointed out the dangers which Georgetown would face if there was any extensive lay-off at the Malton Avro plant

tax burden of \$5,000 yearly on the

contained in the Lever report. correct Estimates by Mr Lever of of long runs in the township road maintenance, town administration and garbage collection were much higher than they could ever

Newer town residents are not full employed at Malton, Mr. Bairstow said A survey taken recently showed that of 207 new residents there are 97 different employers represented and there is a fair diversity of employment

Only capital expenditures which the town would face with 500 more houses would be the sewage disposal plant, which is to be built regardless schools and possibly an dditional water supply the latter dso in process

"Delrex is still trying hard to get industry to locate_hc.c." said Mr Bairslow, "but under present circumstances, no one can say when we will be successful Meanhomes if this can be economically

The last thing Delrex wants is a

houses are built," Mr Hairston said Cr. Ern Hyde was critical of any action to depart from the 40° dustrual-commercial ratio promised in the 1954 Deliver agreement with the town, and said he believes it important that this agreement be hard up to

Agreement Fails On Fire Scale

BRAMPTON Negotiations be tween the town of Brampton the township of Chinguacousy payment for fr profestion for the township, have reached a state-

At a recent council meeting in he township, Chinguacous, offi cials passed a resolution authorizing the payment of \$3,000 annually stand-by time plus \$100 for each cull answered by the Brampton department Brampton's fue and light committee headed to Comcillor Jack Pawley asked the num of \$3,000 stand-by, plus \$150 for each fore call

This is an increase over the Disputing some of the figures former agreement which has been in force for seven years, but town Harold Bairstow, Delrex general council reasoned that expenses of manager who appeared at the maintaining a standing force had meeting, said he is confident that increased and our equipment is the Delrex brief is still essentially strained to meet the requirements

A resolution passed by town council stated that Brampton is not prepared to re-negotiate on any other basis than the \$3,000 stand-by and \$150 per call "Chinguacousy can be assured that protection will be continued until other as angements are made," said Councillor Russ Prouse,

It was understood by councillors that the township is planning on setting up its own fire department with the necessary equipment
