

GREENOCK W.I. TOURSD THE FREE PRESS plant on Wednesday January 8th, and are pictured as they watch the new Goss press in operation. Front row left to right are three children who accompanied their parents: Pat Dunne, Jeanne McKeown and Donna McKeown. Centre row: Mrs. C. Dunne, Mrs. J. L. Allan, Mrs. E. C. Allan, Mrs. J. Near, Mrs. R. McKeown, and Mrs. W. Johnstone.

# SPOTLIGHT

By HARRY ECCLES

Canadian Press Staff Writer Sir Edmund Hillery, the first to reach the South Pole by the overland route in 46 years, decided to leave the world's southernmost point without waiting for a British expedition that is attempting the arst crossing of the frozen Antarct- 16, 1912, only to learn that

ic continent. The 36 year old New Zealand explorer, who with a native guide had conquered Mount Everest in 1963, apparently reached his surprise decision after learning that the British group led by Dr Vivian Fuchs was still 360 miles away from the Pole and had again run into trouble, coming from the up-

posite direction Hillary reported to the New Zealand base on McMurdo Sound that he and the four other members of his party would fly back "by the from the South Pole camp estab- that so much publicity of the kind may be the only one still aloft Mrs Norman Fryer and family. lished by an American air drop at suitable to the winner of a contest Prof Alfred Lovell at Judrell Acton

the South Pole. It was believed the New Zealand emplorer feared that his light trek to the Pole, would not be able to keep up with Fuchs' heavier equipment on the 1,300-mile

do Sound Under the original plan, Hillary's . plan was to have waited at a spot schedule and Hillary decided on his own dash to the Pole

Not A Rare Headquarters of the New Zealary's Polar dash was not a race differences Russia has suggested for honors but was done to ease several times in recent correspond-Fuchs. A. spokesman said Hillary leaders that a non-aggression part had fully completed his original in one form or another would conassignment by establishing food tribute to world peace, Russia also and fuel depots, marked by arrow- is campaigning for a summit meetheads of snow cairns, along an al- ing.

most crevasse-free route. If Hillary had walted at the 500- Britain will leave no stone unturnmile depot for Fuchs, he would ed in attempting to secure an aghave wasted several weeks, the recement through which the Soviet spokesman said. Therefore, after Union and the West may live in wireless consultation with Fuchs, peace.

Hillary set out on an admittedly; Macmillan said that above risky extra push to the Pole, sur- the West must maintain veying the route to save precious strength while testing the sincerity days for Fuchs. Hillary's little band was the first good taking away one fear and Dolmer and family

to reach the Pole overland mnce Britain's Captain Robert F Scott. who reached the Pole on January balance of power as makes war and Mrs Dick Grill and family of Norwegian explorer, Raould Amundsen, had reached the Pole one month earlier Scott perished on the return hourney British newspapers in editor:als Russians probably have run into

emphasized that Hillary's feat, while praiseworthy, was only in- Sputnik into orbit around cidental to the main purpose of the earth. At the same time Dr. John pedition led by Fuchs Hillary that the next attempted launching bert Patten, Diane and Kenny, heads the New Zealand section of of a Vanguard rocket still may an Guelph the expedition

The inaugural meeting of the Legion Ladies' Auxiliary was held auditorium. Past president Vic Patrick and first vice-president Herb Woods of Branch 197 of the Acton Legion installed the new of-

licers in the Auxstrary. The following are the officers for 1958: president, Elsie Johnstone; first vice-president, Phytlis Angell: second vice-president, Mrs. W. Coles: secretary, Mary Irwin; treasurer Ruth Finlay: past president, Joyce Buchanan and standard bearer Elsie Roach, with Doris An-

gell as assistant standard bearer. The following committee conveners were elected during the business meeting: membership convener, lvy Hall; kitchen convener, Jean Allonby: bingo convener. Doris Angell; sick convener, Joan McKnight; pianist, Lil Bradshaw. The Auxiliary decided to forego their regular bingo night on Wednesday, February 19, and donate the Legion auditorium to the Minb. Sports committee to entertain the skating clubs taking part in the Booster Night program.
