

### Scouting and Cubbing in ACTON

#### BOY SCOUTS

Meetings were cancelled until February 21 as a result of several outstanding matters which kept attendance down to a fraction of what it usually is on Monday. It was felt that the flooding in the scout hall and minor hockey would be finished by the 24th and meetings could be resumed.

Attention was drawn to the church parade for Acton Scouts, Cubs, Guides and Brownies, to be held on Sunday, February 13. Parade will form at the scout hall at 3:30 and march to the Baptist church for services at 4:30.

#### WOLF CUBS

Acton "B" Pack's first winter outdoor activity was held last Saturday morning in the form of a toboggan race. 12 cubs participated in the race under the leadership of the pack's three leaders.

Leaving the scout hall after a waiting period for one cub with wet feet who tried to cross the frozen creek on his way to the house linked to the farm of J. H. Brown, where a huge hill was

quite to the liking of the boys and toboggans.

In the special event, which was a three race, four teams of three cubs or each toboggan took off. Winning toboggans were: (1) Robb, Buckner, Allan Robinson, John Higgins, (2) Philip Wedge, Fred Kennard, Brian Robinson, (3) Don Ford, Richard Innes, Axel Newberry, (4) David Ryder, Paul Wulfe, Neil Johnston.

Blagburn (Lorne Youngblood), in awarding treats for the event, considered that each participant should receive a prize for the effort made. Even Raksha and Akela were given a prize even though on Akela's solo flight, he made it only half way down the hill. Treats for boys given the opportunity of finishing up two star treats.

Notice was made last week of the increase in cub weekly dues from five cents to 10 cents per week. As the six competition draws to a close the Township has still managed to bring on to the top spot.

Mrs. A. Elroy continued with the study on Korea.

The presiding, Lenora Mann, conducted the meeting. Beth Hetherington read the minutes of the last meeting and Marilyn Young, the treasurer, gave the financial report.

The devotions were taken by Cecil Hansen and Beverley Smith. Marilyn Young and Miss Moore played a piano solo. Marilyn Young extended an invitation to the girls to have the next meeting, March 3, at her home.

The meeting closed with the singing of a hymn and the Mizpah benediction. A delicious lunch was served by the girls with Beverley Smith and Carol Hansen as conveners.

### Okay Repairs To Local Arena

Improvements have been added to the local arena by the Public Buildings Committee of Council recently when they authorized windows to be repaired and dressing rooms to be painted.

Following a request by the Minor Sports Committee to improve the appearance of the arena, the Board met in February, the committee complied with the request and have repaired a broken window at the front entrance and boarded up other broken windows in order to cut down the draft and improve the general appearance.

### Pupils, Parents Bid Farewell To Teacher

The Sunshine School for Milton and District was the scene of a small gathering Friday, January 29, 1938 when the pupils, their Mothers and a few members of the executive met to say farewell and to wish good luck to one of their teachers Mrs. McGrath, who in the last five months has endeared herself in the hearts of these pupils.

Mrs. McGrath and her husband are changing their place of residence and she has accepted another position.

### B. A. C. NEWS

(BROTHERHOOD OF ANGLICAN CHURCHMEN)

Last Wednesday evening, January 20, the men of St. Alban's church of the B.A.C. met in the Parish Hall for their sport and games night for the month. The evening was highlighted by the efforts of George V. Barbeau who, as entertainment committee chairman, managed the showing of several wonderful films produced by an outstanding sportsman's conservation club.

The roots of technical, film directed action picture in the world of trout fishing. The films were Spooked, Archedowns, Yams, to Enjoy, Spooked Trout and Duet in the Pool.

It could be safely suggested that many a member who was present for the showing of these 'speckled beauties' went home thinking of May 1 or perhaps even some went so far as to get out their fishing gear and readied or oil up spinning reels.

We also can extend some measure of appreciation to Wm. Barrett, our president, who is our projectivist and who was also instrumental in the planning and executing of our new large screen along with Mr. Vic Barlow.

One new member, Thomas King, vice of St. John's Rockwood was installed at this meeting and Ted Nightingale received his pin. Pins were laid for the annual Loos and Dads night to be held possibly in April.

It was also decided that cards be sent by the secretary to all regular
