### Industrial - Commercial A-1 Delivery Delivers for Third Season

May 7. When the blue chips are down, it's the A-1 Delivery who take in the pot. Last year, that's the way it has been for the last three seasons. Champs three years in a row is their record, so give them credit and in this case a little cash.

It was A-1 Delivery versus Boardmore Revs and although public support was in favor of the latter, the pinfall was in favor of that both teams were really keen in favor of A-1, and three game pinfall total being A-1 Delivery 3544, Boardmore Revs 3154. A-1 took command in the first game with a 102 pin lead and really piled it on. Spilling the highlights on the first game, they rolled 1200 to increase their lead to 300 were Carl Holmes 620 Ruth Hunt 570, Jim McCullough 710, and Had DeForest 666. Ed McHugh 741, Bill Skelding 406 double and Jim Gibson 286 single. Boardmore Revs top triumphant were Ed Ryan 612, John Buckman 649, Arnie White 610, Harry Rogers 640. Bill Neat 214 single. Question where was Gimmer the Rimmer?

So that's it for the Industrial-Commercial. Had the champs and a round of applause to the Revs, contested, jam packed, spine tingling effort, this rates and congratulates them.

close with a quote from Boardmores captain Harry Rogers. We've no alibis. We were well beaten by a better team, but we'll nail next season, end of quote.

Flock Win Photo Finish

May 7. The final between Mildred Bells and Esquires had the spectators jump and exhilarated. Thrills, chills, headlong strikes and spares all came at last wailing times to keep both sides on the edge of their seats. It was a dog-eat-dog battle between two evenly matched teams and the issue was in doubt until the final ball rolled by both anchor girls.

In the first, Esquires got their lead off from 29 pins but Mildred Bells galloped home in the second by 108 pins to go into the third game with a 75 pin lead. Both teams went all out in the third. It was Mildred Bells who had the title in their grasp until the last frame when Esquires put on a heroic finish to turn defeat into victory when they finished 110 pins up and 40 pins and came up with a 108 to 68 win. They found the range in the second and picked up an additional 258 pins. They kept up the sharpshooting to rack up 248 pins more in the third and it was all over. Give Vagabonds credit faced with an almost impossible task of winning, they kept trying and had no thoughts of giving up.

The top trio for T.C.'s were Don Green 712, Ross Morton 672, and Norm Morton 636. Frank Irving 631 and Grant Booth 631 were Vagabonds best. As a column, we congratulate the winners and extend condolences to the losers. As a Tiger Cat we will take a bow along with the rest of the champs.

### Action Teachers

May 8. Pin Ups were two game winners over the Squirrels. And Squirrels had a hot game and grabbed off the odd points for totals in the 4-2 split. Grant Booth's 675 was the top performance on both sides. Groundhogs made it a two and totals win from the Polecats and almost made it three but the Polecats won the second contest by 15 pins.

Bill Orr posted a 670 in the

Joyce Massles with a 202 solo effort picks up the T.G.A. footstools and Ivy Martin can have a spot of cleaning done by the Tops Cleaners for her triple of 690. Techn Under and Inter County honours are now memories. A good time was had by all. And that clears the cuff. Adios amigos.

A crowd of 400 was present on Wednesday, October 2, 1935, to witness the official opening of the Y. The Y was unique in that Acton was the smallest town in Canada to have such an institution.

## Over 600 Members Participate at 'Y'

A membership of over 600 enjoys the facilities of the Y.M.C.A. in Acton, as they participate in one or all of the 30 different activities that are scheduled each week.

Secretary of the Acton 'Y', Dave Docherty, pointed out this week that fees at the local 'Y' are considerably less than other YMCA's. He compared to-day's rates with those of 23 years ago when the 'Y' was first built and stated there was little or no change to be noted.

Considered to be the smallest town in the world to boast of a Y.M.C.A., Acton also has the distinction to be among the first combined YMCA-Y.W.C.A.'s to be established in Canada.
