

THE FIVE STRAWS, a group of Acton singers, entertained at the Junior Pipe Band Party held in Acton recently. Included on the program were a group of Scottish dances and singers. The Junior Pipe Band played several selections, dressed in their new kilts. The event was held to raise funds for the Junior Pipe Band to purchase equipment.

Warn Council of \$10,000 Deficit

Continued from Page One

The mayor informed the delegation the possibility of installing a sidewalk on Wallace Ave. was discussed. This would entail receiving permission from A. P. Chapman Co. and Micro Plastics to install the walk on their property. Mr. Irwin remarked it would be nice to have sidewalks down Wallace Ave. but he did not think it was the answer for the problem.

Not Expedited

After discussing the problem entered in planning the suggested sidewalk area in winter, Deputy Reeve J. Green suggested a shoulder area could be maintained between the road and sidewalk and the total area completely plowed out by the town workmen.

Mr. Irwin informed council he did not expect a definite decision immediately but would appreciate their consideration of the matter.

It was agreed the road committee would study the situation and go to the Planning Board for advice and direction.

The Acton Fall Fair Board was granted use of the arena on Saturday, June 7, to hold an auction sale.

Sewage Disposal

Councillor J. Guy, chairman of the sewer and water committee, informed council members the pump house at the new well site would be completed within a few weeks. He also said the equipment had not been ordered and they were waiting for an agreement with the companies concerned.

When asked by Councillor W. McLeod what agreement he referred to, the councillor answered a re-opening of negotiations with Beaudette McLeod's opinion on using asphalt coating for sidewalks. He pointed out the new paving done in the past was not too satisfactory. The chairman told council some people were of the opinion the salt from the road was affecting the paving, and added he understood salt did not affect the asphalt.

Councillor Rachlin informed council he had seen quite a lot of paving done in Toronto and asphalt is not used, but concrete.

"I believe possibly it has something to do with the mix," said Mr. Rachlin and remarked about the stones showing through certain sections of sidewalk on Mill St. He indicated it was his opinion this showed a poor mix when stones showed on the paved surface.

Councillor McLeod's objection by saying he didn't believe any councillor was prepared to give an answer on using asphalt but that it should be judged by an engineer.

Mr. Greer suggested a one-inch layer of asphalt could go on top of the present sidewalk area on certain streets and in a short time

Deputy Reeve J. Greer, chairman of the streets and roads committee, advised council members on using asphalt coating for sidewalks.

Mr. Greer remarked he had visited Beaudette's to see the pilot plant in operation. He told members Ken Hyde, engineer, reported that good analytical tests are being done with the new pilot plant and it would be possible to design a plant suitable for handling the sewage from these two plants.

Local

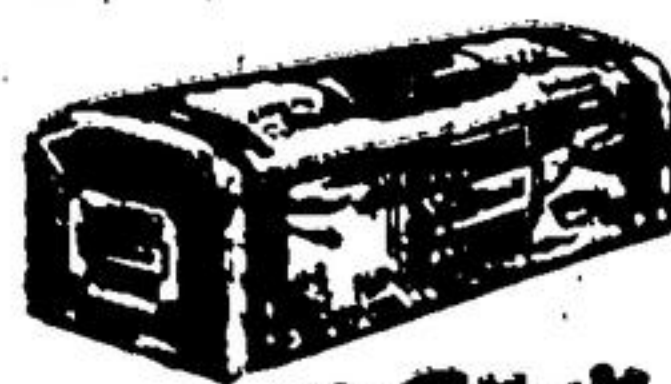

Fishermen are continuing to try their luck in Fairy Lake. The cemetery was in fine shape for Devotion Day last Sunday.

The street sweeper was busy during the night on the streets in Acton.

Members were concerned this week getting the tennis courts in playing condition.

The steeples at the United Church are being removed with little fuss or muss.

Rockwood Church Anniversary Service Planned for Sunday

The Rev. Prof. W. Morrison Kelly, Old St. Andrew's Professor of Church Worship, Emmanuel College, Toronto, will be the guest minister at both morning and evening services at Rockwood United Church on Sunday, June 8 when their anniversary will be observed.

Recognized as one of the outstanding preachers in Canada today, Dr. Kelly was formerly minister at St. Andrew's United Church, Blair St., Toronto.

Dr. Kelly came to Canada in 1892 from Leamington, Scotland, and was the first to give a series of lectures in the Old St. Andrew's Memorial Lectureship at Emmanuel College.

Morning service begins at 11:15 and evening service, 7:30. The Rev. G. A. H. Moore, minister of Rockwood United Church will be present for both services.

Apparently some of the youngsters don't realize the 24th of May is just a few days still letting off fireworks occasionally.

Many Mothers Attend Local C.G.I.T. Banquet

The C.G.I.T. of Ballinacraig United Church held their Mother and Daughter banquet on Monday night, June 2. The tables were decorated with blue forget-me-nots and lily of the valley, fans and lanterns, with blue bulbs made by the girls. Place cards in the form of kumonans also added to the decorative touch.

Mrs. J. Black, leader of the group, introduced the mothers and daughters. The president, Dawn Smith, was toastmistress. Mary Baker prepared the toast to the Queen, which was replied to by a singing of God Save the Queen. A toast to the mothers was proposed by Jean Laver, responded to by Mrs. Clarence Snow.

Mrs. Neelon, assistant leader, responded to the toast to the church given by Jane Given. Mr. Neelon led in a singing.

Hear Report

Dorothy Smith gave a splendid report of the work of the C.G.I.T. Mrs. Black awarded prizes on a point system to the senior girl Jean Laver and to two junior girls, Marjorie Breston and Louise Snow.

The guest speaker, Mrs. Betty of Mount Albert, gave a very fine address. She gave her listeners much food for thought when she took as her theme, "God's Hope for Us." She pointed out what great things God expects the girls to show in their lives such as love and kindness.

Marie Mitchell thanked the W.A. who had provided such a lovely supper. She also thanked Mrs. F. J. Shortall for contributing a solo and Miss Beth McEneaney for giving a reading, also any other who had helped.

Make Presentation

Mrs. Neelon, assistant leader, was asked to come forward to receive a beautiful Bible with her name engraved on it as a remembrance of her work with them. Mrs. Black also received a gift. Both ladies thanked the girls.

Snapshots were taken and a very fine evening came to a close by all joining hands and repeating Tans Pictures on Japan were shown.

Local Views

Congratulations to Janice Baker, who graduated from Toronto University receiving her B.A.

Murray McBride is to be the student minister for Ballinacraig, Churchhill and Melville.

Mr. Coles and Mr. Penfold of the Gables had charge of the service.

C. of C. Assists Acton Athlete Presents Cheque to Track Club

The Chamber of Commerce held their last general meeting of the year in the basement of Knox Presbyterian Church last night, Wednesday when they enjoyed a turkey supper served by members of the Ladies Aid of Knox church.

President George Harbeau welcomed the members and guests. Fred Tyler Sr. thanked the Ladies Aid on behalf of the Chamber for the very fine supper they had prepared and served.

President Harbeau welcomed Bruce Andrews, who was a guest at the head table, and gave a brief resume of Bruce's achievements in his sports activities and wished him success in his endeavor to participate in the Olympics in 1960. Mr. Harbeau, on behalf of the organization, presented a cheque to the Joseph Leggon Track Club to help finance his trip to the British Empire Game trials at Saskatoon.

Jack Holmes welcomed new members and introduced each one with a short biographical sketch and asked that they be accepted in Sunday while Mr. Neelon acted as a conferee.

Mr. and Mrs. Norman Sinclair and Katherine and Mrs. Besse McKeown attended the wedding of Miss Wilma Sinclair and Dave Wilson at Milton last week.

Knox Heather Club Holds May Meeting

On Wednesday, May 28, the regular meeting of Knox Church Heather Club was held at the home of Irene Watson.

The president called the meeting to order and Eleanor Kreuler led in prayer. The scripture was read by Betty Butler. After the roll call the secretary and treasurer's reports were read and adopted.

The club plan to hold a sale of home made baking in the near future. It was decided to hold the June meeting in the form of a picnic and members will meet at the church for transportation.

The chapter of the study book was read by Irene Watson. Silver tokens were presented to the new ladies of the club members. After the Maypole demonstration, the members enjoyed a game and a social hour over coffee and tea cups.
