

Scores High in Minor League As Teams Battle for Position

The baseball greats in the International League in Minor League baseball played a double bill at Acton High School last Thursday, May 29, when Buffalo and Montreal clashed and Toronto and Rochester played.

In the first game between Buffalo and Montreal, the latter team edged out their opposition 5-2 in a last minute rally. Doug Ford of the winning team must have been watching his namesake, "Whitney" Ford pitch in the major league, the way he had the batters swinging at his offerings.

It was a no-score game until the first of the fifth when Buffalo checked in with a run and added another to their tally later in the game. The Montreal crew went all out in the last of the fifth, and rounded the bases five times before the last batter was called out.

The line-ups for the game were as follows:

Buffalo: G. Walter and R. Holmes (battery mates), N. Franklin, W. Rogers, G. Ockendon, B. Anderson, D. Sprston, J. Timney, B. Lambert and D. Chapman.

Montreal: E. Hubbel and D. Ford (battery), P. Marzo, G. Holmes, D. Harris, F. Kennard, J. Huddell, J. Smeltzer, B. Reid, A. Kobylka, J. Price and S. Johnson.

In the second game in the International League, Rochester squeezed out a win over Toronto 8-7 in a hard played game. Don Eyle for the losers and Allan Hall for the winners both pitched a steady game and were backed by excel-

lents and did a mighty fine job. With a little practice, Doug will hold his own with the best in the league.

Line-ups were:

Okaville: S. Townsley, R. Shultis, G. Wallis, M. Harris, B. Turkoz, H. Evans, K. Hall, P. Mucknyk and B. Wilkinson.

London: J. Cooney, D. Allen, H. Taylor, F. Barnes, G. Kelly, G. Cook, G. Hubbell and N. Hurst.

Another high scoring game was played between St. Thomas and Kitchener at the Robert Little school last Thursday with St. Thomas winning 11-10. The winners started the scoring in the first inning, nothing six runs and the losers counting none.

Kitchener was then held scoreless until the last inning when they racked up two more. St. Thomas scored one in the third and fourth innings and ended the scoring in the last with two more to their credit.

Line-ups were:

Kitchener: T. Quonell, F. Moran, R. Pines, J. Mason, H. Hubbard, F. Churchill, F. Gordon, M. Miller and C. Hubbell.

St. Thomas: V. Dorn, G. Taitler, E. Waller, B. Elliott, G. Reid, F. Massey, G. Perkins, G. Galinsky and G. Kobylka.

Los Angeles Dealers shipped the Cleveland Indians 8-4 in a hard played match when behind the excellent pitching of T. Mayes, teammates bashed two homers and a triple. Starting their scoring early in the game the Dodgers held a 5-0 lead in the second inning. The Indians came back with a singleton in the third and notched three more in the sixth to end their scoring.

Dodgers' heavy hitting section went to town in the fourth and fifth, and three well earned runs that clinched the game. Hank recently handled the umpiring chores and kept the boys hustling to and from the field.

Line-ups were:

Dodgers: J. Massey, J. Bulbough, G. Mason, T. Mayes, A. Harris, S. Weller, J. Johnson, K. Andrews, M. Poyntz and K. Ramon.

Indians: H. Shultz, J. Leatherland, B. Sprston, W. Mason, M. Russell, B. Hartman, M. Haggitt, J. Duffield and B. Wilson.

Old Coin
A United States one cent coin dated 1846 was dug up in his garden this week by former Councillor W. J. O. Oakes on Knox Avenue. The one hundred and twelve year old bit of currency was in fair condition after the earth was cleared from it. It is about twice the size and weight of present day one cent coins used in the United States. It is on view in the Free Press window.

Scouting and Cubbing in ACTON

CUBAREE
This coming Saturday, June 7th, all Acton Cub Scouts will be meeting at the Scout Hall not later than 12:30 p.m. when they will leave for Georgetown to attend the District Cubaree. All parents are invited to attend this annual event and view the activities of the day as their boys compete against 15 Cub packs in the District.

"A" PACK
A bunch of very tired boys went home on Saturday evening after a whole day of Cubbing activities in and around the Acton Scout Hall. The occasion was the one day pack holiday of the First Acton "A" Pack.

The day started about nine o'clock in the morning when Baloo and the skiers blazed a trail of colored wood from the Scout Hall up to the field behind the school. Each six then followed its own trail and eventually arrived at the field.

The pack then practiced the jungle play they are putting on for the Cubaree and followed with a game called Kaa and the Bunderlog, as always. Kaa the python won. Baloo read a story about a grizzly bear in the Rocky Mountains and it was very interesting and exciting, too.

Morning Hike
The weatherman was kind and the pack set out on its hike with the sun shining and it stayed fine and sunny while the pack hiked through the town, over to Glenora and followed the fence along the C.N. tracks crossing over near the sewage plant and back to the Scout Hall via the frog pond, radial track and factory.

A picnic lunch was enjoyed under the trees opposite the Scout Hall and then the rain drove everyone inside, but not for long, just long enough, however, for Akela to read a story of an incident that happened in a cub pack in Gwaka in New Guinea. The pack discussed and organized the camp fire program for later on.

Cubaree Practice
The afternoon was spent in practicing for the Cubaree until rain again sent the pack indoors where they all made a model tank with a thread spool they had brought.
