

A MYSTERY TOUR was sponsored by the United Church W. A. last week and the ladies are pictured ready to board the bus. The destination known only by the bus driver and two other members was discovered to be Toronto. The ladies enjoyed lunch at Hanlan's Point, Cinema Holiday and dinner at the Georgian Room. Following the dinner the balance of the evening was spent shopping until 8 p.m.

### Dublin W.I. Ladies View Woman's Work

The members of Dublin Women's Institute journeyed to the home of Mrs. Elizabeth Hoy on the third of last week for the presentation of a new design of dress pattern for the regular meeting to be held at the home of Mrs. William Frank Guelph Road.

Mrs. Hoy has introduced a new industry to Nassagaweya, which was most fascinating to the ladies. She designs patterns for dresses and makes nylon sewing of the designs. Her designs are all original and Canadian.

**Printed from Screens**

After the screens are made of the designs, with the special dyes used these are printed on the textiles. Other articles besides the dresses are used such as placemats, etc.

The ladies were intrigued with the showing of dresses that were the handwork of Mrs. Hoy. She also has a good collection of articles, which were very interesting.

The ladies later met at the home of Mrs. W. Frank and in the absence of the president, Mrs. H. Blyth was in the chair. The new secretary, Mrs. C. Armstrong called the roll, which was answered by "An industrial current event."

**Committee Named**

Minutes of the previous meeting and correspondence were dealt with. Mrs. H. Blyth and Mrs. C. Armstrong were named leaders for the Third Year Training Course.

Plans were made for the Fall Fair and Mrs. A. Near, Mrs. D. Moffat and Mrs. M. Nollis were named as a committee to look after the Fall Fair exhibits.

A full and interesting account of the 57th District Annual, recently held in North United Church was given by Mrs. William McIntyre.

**Student Bursary**

Mrs. G. H. Somerville explained about the scholarship of bursary to be awarded in Halton County to a student whose mother is a Women's Institute member. Mrs. Douglas McPherson reported on the Musical Festival.

Final plans were discussed regarding the annual bus trip on June 25 and Mrs. James Van Fleet reported on the arrangements.

The ladies, assisted by Mrs. Bessie McGeorge, Mrs. H. Blyth, Miss Sandra Blyth and Miss Shirley Frank served a delicious lunch and a social time was enjoyed.

### Communion Service Held in Local Church

Communion services were conducted by Rev. A. Calder on June 22. On June 29, he will hold the sacrament of baptism.

Congratulations to Mr. and Mrs. Beverley Eves on the arrival of a little brother for Brian at Guelph General Hospital the end of last week.

Garry Scott is convalescing at his home following a bone graft at the ankle a few weeks ago in Toronto General Hospital. We wish him steady improvement although he will be strictly confined to bed for a considerable time.

### Oakville on Top In Senior League

Play in Minor Sports baseball last Thursday evening was curtailed somewhat due to the raining of examinations, but the schedule continued without interruption in the Senior League.

**Oakville 16 - London 8**

Oakville jumped ahead in the Senior League of the Acton Legion Minor Sports baseball Thursday evening last when they defeated London 16-8 at the Robert Little school playground.

Both teams played excellent ball and managers West and Couture for the winners had to muster all the strategy in the books to beat the head work of managers Pink and Kelly for the losers.

Fielding for both teams was a stand-out and until the last inning it was a 4-4 tie until Oakville went on a hitting spurge and racked up 10 runs after London notched 2.

**Line-ups**  
Oakville: G. Wallis, R. Shultz, D. Ryder, S. Townsley, K. Hall, B. Turkow, M. Harris, P. Mokrycki, L. Masales, A. Evans, B. Wilkinson and T. McDowell.  
London: J. Paul, H. Taylor, F. Barnes, M. Sargent, J. Cooney, G. Kelly, E. Lambert, G. Cook, B. Robertson, T. McKrown and B. Waller.

**St. Thomas 14 - Kitchener 11**

St. Thomas knocked Kitchener down to second place in the Senior League last Thursday evening at the Robert Little school playground when they racked up a 14-11 win.

Terry Churchill put plenty of beef behind the bat as he whacked out two homers for the losers and scored three of their runs.

Garry Taillefer continued to play a steady game behind the plate as he donned the pads and mask to steady the pitching of Ernie Waller, ace thrower for the winners.

The McCutcheon combination, working to advantage last week for the Kitchener boys, didn't seem to be clicking on Thursday.

**Line-ups**  
St. Thomas: B. Elliott, C. Perkins, S. Goy, S. Marshall, G. Taillefer, B. Dunn, G. Reed, E. Waller, P. Kobylko and G. Galenby.  
Kitchener: F. Morton, J. Mason, R. Hubbard, M. Miller, T. Quennell, T. Churchill, D. Garrett, I. Gordon, C. Hubbell, A. Nieszczer and B. Bothwell.

**Buffalo 6 - Montreal 3**

On Thursday's agenda at the high school, Buffalo defeated the Montreal team 6-3 in a league upset and held the Montreal boys to very few hits.

Buddy Holmes and David Sproston were the big heroes for the winners with Buddy picking up two homers and Dave one. The final score was the largest obtained against Montreal so far in the schedule.

**Line-ups:**  
Buffalo: G. Waller, R. Holmes, B. Lambert, W. Rogets, D. Sproston, D. Chapman, J. Timmer, N. Dye and D. Mellon.  
Montreal: E. Hubbell, D. Harris, P. Marro, G. Holmes, R. Henderson, J. Riddell, D. Hargrave, B. Hudson, J. Price, B. Reid and T. Smeltzer.

**Toronto 9 - Rochester 3**

Toronto took another foothold in the International League race at the high school last Thursday evening when they downed Rochester 9-3.

Doug Ford, pitching his last game for the Toronto boys before moving up to the American National League, struck out the first six batters facing him before he was replaced by team mate John Masales.

John, who is taking over mound duties for the team, shows promise of being a top-notch bowler and with a little more practice, will come through with flying colors.

Don Earle, small but mighty, was top hitter for the night as he connected with three solid hit balls and blasted in several runs for the winners.

**Line-ups:**  
Toronto: D. Earle, H. Heikamp, P. Prystax, D. Ford, J. Masales, G. Dick, P. Drysdale, N. Douglas and P. Taylor.  
Rochester: B. Cook, P. Wedge, A. Hall, A. Reid, A. Weavers, N. Churchill, B. Freuler, P. Landy and G. Matthews.

### Another Snapper Capture Huge Turtle on Land

Another monster of the deep departed from the waters of Fairy Lake and ventured onto land during Wednesday evening's rain.

Charles Landisborough, Lake Avenue, reported a large snapping turtle digging in his flower bed and told reporters his wife and daughter had braved the hazards of facing the fierce-looking animal to roll it into a box and put a protective screen on it.

When in its cage and taunted, the huge snapper would rise up on all fours, open its large mouth and snap at the heavy wire screening with such force the report could be heard quite audibly.

**Adhere to Lay Eggs**

Mr. Landisborough assumed the turtle to be female who had come ashore to lay eggs and by the appearance of his flower bed, the statement was correct.

"I don't think the turtle would hurt anyone while in the water," stated Mr. Landisborough, when asked his opinion. He pointed out there were all kinds of them in the lake but he had seen them swim away when approached.

When last seen at 9:30 p.m. West-

### Report No Injuries Car-Tractor Crash

An estimated \$1000 damage resulted when a car and a tractor collided at 9:45 a.m. on No. 23 highway near the Campbellville side-road on Friday.

The tractor was owned by Ernest Zuest of R.R. 6, Milton and driven by Charles Dennis of R.R. 6, Milton. Driver of the car was Donald Wilds of 135 Main Street, Acton.

The tractor was cut in half by the impact and Mr. Dennis was thrown to the other side of the road.

There were no injuries reported.

Acton Junior Pipe Band will attend the Waterloo Band Festival on Saturday.

### Jehovah's Witnesses To Attend Convention

Jehovah's Witnesses from the Georgetown congregation today announced plans are underway to attend an international convention of Jehovah's Witnesses in New York city this summer.

Mr. Doerzman, presiding minister of the local group, said the convention could well be the largest in the history of Jehovah's Witnesses. It is scheduled for July 27 through August 3 and will be held in Yankee Stadium and the Polo Grounds simultaneously.

Mr. Doerzman stated that it is not yet known how many Witnesses from Acton and area will attend but, he added, special travel arrangements are being made by plane, train and car. He said further it may be necessary to limit meeting arrangements or cancel local meetings during convention time.

### THE PRESERVING KETTLE

by Frances Baxter  
OF GENERAL FOODS KITCHENS

Strawberry Preserves will taste mighty good come next winter, so I thought you'd like to try this recipe which I've found to be most successful.

**STRAWBERRY PRESERVES**  
6 cups small whole berries (about 2 quarts firm ripe small straw-berries)  
1 cup water  
2 cups (2 lbs.) sugar  
1 bottle Certo

Prepare the strawberries. Hull about 2 quarts small strawberries. Measure 6 cups whole berries (firmly packed without crushing) into a very large saucepan. Add water and sugar.

Now, make your preserves. Place over high heat and bring to a full rolling boil, stirring carefully to keep fruit whole. Reduce heat and boil gently 3 minutes. Remove from heat and at once stir in Certo. Skim off with metal spoon. Then let cool about 1 hour, to help prevent floating fruit. Ladle into glasses. Cover preserves at once with 1/2 inch hot paraffin. Makes about 10 medium glasses.

If you've ever wondered what "pectin" is, it's really easy to explain. It's the jelling substance found in all fruits in varying amounts. So you see... Certo is pectin extracted from fruits rich in this natural substance. It's refined, concentrated and performance-controlled. That's why, when you use Certo and follow the tested Certo recipes, your preserves, jams and jellies set perfectly every time.

Tart jams or jellies are delicious accompaniments to meat and poultry. Try raspberry or cherry jam with chicken or turkey; gooseberry or rhubarb jam with pork; grape or plum jelly with lamb.

I get quite a few letters from women who have problems in making their jams, jellies or preserves. If you'd like help, write me and I'll be pleased to give you any information I can. And do watch for my next column!

Ed's Note - Fresh crates of Strawberries are now available at your local Fruit and Vegetable Store.
