

A WIENER ROAST was sponsored by the Rockwood Scouts and Cubs on Tuesday evening when parents and friends were invited to attend following games and sing songs, a huge fire was built and all enjoyed roasting the winners and buns over the fire. Suggestions on how to roast the winners were plenty as both young and old alike dug in to enjoy the feed.

Tipson Touring

By Carol Lane
 Women's Travel Authority

For the woman with a green thumb, summer is the ideal time to see Canada by car. From early spring until the end of summer, the multitude of flower festivals, shows and garden tours turn our cities and countryside into a veritable haven for the amateur horticulturist.

At this time of the year, many a woman who takes pride in her own back yard likes to get out in the car to search for new kinds of wild flowers. A woman I know used to visit many flower shows and come home full of ideas for her own garden. Then she hit upon the best idea of all.

She turned her car into a "hot-house on wheels," and now she brings home bulbs and small plants from the nation's finest growing grounds for transplanting in her own garden.

GOOD PROMOTER
 When Postmaster General William Hamilton recently opened Vancouver's new post office, he proved to be a good promoter. Clutching a public address microphone, the cabinet minister said "I want a \$10 money order made out to the Canadian Red Cross. They have a campaign on right now."

Customer: "I want a plus."
 Clerk: "Sorry we do not sell plus."
 Customer: "This is a heck of a thing store."
