HALTON MANOR

Residents Greet Popularity Queen With Acton Visitors Sunday

On Sunday afternoon, August 3, while assembled in the dining room for supper, the residents of the Manor had the pleasure of seeing and welcoming to the Manor, Acton's recently chosen "Popularity Queen", Miss Judy Morton.

Judy had won this honor in a popularity contest sponsored as part of the Civic Holiday celebrations in Acton by the Minor Sports organization connected with the Canadian Legion. Judy had been chosen from among eight contestants.

Introduced

Judy was welcomed to the Manor, along with several visitors, by Mrs. Stanley Allen. She was introduced to the residents by Alec Johnston, a representative of the Minor Sports organization. She looked very quietly and attractively in her purple robe and brilliant diadem.

She presented a beautiful bouquet of gladness to Mrs. A. T. Brown who, before coming to the Manor to make her home, had lived in Acton for many years. Mrs. Brown and Mrs. Jessie Morton, Judy's grandmother, who is also a resident of the Manor, had the honor of having their pictures taken with the new "Popularity Queen".

Former Mayor

Former Mayor Tyler was also among the Acton visitors on this pleasant occasion. While waiting in the dining room for the Queen to arrive, the residents were shown a very handsome blue and white quilt that had

been presented to the Manor by the LODGE of Burlington. The quilt contains the names of many Burlington people. Embroidered upon it and these names will probably be familiar to the Manor's Burlington residents.

Here are the

FACTS

about exchanging your

3% wartime Victory Bonds

- 1. What is the Canada Conversion Loan of 1958?**
It is an offer to replace all unmatured 3% wartime Victory Bonds with new 25-year 4 1/2% Canada Conversion Bonds. (Other bonds of shorter term, bearing interest rates of 4 1/4%, 3 3/4% and 3% are also available.)
- 2. Why is the Government making this conversion offer?**
In order to reorganize the national debt on a longer term basis and thus reduce the volume of Government refinancing over the next few years. There is widespread public and business agreement that this is a sensible idea and will help protect the soundness of the Canadian dollar.
- 3. What interest will I receive on the new bonds?**
On the 25-year bonds the interest rate is 4 1/2% - this is 50% greater than the old Victory Bond rate. The increase on the 14-year and the 7-year bonds is also substantial.
- 4. As a Victory Bond holder, will I be required to make any additional payment?**
No. On the contrary, you will receive an immediate cash adjustment.
- 5. Do I have to convert my Victory Bonds?**
You may, if you wish, hold your Victory Bonds until maturity and on the due date you will be paid their full face value. The Conversion Loan offer is open only to Victory Bond holders; and the "right" to convert gives Victory Bonds a special value until the offer expires. This is because there are many people trying to buy them in order to invest in the new bonds.
- 6. What will be the total of my cash adjustment?**
It will depend on the type of exchange. For example, a \$500.00 Victory Bond exchanged for a \$500.00 Conversion Bond paying 4 1/2% will give you \$87.50 in cash immediately. This includes earned interest.
- 7. Does this offer apply to Canada Savings Bonds and other Government of Canada Bonds?**
No. This offer is limited to unmatured wartime Victory Loan Bonds only.
- 8. What steps should I take if I am away from home on vacation and wish to take advantage of this offer?**
You should write immediately to your bank, investment dealer, stockbroker, trust or loan company, requesting literature and application forms.
- 9. Does it matter that the Victory Bond I hold is very small?**
Every holder of a Victory Bond, even though the amount held may be only \$50, should take advantage of this offer. It is in his best interests as well as in the best interests of Canada.
- 10. How long is this offer open?**
Until September 15, 1958, but it is to your advantage to convert as quickly as possible and have the benefit of the immediate cash adjustment.
- 11. Where can I exchange my Victory Bonds?**
At any bank, investment dealer, trust or loan company, or through your stockbroker.
