

LEAVING ST. JOSEPH'S church following their marriage on Saturday morning, August 2, are Mr. and Mrs. Ronald Joseph Papillon. The bride is the former Florence Rosella Gibson of R.R. 2, Rockwood.

Florence Gibson, Ron Papillon Exchange Rings in St. Joseph's

In a double-ring ceremony at St. Joseph's church, Acton, at 10 o'clock Saturday morning, August 2, Florence Rosella Gibson became the bride of Ronald Joseph Papillon.

The bride is the daughter of Mr. and Mrs. James Gibson of R.R. 2, Rockwood, and the groom is the son of Mr. and Mrs. Archie Papillon, 185 Main St., Acton.

Father MacDougall of Guelph officiated at the wedding. White gladiolas had been placed in the church for the occasion. Miss Irene Mulholland played the organ.

Flair Length Gown

The bride chose a floor-length gown of white nylon net, with an overskirt of embroidered tulle, featuring a scalloped neckline. A headress decorated with sequins held her finger-length veil.

Her sister, Miss Ella Gibson, was maid of honour, wearing a bell-shaped gown of pink embroidered tulle fastened in tiers. She wore a matching headress and carried blue shorts.

Wifred Dakin, the groom's uncle, gave the bride in marriage. Kenneth Papillon, the groom's brother, was groomsman. Jack South and Wifred Dakin Jr., cousins of the groom, were usher boys.

Wedding Breakfast

A wedding breakfast was held at the Royal Hotel, Guelph, for the immediate family with an afternoon reception attended by many friends and other relatives.

The bride's mother wore for the occasion a royal blue coat dress with white accessories and a pink corsage. Mrs. Papillon, the groom's mother, wore a dress of navy blue nylon with a pink corsage.

The couple left on a wedding trip to Lake Placid, New York. For travelling, the bride wore a pink linen dress with a wide satin cummerbund, white accessories and a white corsage.

Guests were present from Kitchener, Brantford, Rockwood, Toronto, Oakville and Acton.

The attractive annual report of the Halton County Health Unit may be seen in the display window of the Free Press office. One of the illustrations chosen by the staff for the booklet is of particular interest in town. It shows Mrs. Albert Schupp, daughter Susan and son Peter of Acton registering with a nurse at one of the clinics.

Defence Problem

Group Needs 7,807 Volunteers

Italian Cudley's volunteer civil defence organization is short a few volunteers just now, to be exact. This was the story explained to members of County Council at Tuesday night meeting by the civil defence committee, which met last week with Brigadier G. E. R. Smith. At present, the county coordinator has 183 volunteers enlisted. He wants 8,000 in the county to properly organize the local service.

Name Rollable

And of the 183 souls who have willingly volunteered their services, none are suitable for key positions as heads of the various services making up good civil defence organization.

Steps will be taken, the Brigadier suggested, to enrol personnel from other groups in the County.

Ram's Can Help

Last a disastrous picture be cast over the county, however, the con-

dition of the emergency plan, the O.P.P. Auxiliary Police, the Georgetown Ambulance corps and the county's fire departments.

Mark-Mit and Train

Ward Card has suggested the committee stockpile such equipment as picks, shovels, crowbars, ropes and ladders to be used by volunteers in the event of a disaster. Rev. F. A. Phillips, Traglauer, suggested a police volunteer to train to become the head of the civil defence police services and personnel could study to become restricted licence operators for communications.

The committee is presently advertising for a replacement for Brigadier Smith, who has resigned, and it is hoped a replacement will be named by September.

OBITUARY

Was Former Carriage Maker Wesley Pickett Passes Away

A retired carriage maker, Wesley Pickett, a former Nassagaweya resident, died in Guelph General Hospital, August 19, following a brief illness.

Born in Halton County, September 10, 1888 he was the eldest of seven children, born to Elizabeth Harrison and Almer Pickett.

In 1908, the Pickett family moved to Darbyville in the County of Halton and there the late Mr. Pickett received his education.

After leaving school, he learned the carriage making trade with his father and later worked at his trade with his uncle in Brinklow.

Leaving Brinklow, he worked at Appleby and later settled at Dunnigan, in Traglauer Township, where he met and married Hannah Campbell in 1903.

After his marriage he moved to Darbyville with his wife and worked at the farm and shop there until his retirement in 1938.

His wife passed away December 13, 1928 and when he retired Mr. Pickett went to live with his daughter Myrtle (Mrs. Orme Sherwood) at Putlinton, where he remained until his death.

He leaves to mourn his loss, two sons, Elmer, of Florida U.S.A. and Clarence of Acton and one daughter Myrtle (Mrs. O. Sherwood) of Putlinton. A brother William, living in Brantford, also mourns his loss.

Mr. and Mrs. Custerus said there were making their first trip away from Delhi since Mr. Custerus' illness. He has been suffering from pneumonic fever which necessitated curtailing his church work considerably. He will resume preaching in the fall, but is still taking treatment.

Mr. and Mrs. L. Bulmer placed in this week's paper and the Custerus' friends here will join in hoping the keepsake is found and returned.

Visiting Pastor Loses Keepsake

After visiting in town last Sunday, Rev. Ray Custerus phoned back hastily after he had returned home to Delhi. While he was here he must have lost a treasured wallet.

Mr. Custerus, the Baptist minister here formerly, had been presented with the wallet-store when he left his post as curate master by the cuts sexton and leaders. A folding green wallet with the Boy Scout insignia contained a pad and pencil. Mr. Custerus said there was no money in it at the time.

OR GENERAL FOODS KITCHEN

Peach jelly — what a wonderful addition to your jelly cupboard, yet one which is new to many women! Here's the recipe.

PEACH JELLY

3 cups juice (about 3 quarts ripe peaches)

6 lbs sugar

1 bottle Certo fruit pectin

First prepare the juice. Pit (do not peel) about 3 quarts soft ripe peaches. Crush thoroughly. Add 1 cup water; bring to a boil. Simmer, covered, 5 minutes. Place in jelly bag and squeeze out juice. Measure 3 cups into a very large saucepan.

New make the jelly. Add sugar to juice in saucepan and mix well. Place over high heat and bring to a boil, stirring constantly. At once stir in Certo. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with metal spoon, and pour quickly into glasses. Cover at once with 1/4 inch hot paraffin. Makes about 9 medium glasses.

Some women think of pectin as a sort of "secret weapon" that makes jelly jell. Not secret here! It is simply the jellying substance found in all fruits in varying amounts. Certo is pectin extracted from fruits rich in this natural substance, then refined, concentrated and performance-controlled. Certo and the tested Certo recipes make your jam and jelly turn out exactly right.

Preserving Peaches: Pickling time is almost upon us. Too much salt will cause pickles to shrivel and go soggy — too little vinegar will bleach and shrivel them.

Don't use iron utensils — they'll discolor your pickles. Use an aluminum or enamel kettle instead — with a wooden spoon for stirring.

Had problems to do with jam and jelly making? If you'd like any help, I'd be glad to oblige. Write and let me know. Be with you soon in my next column.
