

United Church S.S. Plans Rally Month

The August meeting of the Board of Management of Acton United Church Sunday School was held at the home of Cyril Leighton, superintendent of the church school.

Extensive plans were made for the month of September which will be Rally Month. Leighton announced that the classrooms in the new church building will be ready for use the first Sunday in September.

The activities planned for Rally Month will begin with a Sunday School picnic on Saturday, September 6, in Acton park.

The parents are to be invited to attend with their children to join in the fun and help spark the opening of fall church school classes with enthusiasm.

Junior Pipe Band Reports Activities

A new class of instruction in piping for an additional 12 beginners was planned by the Acton Junior Pipe Band executive when they held their regular meeting on Tuesday, August 24.

Secretary David Peal reported that 12 beginners would be accepted for lessons in piping, with classes to commence soon.

Interested persons are asked to contact the secretary.

Many Engagements

The secretary also reported the band had travelled a considerable distance this year with engagements in Milton, four parades and engagements in Acton, a tattoo in Mount Forest, Waterloo Band Festival and a parade in Guilfith.

Sixteen band members attended Highland Games at Embury and Ferguson and plans have been made to enter competitions in the near future.

George Bowman has a hand tuiled purse on display at the C.N.E. He will not know until after the Ex if he has won a prize.

Windows rattled Tuesday when the Avro jet Arrow broke the sound barrier.

Many Acton golfers are practicing up for the Acton Open at Orangeville.

CLEANING UP THE WINDOWS, caretaker Rudolph Spielvogel, of the Acton High School, puts the finishing touches on his chores of having school spotless before the opening day next Tuesday. With twelve rooms, washrooms and hallways to keep clean, the caretaker has been kept busy nearly all summer with his chores at the school. Principal F. A. Hansen expects nearly 240 to enroll for the coming term.

AND IT'S "3-R" TIME FOR YOUR CAR, TOO!

It's readin', 'ritin' and 'rithmetic time for the kids again... and it's also time to check and see if your car needs the "3-R" treatment which involves the following very important but frequently overlooked operations.

REPLACE Oil Filter Cartridge

If you overlook changing the oil filter element and it becomes clogged, you are giving dirty, sluggy oil a chance to damage your car's engine. When we lubricate your car regularly our thorough checking system makes certain we don't forget the oil filter before it becomes clogged.

ROTATE Wheels

Like shoes, tires are prone to wear unevenly. They should be rotated every 3000 miles... this will help them wear evenly... and greatly increase tire life. Is it time for you to make this money saving cross-switch?

REPACK Front Wheel Bearings

This is another service operation that is apt to be overlooked because it is not required frequently. Our trained service men are experts on this point of lubrication and will be glad to inspect the front wheel bearings the next time you bring your car in.

Take it easy when you see a school sign — Give children a chance to graduate!

Area Resident Congratulated On Birthday

Congratulations from the community are extended to J. F. (Bud) Pearson on the occasion of his 80th birthday, celebrated August 16. Mr. Pearson has been a resident of Erie Township during his lifetime and was born on the first line of Erie Township in a log house now demolished.

He had been on the Erie School Board for some 20 years. When the church change took place in 1925, he was among those appointed an elder. Interested in gardening, he is also a life member of Erie and Acton Agricultural Societies.

Members of Mr. and Mrs. Pearson's family (the former Alice Leitch and Mrs. Rosa Allen (Bretton) Elva at home and Mrs. Calvin Atken (Evelyn). The best wishes of the community are extended to Mr. Pearson for continued good health and for his interest in community affairs.

Passes Recently

Another of our Rockwood boys, Wm. Charles Garstang, has passed away in his 80th year. He had been in failing health before removing to Guilfith General Hospital, where he passed away 10 weeks ago, in his home with Mr. and Mrs. A. J. and Shelia sixth line, Emerson.

Wm. Garstang was the 1st in a line of the family. Other members

were Robert and Thomas. Their father, John Garstang, was formerly section foreman on the Grand Trunk Railway and was later succeeded by his son Robert in the same capacity.

Attended School

Wm. Garstang was a student of Rockwood public school in the 90's. He was a member of the 1st section of the old school boys. During the late John Strachan term as principal, both Wm. Garstang and Charlie Joliffe took part in a dialogue on a Friday afternoon when a brief social hour was held during which time students took part in school activities.

Funeral services took place last Thursday at the Rumble Funeral Home, Acton, conducted by Rev. Fred Williamson of Guilfith with interment in Rockwood cemetery. Rev. F. Williamson also conducted funeral services for Robert and Thomas Garstang previously.

Vacation Bible School

The Vacation Bible School at the home of both the United and St. John's churches came to a successful conclusion Friday. It is hoped that the lessons learned will prove of great benefit to the young folks who participated under the guidance of their instructors.

This being the last week of summer holidays, the boys and girls will be starting on their way next week to higher studies. Also new scholars will be starting their first term of school life.

Work on the new bridge is continuing with extra cement work at both ends. The new bridge facing is already on hand and waiting to be put in place alongside the walk.

BALLINAFAD

Hit-and-Run Driver Rams Car On Seventh Line, Pair Uninjured

Mr. and Mrs. Haberman of Elm, when returning to their home on Thursday night, were hit by a hit and run driver on the seventh line below Peacock school. Neither were hurt but they were shaken up.

One headlight was smashed off and some chrome was scratched. The hit and run driver lost a piece of fender but never stopped. The police investigated and feel quite sure the culprit will be tracked down.

W.A. Meeting

The W.A. held their August meeting at the home of Mrs. Madill with the president presiding. The meeting opened with the theme song, Creed, hymn and prayer. All business was dealt with cards and visits taken. The roll call was answered by Bruce's parcel box in parcel 2.

Mrs. Tom Given had charge of the program consisting of two fine readings. The meeting closed with the Mormon benediction. Lunch was served by Mrs. C. and Mrs. B. McNery assisted by the hostess.

New Teacher

Congratulations to Miss Beth McNery in having passed grade 13 at Acton High School and finished summer school. She will be teaching this year at St. Mark's.

for speed test with his car at St. Mark's.

Visiting

Mr. and Mrs. Arnold McNery, D.A.F. and Marjorie Elliott of Campbellville spent a few days at Hienheim with Mr. and Mrs. Ed Adair and family.

Jack Brown of Atlanta, Georgia visited with Mr. and Mrs. F. W. Shortall, his graduation over the weekend.

The harvest is pretty well done in these parts.

Best wishes for a speedy recovery to Mr. Dale from your church members.
