

Step-Saving Efficiency Found in Modest Split-Level Design

From the street this modest split-level house has the appearance of an attractive one-story dwelling. Designed by architect K. R. D. Pratt, of St. Paul, Manitoba, the house combines the step-saving efficiency of a bungalow with the privacy of sleeping areas found in the two-story house.

The U-shaped working area and the dining space provided in the kitchen should appeal to most housewives. An attractive feature of the plan is the upstairs hall, which forms a balcony overlooking the living room. Recreation rooms, as well as heating and utility facilities are on the level below the bedrooms. An abundance of window area ensures a bright and cheery atmosphere in the house.

The total floor area is 974 square feet and the exterior dimensions are 37 feet by 27 feet. Working drawings for this house, known as Design 731, are available from Central Mortgage and Housing Corporation at minimum cost.

The first fall meeting of the Severwood W.I. was held Thursday evening at the home of Mrs. W. H. Norton with the vice-president, Mrs. B. Corbett in the chair.

After the opening ode and Mary Stewart Collett, Nell Call was answered by naming an Ontario county and county town.

A donation was made to the bursary set up by the district, and also a sum was set aside to buy something needed for the playground of the Home School.

A committee was named to arrange for the Fall Fair coming up and is composed of Mrs. B. Corbett, Mrs. G. Hunt, Mrs. W. J. Earle, Mrs. W. H. Norton and Mrs. H. Marchington. The latter two were also named to attend the Area Convention to be held at Guelph, September 24 and 25.

Guests
Mrs. D. W. Miller was convener for the meeting and had Mrs. Miller give the motto, "You don't find time, you make it" which was given in her usual interesting and capable manner.

Mrs. Miller then introduced Helen Case, who showed pictures taken on two of her recent trips. The first was to California and up the coast to N.C. and the second was to Florida and the British West Indies. They were very much appreciated by the audience.

Mrs. T. Appleyard and Mrs. D. Williamson then assisted the business during a social half hour.

Mr. and Mrs. George Hunt, Earl and Rosa recently had an enjoyable trip to Kingston and on north to Algonquin Park.

Hold Surprise Party For 75th Birthday

Mrs. Jessie Henderson celebrated her seventy-fifth birthday on Saturday, September 13, at her home on Main St., Rockwood, when a party was given by her daughter, Mrs. H. Laverty.

The party was a complete surprise to Mrs. Henderson's friends who were invited, each thinking they were the only guests for the afternoon and not knowing it was a birthday celebration.

Another Birthday
Also celebrating a birthday on the same day though three years older was Mrs. Elizabeth Leslie, another Rockwood resident.

Happy Birthday was sung by all, separately for the two ladies who have been friends for many years.

There was a delicious banquet laid out, handsomely decorated by Mrs. Laverty.

The party was served by Mrs. Laverty with her sister Mrs. Margaret Baxter and her daughter Kay Laverty assisting.

Guests
Present for the afternoon were Mrs. Myrtle Moore, Mrs. Albert Webster, Mrs. H. Hinkley, Mrs. A. K. Thomas, Mrs. Elizabeth Gordon, Mrs. G. French, Mrs. Elizabeth Leslie, Mrs. E. Hosking, Mrs. A. Circle Members Say Psalm from Memory

The Baptist Women's Mission Circle held their September meeting at Mrs. O. Wagner's home on Wellington St.

Vice-president Miss Jessie Cole presiding, opened the meeting with a hymn "Take time to be holy" and members recited the "Lord's Prayer" in unison. Miss Cole read a poem "Good Father".

Secretary Mrs. O. Lott read the minutes of the July-August meeting and called the roll.

During the business discussion plans were made for fall work and special meetings.

Lead Devotional
Mrs. F. Post and Mrs. C. Landborough had charge of the Devotional. Mrs. Post chose the 23rd Psalm as Scripture reading and after asking each member to recite the Psalm from memory, she took each promise in turn reading verses from several books of the Bible to prove God's care for us at all times and in every need.

Mrs. C. Landborough, reading from The Mission Study book, gave a most interesting resume of the beginnings and workings of the Southern Cross radio over Bolivia. During the season of prayer, members taking part stressed the needs of the work in India, Bolivia and the work at home.

The meeting closed with prayer and a social hour was enjoyed with Mrs. Buck and Mrs. W. Gordon as hostesses.

Mrs. C. Bailey tendered a vote of thanks to Mrs. Wagner for the use of her home for the meeting.

Meet your friends at the fair this weekend.

United Church Friendly Circle Hears Address, Views Pictures

The Friendly Circle of the United Church held their regular meeting in the Sunday school room on Wednesday evening.

The ladies were very fortunate in having as their guest speaker Mrs. Ken Knox, national secretary of the Canadian Save the Children Fund. Mrs. Knox left Canada in May and spent 18 weeks in the Middle East, travelling through Switzerland, Italy, Greece, Austria, Turkey, Jordan, the Holy Land and returning through Germany, France and England.

Notes Conditions
The guest speaker visited the many areas that are maintained by the Canadian Save the Children Fund. She told of the very appalling conditions in many places, people have to travel 150 miles to the nearest hospital and the medical staff only get to visit them once a month.

Mrs. Knox showed slides of her very interesting trip and commented on the various cities she also showed pictures of the Holy Land and explained how the people there still wear the dress of the time of the birth of Christ.

Nursery Goals
Mrs. Joy Hollowell thanked the guest and a collection was taken to aid the Save the Children Fund. Mrs. Knox thanked the ladies and explained she had an objective of 5000 to send to a nursery centre in Ellenski, Greece. The children come here from nearby Yugoslavia and the money collected would be used in this project.

Mrs. Emma Newell presided for the meeting. Mrs. Irene Munters read the secretary's report. Plans were made for the group to service and eat on Thursday, September 25, for the opening service of the new church school.

The ladies were sorry to hear that Mrs. Frieda Portino is a patient in Guelph General Hospital and all wish her a speedy recovery.

It was decided not to have a fall supper this year. Other means of raising money were discussed. Mrs. Edna Hella and her group were in charge of the program.

Scripture Reading
Scripture was read by Mrs. Glennie Fryer and Mrs. Mary McKenzie played the piano for the hymns. Mrs. Adams led in prayer.

The group formed a circle and played a game called Continue the Story. Refreshments were served by the group in charge and a social time followed.

WORLD SUPPLIES
The population of North America is increasing by three millions a year, thereby adding heavily to the demand for Canada's pulp and paper manufactures. In other parts of the world, increasing industrialization and the spread of popular education by means of books, magazines and newspapers call upon Canada for more and more shipments of paper. Only through Canada's possession of enormous forests and their careful conservation can the ever expanding world demand be satisfied.

ROCKWOOD

Many Parents Attend First Meeting Of Home and School Association

The first Rockwood Home and School Association meeting of the season was held last Tuesday evening in the school and was well attended. Mrs. Thomas Gellatly opened the meeting by all repeating the Lord's Prayer in unison.

Mrs. Gellatly paid tribute to Mrs. G. Kinross Edge who has recently published a book on arithmetic for primary grades. Presentation of photographs of graduates of last term was made.

In connection with field competitions during last term, cups were handed out to those who were foremost in sports by S. Wallings.

Large Staff
Principal Dave Armstrong spoke at some length and mentioned that the school had the largest staff of teachers in the school's history—eight pupils in grades 7 and 8 from S.S. 1 and 2 are conveyed by bus to Rockwood school.

A feature of the meeting was the presence of the deputy co-ordinator for civil defense, Robert Harrison, and his group of members of the civil defense from Guelph. Mr. Harrison spoke at some length regarding civil defense and said it took two years to get his men in shape with training.

Two films were shown dealing with automobiles and their use on the road. At the conclusion of the meeting, refreshments were served by members of the committee in one of the rooms of the new addition to the school and a social time was enjoyed.

Passes Suddenly
Much regret is felt in the village and community in the sudden passing of Herbert J. Gielman last Friday in St. Joseph's hospital, Guelph.

He leaves to mourn his wife, his wife, the former Lillian Griffin, two daughters, Madeline (Mrs. F. Hargrave) of Dutton, and Bernadette (Mrs. T. G. Vass) of Ajax, a brother, Fred and sister, Ethel (Mrs. Joe Murphy) predeceased him. Another sister, Mrs. George Saunders, resides in the village.

The funeral took place Monday morning with service at Sacred Heart Church. Rev. Father Callaghan officiated. Interment was in Oustic cemetery.

Work in connection with the new bridge is continuing and on Monday it was thrown open for traffic. Considerable work has yet to be done before the bridge is completed. Demolition of the Bailey bridge is underway. The new railing on both sides certainly adds to the structure's appearance.

Regular services at St. John's church were resumed last Sunday.

Mrs. Alfred Thompson W.A. Group Hostess
