Minor Sports Group Elects New Officers

Only 18 interested citizens turned out to a general meeting of the Acton Legion Minor Sports Group, held at the Legion Auditorium on Tuesday of last week.

Elected to office by acclamation were Alec Johnson, president and Ivan Kilby, vice president.

Elected to office were C. Cobarr, treasurer and B. Drinkwater, registrar.

To be appointed to office by the new executive is the position of secretary and other assistants necessary to work with the committee.

Mike Bennett, secretary-treasurer of the past executive, gave his financial report and noted a bank balance of \$54.57 was shown but pointed out that three accounts had not been paid to date and one donation had not been received.

Vic Masters, president, chaired the meeting and turned the nominations over to M. Bennett during the election of new officers.

Approximately seven of last year's members gave notice of not

Beet This

Can you beat it?

In his garden at Everton, Don Dexton dug up a monstrous beet bigger than most turnips. It measured 21 inches in circumference and weighed five and a half pounds.

Plans for the annual banquet were completed and the date set for office this next term.

Streetsville Downs Bradford 11-4 In First Lacrosse Play-off Game

Lacrosse, once familiar to sports fans in Acton, has once again become revived in town as Streetsville play their home games in the arena here.

With five Acton players on the team, the Streetsville management are quite pleased with the crowd turning out to see the games.

On Tuesday evening of this week, the first game of the play-off took place in the arena in Bradford net time and time again to bulge the net behind Al Bray.

Lucky Winners

These were three lucky winners of special draws at the fall fair, as well as the many people who laced home furry topcoats and lamps from the games of chance on the midway.

An impromptu draw was made at the fair Friday evening when tickets were sold on the purse made by Harry Waterhouse. Winner of the attractive purse was Ab Lantini. Mr. Waterhouse is again in hospital in Toronto.

The draw for an electric blanket was made at the fair on Saturday, under the auspices of the Duke of Devonshire chapter of the I.O.P.E. The lucky winner was Mrs. Charles Heller, Beaver Ave.

Mrs. Frank Simble of 16 Knox Ave. won \$1,000 in "bonus bucks". Entries were filled out at the I.O.P.E. store booth in the hall during the fair. The "bucks" purchase a variety of articles at the store.

Rockwood Wins Bowling Trophy For First Time

The Beardsmore bowling trophy won this year by the Rockwood Bowling Club for the first time was donated by the Beardsmore Company for the Inter-County competitions as long as the league exists.

Made of some of the first silver taken from a northern Quebec mine it was made in 1944.

It has been won twice by the Guelph Bowling Club.

The George Bell Memorial trophy also three years old was given in memory of Mr. Bell, an old time bowler, by his daughter and son-in-law to perpetuate his memory. Acton has won the Bell Trophy twice.

David D. Bray received the Beardsmore trophy from Claude Kentner in Rockwood on Saturday.

Harry Rogers of Acton was presented with the George Bell trophy by Mr. Kentner.

Behind the scenes Streetsville has won the first game of the four-out-of-seven series against Bradford. If Streetsville continue their team play as they displayed at Tuesday, there will be no trouble in eliminating the Bradford crew.

Goal to see a fast crowd out to see the game. The first Acton fans stepped right along with the best of them and in some cases out-leading the pack.

Might be nice if the arena could be fixed up a little and a local team entered into the competition next year. Nice going Streetsville Actonians. It was a great game to see and an important one to win.

The next game will be played in the Acton arena tonight (Thursday).

Lacrosse, once familiar to sports fans in Acton, has once again become revived in town as Streetsville play their home games in the arena here.
