Active in World Y, UN Work Dick Schmull Leads Busy Life

Former YMCA general secretary Dick Schmull wrote to Dr and Mrs Allan J Buchanan while they were in Amsterdam this summer Knowing Mr Schmull's friends here would be interested Dr Buchanan brought the letter to the Free Press office

It reads:

Munich Gauting
UNESCO Youth Institute
August 29, 1958

Mr and Mrs Buchanan,
c/o Pulestruatraat 8,
Amsterdam

Dear Allan and Bertha

Ricke told me that you are in good old Europe again How come? Couldn't you wait any longer? I hope you had another good trip and I hope that it was not boring

Everytime I see American tourists I think there goes another tired tourist Especially at the World's Fair, where you have been without any doubt

How did you like it? Did you see the Canadian pavilion and the Dutch? I thought that the Dutch exhibition was the best, It had style and was very clear in exhibiting industries and culture

Where have you been more? In Paris again or to the Scandinavian countries? I heard from Ricke that your letter came from Sweden It's nice over there and the smorrebrod is very good!

Did you go far up north? Well, I will hear everything from Ricke when I come back But it is a long time three weeks more

Straw Hat Players Hoping to Continue

Its first successful season and ambitious plans for next have been epoched by the new Straw Hat Players who opened up at the Port Carling Playhouse following in the footsteps of a notable company of ten years ago.

University of Toronto student, Fred Euringer of Acton played with the troupe this summer.

Kari Jaffary and William Davis University of Toronto undergraduates stated the standard of productions was kept fairly high and the box-office receipts were more than gratifying.

The resident company of John Douglas, John Saxton Juliana Glanelli Fred Euringer and Judith MacLeod all worked very well for us and our imports for choice periods Bill Brydon, Mary Anderson Maureen Fox and Don Sutherland also lived up to expectations in almost every case.

"We certainly hope to be back at Port Carling next summer and are thinking of possible ways to expand operations, even to the thought of running a second company in another centre."

— Fire Prevention Week is being observed with displays door to door calls, "open houses" and much publicity throughout the county Several highlights of the week the mutual aid demonstration and church service — have been held in Acton.

—Acton Women's Institute made their annual visit to Halton Manor on Tuesday evening They were accompanied by Revs Gordon Adams, some of the Acton Citizens' Band and several other friends A full account will be given in the Manor news.

national relationships than ever.

How long this future will last, I don't know, but we have to be grateful for every war-less year!

This will be a rather trying day for you, going up and down from Brussels However I hope that you will enjoy your stay in Amsterdam, and believe me, I am very, very sorry not to be able to receive you on my home I will be with you in my thoughts as you will be with me through this letter.

All the best and don't forget to give my hearty greetings to all the old friends overseas.

Sincerely yours,
Dick Schmull

At Conference

As you will have heard from Ricke by now, I have been to Milan near Paris loading an older boys camp and attending a conference for secretaries of the Latin countries.

I was the only "Latin" Dutchman but they needed a man for the physical education.

Afterwards I went to Munich Badensee for a secretaries' conference on physical education.

And now I am here in the Unesco Youth Centre having five days of holidays and afterwards a working seminar with Dutch students.

When I am ready here I will go to Mapplingen Switzerland as representative of the Amsterdam College for Physical Education in order to attend the 20th anniversary of the Swiss Training school for Sport and Physical Education. I will be back on September 15th and go again on the 25th on invitation of the French government for a study seminar for rhythm and movement of which they suppose I am an expert.

In the meantime busy shove me in the programme committee of the World's Alliance of YMCA's for physical education and to the world council for physical education of the Y's.

So I am really a busy man and life changed a lot after Acton, Ontario.

Grateful for Acton

As a matter of fact my stay in Canada has helped me quite a lot in getting these international functions and that's one of the reasons I am grateful for having been in Acton.

I think we need more and more international understanding in these hectic days I am an optimist and I see a future of more inter-
