

## Quality, Numbers Outstanding In Dairy Cattle Classes at Fair

The 1958 annual Fall Fair of the Milton Agricultural Society will no doubt go down in history, despite the rain and hail, as the best show in the past 100 years. In our opinion, the exhibit in the two main halls was the best that we have seen in the past 25 years.

Certainly the directors, both ladies and men, may well take a bow for a job well done. As indicated in our column of a week ago, the Junior Farmers section was the

largest since its inauguration eight

years ago. The Junior Farmers put into the 36 inter-club educational displays

the 4-H Club members and their leaders are to be congratulated.

Unfortunately our duties pre-

vented us giving all branches of

the show, both beef and dairy, and the quality and numbers were outstanding. While we have seen larger numbers of dairy cattle at Milton, the slight difference here

was more than compensated by the increase in the beef breeds.

Powell and Dore of Ingleside

won the premier exhibitor award,

with J. L. Chisholm in the reserve position, in the Guernsey Show,

which brought out 80 entries for the adjudication of Don McKenzie of Mt. Vernon. Mr. Chisholm however, took the coveted premier breeder award, with the reserve bonus going to Powell and Dore.

In the male division, M. T. Mc-

Nabb and Sons took the junior

champion award on College Advi-

cedor for the senior female champion-

ship. Holstein fieldman George

Drennan was overheard to com-

ment, "That group of animals

would be a credit to any Class A

show in the country."
