WITH  
KEN HULFORD

### High School

Oct 27 Bird Dogs are still in first place, but they're being crowded. The Crackpots took them for two and totals and are casting covetous eyes at the top spot.

Rebel Hoopers have a one point advantage for second place but their first place hopes received a setback when the Saturdays swung into their orbit and took care for all games. T. Masala 612 and J. Jeffers were shining bright for the winners while A. Williams 607 was the Rebel's best.

Hula Hoops moved up the point ladder with a two and totals win from Minto despite a 6-01 trouncing from the Jokers G. Hulford.

Experience and youth teamed up when Outside took Beardmore over the jumps for a two and totals win. P. Kenner 670 and J. Pickett 635 sparked the win.

Leatherettes almost won a game. They lost the second go by 16 pins. That was their last effort of the night. H. H. Brown headed off by J. Dims 602, wrapped up all games.

Bowman 477 and A. Wheeler 461 being likemore for the losers.

Foley 400 (200) flew highest for the Fly-by-Nights with I. Martin 369 (200) and J. Bullock 456 coming up best for the South Paws. A single of 202 from I. Bradshaw rates a mention.

### Acton Ladies

Oct 29. D. Spielvogel's 6-00 (218) headed up the two game win of Spurling's over Prose Motors. A. Mas 304 from A. Suley topped the Prouse play with the odd point for totals going to the "Motor Gals".

## HEALTH Through Chiropractic

The case history you will find herein is an actual case and serves as an example to illustrate the scope of Chiropractic.

CASE NO. 1026

A young boy, 10 years old, had been suffering from a severe case of scoliosis. He had been treated by several doctors, but the condition had not improved. He was unable to walk without a brace and was in constant pain. He had been in the hospital several times and had been told that he would never be able to walk again.

The A. D. Moore Chiropractic office uses the latest scientific instruments for a complete Chiropractic analysis and the Palmer method of corrective spinal adjustments. This method is identical to that used in the world famous B. J. Palmer Chiropractic Clinic, a referral clinic for doctors.
