Some discussion concerning annual campaigns took place. It was recommended that all campaigns for funds for the C.N.I.B. in Halton County be conducted in the fall of the year.

A question concerning the Canadian Federation arose. It was ex-

plained it had a recreational and social program a sales force but no service programs. Subscriptions for funds and sales are carried on by telephone.

47 Registered

W. Stanley, field secretary, reported that there were 47 registered blind persons in Halton County ranging in age from 100 years to a baby 11 months old. Two are preschool children under the care of Mrs. Whitelaw's department.

These blind are distributed as follows: Acton 4; Burlington 15; Campbellville 1; Cicer Williams 1; Georgetown 7; Hunter 1; Milton 5; Neval 1; Oakville 10; Pelee 1; Rockwood 1. There were six new registrants. Three moved into the district, one moved out and there was one death. The large increase in the Burlington area was due to the amalgamation of Aldershot and Nelson.

Sales of blind craft products in Milton and Georgetown Fall Fair amounted to \$178.45 and \$45.32 respectively. These sales are important not only because they enable the C.N.I.B. to sell materials but valuable publicity is therefore derived therefrom. Mr. Stanley thanked the T.O.D.E.'s for their help in this matter. The annual joint Milton-Peel picnic was held this year at Appleby College on June 23. The musical part of the program was again provided by the Musicians Union. The Oakville ladies took charge of the refreshments assisted by the Burlington ladies. Hampers, roses, cigars, cigarettes, were distributed to all the registered blind. The total expense amounted to \$384.92. Many of the recipients expressed their thanks for an enjoyable afternoon.

Several recommendations for assistance were made. In conclusion Mr. Stanley thanked the members of the H.C.A.B., the T.O.D.E.'s, Women's Institutes, County Council, the service clubs, papers and radio for their efforts on behalf of the blind.

Annual Meeting

Mr. Thompson, chairman and member of the Clarkwood Conference Board of Governors, delivered his report of the meeting of the Ontario Division C.N.I.B. attended by Mr. Thompson and Mr. Riddell. The afternoon session was held in the auditorium of Bakerwood.

Who Finances Conservation? Forums are Sharply Divided

Farmers throughout Ontario are extremely conscious of the importance of conservation and the great majority are themselves practicing several types of conservation. This is made clear in reports from Farm Forum groups following the second radio broadcast of the season, the theme for which was "Conservation or Else".

While the majority opinion held that definite conservation programs should be prepared for them and that government advice on such should at all times be available, some groups felt that the government should assist in financing at least of the more expensive features of conservation programs such as drainage and bulldozing.

But a substantial number of groups thought that with advice and guidance many farmers were able to carry out and even finance

Present Two W.M.S. Members With Life Membership Pin, Bar

The annual meeting of the Acton-Woodstock W.M.S. of Knox Presbyterian church was held at the home of Miss Robina Clark on Thursday, November 13. Miss A. J. Buchanan presided.

Mrs. F. Anderson was convened for the program with the theme being "Our Church and the Indians". Canadians: Mrs. H. L. Benne and Mrs. R. L. Davidson led in the service of worship.

With Mrs. Anderson as commentator, assisted by Mrs. J. B. Parker and Mrs. C. G. Jones, the presentation of the mission study took the form of an amateur TV newscast. The listeners were given information concerning the work of the Presbyterian church in Canada and the share for which the W.M.S. is responsible.

They were told that there are more than 160,000 Indians in Canada today and more than 2,200 Indian Reserves.

Government Responsible?

It was shown that the federal government is responsible for the education of the Indians and for their social welfare.

Two Indian residential schools, Cecilia Jeffrey school at Kenora, Ontario, and the Birtle school at Birtle, Manitoba, are under the supervision of the Women's Misionary Society (W.M.S.) of the Presbyterian Church in Canada.

Mrs. Dougald Kennedy, life membership secretary, announced the gift of a life membership in the Society to Mrs. Fred McCutcheon, on behalf of the members, presenting the certificate and Mrs. C. Hansen, the accompanying life membership pin.
