

Refused School Admission Move House to Guelph

After a family of five refused admission to a Guelph school for some time, getting up early and leaving with her father who works in Guelph. She is fortunate in having a grandmother who lives after her in Guelph. This costs \$1500 a month.

READY FOR THE MOVERS is this attractive home owned by Mr. and Mrs. Aylmer Bard formerly of Eden Mills. Unable to obtain school admission in neighboring Framosa township for their child, they are joining other families in moving away. Overcrowding required the children walk two and a half miles to a Nantagaweya school, with an Framosa school two-thirds of a mile away.

Although the weather again this year was not favorable for the hunters, the deer season in Bruce Peninsula from November 3rd to 28th produced an excellent harvest of deer.
