

Fire Prevention Bureau Honors Contest Winners

Officials and members of the Halton Fire Prevention Bureau and other guests honored two Mississauga Grade Five students on Tuesday, Nov. 25, at a banquet in the new fire hall in Milton. Nicholas Riehthofen of SS. No. 3 and Linda Mutual Fire Insurance Co., which Walton of SS. No. 10 (Camptown) were awarded permanent trophies for winning the county-wide fire prevention poster contest sponsored by the Bureau.

Guests Introduced

Following a turkey dinner served by the Milton Firemen's Ladies Auxiliary, Chief A. E. Clement of Milton introduced the guests of honour, their parents, teachers and principals, officers and members of the Bureau. Warden William Card was also present.

Trophies Awarded

In his remarks, Chief Clement praised all those who had assisted the Bureau during the past year for their help with fire prevention in the County. "It's much too big a job for the fire services to handle alone," he said.

Chief Clement noted both contest winners were in the Milton fire department by Chief Clement, and God Save the Queen closed the evening.

Mrs. A. M. McPherson to Lead Knox Ladies' Aid Coming Year

After two years of untiring service, arranged by the nomination committee of Mrs. D. Leslie and Mrs. A. Mathews, Mrs. W. McLeod vacated the chair for a new leader appointed at the annual meeting held in the church parlor on Tuesday afternoon.

The worship service was led by Mrs. McLeod with a call to worship and included the hymn, "I am thine O Lord," a scripture lesson read by Mrs. George Lewis, a prayer period introduced by Mrs. F. Anderson and included six members; Mrs. C. Hansen, Mrs. A. Anderson, Mrs. McPherson, Mrs. D. Kennedy, Mrs. D. Leslie and Mrs. Jones.

Reports were given by the secretary, Mrs. G. S. Somerville, and the treasurer's report by Mrs. S. Mathews, showing a good financial balance for the year 1958.

Plan New Project

Many items of business past and present were discussed and new projects planned for the new year. Plans to remember the sick and shut-in for Christmas were made and several volunteers to help with this.

An expression of sympathy to Rev. A. H. and Mrs. McKeown was to be sent on the sudden passing of the former's brother.

The slate of officers for 1959 was:

Circle Bazaar Held Saturday

The Sunday school room of the United church was gay with Christmas decorations for the annual bazaar of the Friendly Circle on Saturday afternoon. Tea was served in the centre of the room while tables of attractive goods for sale occupied the wall space.

Baking and candy found ready buyers. Salty ladies were Mrs. J. Stewart, Mrs. G. W. McKeown, Mrs. W. J. Webster, Mrs. G. Gordon McKeown and Mrs. Jim Ladner.

The touch-and-take table proved popular with the children as well as adults. The leader of the Friendly Circle, Miss M. Z. Bent, and Mrs. C. Reginaldson were in charge.

Cards and Novelties

Mr. Bruce Shumaker sold 10-cent cards.

Novelties on the miscellaneous table included: Yule logs, dolls, foam rubber articles, aprons, knitting and embroidery. In charge were Mrs. Bill Stouffer, Mrs. Lorne Youngblood, Mrs. A. Armstrong and Mrs. Gladys Adams.

The delicious tea was served at small tables, with small Christmas centerpieces which were later sold.

The bazaar was very successful financially.

Draws Climax I.O.D.E. Bazaar At Legion Hall

Quantities of baking, 100 aprons, boxes of candy, knitted mittens, socks and sweaters and an attractive array of Christmas decorations and gifts were up for sale when the Oakville chapter I.O.D.E. held their annual fund-raising bazaar. For the first time this year, the event was held on a Friday afternoon.

The Legion auditorium was the location with tables of goods ringing the room. Tea, coffee, sandwiches and cakes were picked up at the bar to the kitchen at one end of the spacious hall.

Patrons stamped the first heavy snow of the season from their feet as they eagerly approached the attractive articles hand-made and home-baked for this traditionally big Christmas bazaar.

Several Draws

Draws were made at the end of the evening by the regent, Mrs. Joyce Cole, and associate member of the chapter, Mrs. J. Adamson of Galt.

The beautiful bride doll, on which many tickets had been sold went to Mrs. Wayne Kelly, who has two daughters. Seven-year-old Carol received the top doll with a complete wardrobe. Her sister Patricia is just a year and a half old. Mrs. J. Hughes and Mr. Frank Van Wyk had made the lovely clothes.

Prizes for the draw were a trophy to Mr. Avery of SS. 3, and Chief Fred Shaw of Oakville gave Nicholas his personal trophy. Mr. Fisher presented the trophy to Miss Boyle, principal of SS. 10, and Deputy-Chief George Bonds of Milton presented Linda with her personal award.

Winners in other draws were: pair of socks, Mrs. E. McKeown, Milton Christmas cake, Mrs. J. Adamson, Galt; pair of barbecue aprons, Mrs. Alf. Fryer, box of candy, Mrs. W. Fountain, rocking horse, Mrs. Dave Dills, crib quilt, Mrs. Lorrie Dobberthorn.

Converses

Converses were Mrs. E. Fostett,

Mrs. John Mann and Mrs. Rudolph Spivakoff. In charge of the tables were: baking, Mrs. Cameron Leishman; aprons, Mrs. Clare Pickett; Mrs. Alf. Fryer, miscellaneous.

WEDNESDAY EVGS.

C.G.I.T. NEWS

The C.G.I.T. group of Knox Presbyterian church met on December 1 with 13 members present.

The girls sang the hymn and repeated the purpose.

Betty Lemon and Sharon Bradley led the worship service. Linda Cox and Marilyn Lemon conducted the business.

Mrs. Grier handed out parts for the Vesper Service. The girls drew names for their Christmas party. The meeting closed with Taps after crafts.

Attends Convention In Toronto Friday

Mrs. Eileen Buckner attended the convention of the Ontario Association for Retarded Children in Toronto last Friday.

In a recent article in the Toronto Telegram on Mrs. Buckner's work with the retarded children in the Sunshine School in Milton, the value of Music and Movement was stressed. It improves the children's coordination and captures their interest.

In January Mrs. Buckner and four or five of the key people in the work are getting together to pool their knowledge and prepare a basic program also to investigate the use of a film strip in training these special schools.

On Jan. 12, Mrs. Buckner will speak at the Ontario Society for Crippled Children's Centres Building Fund. Local appeal chairman, Mr. Padbury, announced that week. The Building Fund will be made of 23 centres in Canada and the United States to assure that the new Ontario Centre would give the best of every phase of treatment and every facility, he said.

"Ten years were spent in planning and research on the Centre by the staff of the Ontario Society for Crippled Children, with its Medical Advisory Committee and architects. A personal survey was made of 23 centres in Canada and the United States to assure that the new Ontario Centre would give the best of every phase of treatment and every facility, he said."
